INDEX of PASSENGER TRAIN SCHEDULES and OTHER INFORMATION

TO LOCATE THE STATIONS you are interested in see Index to Stations, pages 55 to 59, which lists all the numbers of the time-tables in which each station is shown.

EXPLANATION OF SIGNS. The standard signs are as follows:

* Daily. ‡ Daily ex. Sat. † Daily ex. Sun. ¶ Daily ex. Mon. § Sundays only.
f Stops on signal. *k* Saturday only. ‖ Meal Stations.
12.01 A.M. to 12.00 NOON in light faced type. **12.01 P.M. to 12.00 MIDNIGHT in heavy faced type.**

When no sign is shown with a train time, the train will stop at the station shown.

When the sign "*f*" is shown with a train time, the train will stop to let off passengers or will stop to take on passengers—when flagged by the Agent or signalled by the passenger at non-Agency Stations or when the Agent is not on duty. Numbers following certain stations refer to tables of connecting trains.

IT IS VERY IMPORTANT when there is a sign, letter or symbol (other than above) with a train time, that you should read the explanation which is always shown on the same page of the time table at or near the table in which the sign appears.

PARLOR, SLEEPING, OBSERVATION, CAFE and DINING CAR SERVICES are shown in Equipment Notes near table where train times are shown.

SLEEPING and PARLOR CAR FARES and GENERAL INFORMATION in regard to many subjects shown in Index below.

Here's How You Can Help

1. Purchase rail, sleeping and parlor car tickets well in advance of departure . . . and cancel promptly if plans change.
2. Get to the station early . . . at least a half hour before train time if you are leaving from a terminal. This will give you time to check your baggage for the train on which you are travelling . . . and you will have a better chance of getting a seat.
3. Avoid peak travel period . . . travel mid-week if possible.
4. Travel light and check all baggage not needed on train.
5. Be considerate of your fellow passengers . . . sharing the Coach seat . . . and making sure your baggage is placed securely in rack.
6. Be patient if you have to wait for a seat in the Diner. Relinquish your seat promptly when meal is finished.
7. Do your smoking in the Smoker.

Comment vous pouvez nous aider!

1. Achetez vos billets à l'avance . . . et avertissez-nous sans délai si, pour une raison quelconque, vous ne pouvez les utiliser.
2. Arrivez à la gare de bonne heure . . . au moins une demi-heure avant le départ du train, si vous partez d'un grand centre. Ceci vous permettra de faire enrégistrer vos bagages, pour qu'ils soient mis à bord du même train que vous . . . et vous aurez plus de chance d'avoir une place.
3. Evitez de voyager durant les jours d'affluence . . . partez au milieu de la semaine, si possible.
4. Voyagez avec peu de bagages et faites enrégistrer ceux dont vous n'avez pas besoin en cours de route.
5. Soyez courtois envers les autres voyageurs . . . partagez votre banquette dans les voitures ordinaires . . . et voyez à ce que vos bagages soient bien placés dans le filet.
6. Soyez patient s'il vous faut attendre une place dans le wagon-restaurant. Quittez la table dès votre repas fini.
7. Fumez dans le wagon-fumoir.

TELEGRAPH, CABLE and WIRELESS SERVICE
TO ALL PARTS OF THE WORLD

Money Transferred by Telegraph—Safely and Promptly

Avoid Disappointment—Reserve Hotel

or other accommodation by wire. Sleeping or Parlor Car conductors will arrange for despatch of telegrams if desired.

Telegrams
SPEED BUSINESS *and* GET RESULTS

Speed is the keynote of war efficiency. Speed in Canada's war work is just as essential as accuracy.

That's why Canadians are using telegrams where expeditious communication is vital.

A "Wire" never stops on the way. It gets there almost instantly — accurately — gets extra attention — gets work done — and gets on the record.

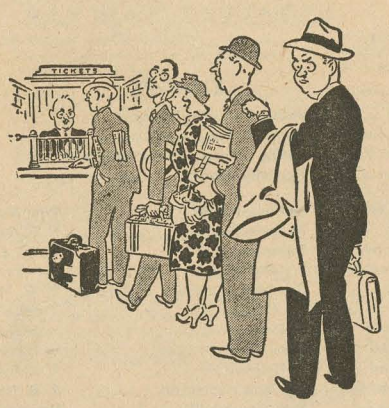
Save Time... buy TICKETS in advance



Avoid frayed nerves and help relieve wartime pressure on the railways by making reservations early and purchasing tickets well in advance of train time.

"Gentlemen, we're Hungry"

There's nothing we like better than to see people enjoying their meals in the dining car enough to linger over them. We wouldn't hurry you for anything, but wartime travel is heavy and others need your places.

He hasn't learned to TRAVEL LIGHT!

In wartime help conserve available railway space — and add to your own comfort — by travelling with a minimum of baggage.

PLEASE! Don't wait to be asked

War traffic makes heavy demands on railway accommodations... now, more than ever, it is necessary to consider the convenience of others.

Canadian Pacific

Wings of the World's Greatest Travel System...

Canadian Pacific AIR LINES

Half a century ago, the Canadian Pacific linked ocean to ocean across Canada by rail. Now it adds air transport to its rail and steamship facilities. Recently, it consolidated ten Canadian air transport companies running northward like arteries from the main east-west lines of communication...to the borders of the Yukon ...and the shores of the Arctic.

It now operates close to 100 planes, with a flying mileage of more than 5,000,000 plane miles a year. This makes it one of the world's largest commercial air operators. Its routes connect with Trans-Canada Air Lines and the leading American air lines.

For information, rates and reservations, apply to any traffic office of Canadian Pacific Air Lines or to any Canadian Pacific Railway agent.

EMPRESS HOTEL

VICTORIA - BRITISH COLUMBIA

STANDING in five acres of lovely grounds, the Empress Hotel, admittedly one of the world's most charming hostelries, fronts the placid waters of Victoria's Inner Harbor. Royalty has graced its suites; world travellers make it a rendezvous; neighbors from "across the line" visit it on every sort of occasion. For Victoria, British Columbia, is the heart of Canada's Evergreen Playground.

The Empress has many attractions including . . . 570 commodious guest rooms, the majority with bath; Crystal Ball Room, public and private dining rooms, and ample facilities for meetings. On the walls of the main dining room hang oil paintings of the consorts of many of Canada's Governors-General. Among the unique features are: the Conservatory, with a fountain playing amid masses of flowers; and the nearby Crystal Garden, with its warmed sea-water pool and palm-bordered promenades.

As a guest at the ivy-clad Empress Hotel you'll enjoy every moment of your stay. Golfing on rolling greens . . . riding . . . fishing . . . hiking . . . sailing. Nutritious tasty meals.

GOLF . . . Guests of the Hotel are extended the courtesy of the famous Victoria (Oak Bay) Golf Links, the Royal Colwood Golf Course, as well as the numerous Golf Courses in and around the city, on payment of Green Fees.

Descriptive folders and reservations may be obtained from any Canadian Pacific agent, or from the Manager, Empress Hotel, Victoria, B.C.
