1. Personal Data We Collect

Depending on how you interact with us and the Website, we may collect a variety of information, including Personal Data.

When we use the term "**Personal Data**" in this Privacy Policy, we mean information that identifies, relates to, describes, is reasonably capable of being associated with, or could reasonably be linked, directly or indirectly, with you. For example, Personal Data can include a telephone number, email address, Internet Protocol ("IP") address, or other online identifiers.

The specific categories of Personal Data we may collect include:

- **Contact Information**, including your name, street address, telephone number(s), and email address(es).
- **Demographic Information**, including your birthdate, gender, and age.
- **Payment Information**, including your credit/debit card information and billing address.
- **Shopping History**, including information about the items you viewed, added to your cart, and purchased or returned.
- **Loyalty Program Information**, including information that you provide when using the Website's ordering functionality and any other information that you choose to provide if you sign up for, participate in, or interact with our loyalty program and other activities we may have access to or collect information about you.
- **Visual Information**, including your likeness as captured in photographs or video recordings if you participate in our events or activities.
- **Social Media Information**, including information that you post on our social media pages, your social media profile information, and information posted on your social media pages.
- **Device and Browser Information**, including your device type, browser type, operating system version, IP address, and other unique device identifiers.
- **Correspondence and Communications**, including records of your communications with us and our customer support services.
- **Geolocation Information**, including your approximate location derived from your device's IP address.
- **Log and Usage Information**, including the date and time you access the Website, the site you came from and/or the site you visit next, and how you interact with the Website, such as the pages you access and use the Website, the pages that you navigate to, links that you click, and other information about your activity on the Website.
- **Inferences**, including inferences drawn from the above information that we may collect to create a profile reflecting your preferences or characteristics.

2. How We Collect Personal Data

Depending on how you interact with us and the Website, we may collect a variety of information.

- **Directly from You.** When you visit and use the Website or otherwise interact with us, we collect Personal Data that you share with us. For example, we collect Personal Data directly from you when you:
  - purchase our products;
  - register for and participate in one of our promotions;
  - submit a recipe review;
  - use the Website's "submit an idea" function or similar features;
  - download a coupon/e-reward from the Website;
  - sign up for our loyalty program, including creating rewards/e-e financial reports;
  - contact us directly (via phone, email, etc.);
  - interact with our social media pages; or
  - interact with us in person (e.g., at one of our physical locations, engage with us at in-person event, etc.).
- **Automatically Collected Means.** When you access and engage with the Website or our online content, we and our service providers may automatically collect certain information about you, your browser, devices, and activity.
- **From Cookies and Tracking.** When using tracking technologies (e.g., cookies, pixel tags, web beacons), we may collect information and inferences, including Internet or other electronic network activity details about your behavior on the Website, including how you move and scroll through the Website, and how you interact with the Website, such as the pages you visit and links you click. These technologies may be used to collect information about your device and how you interact with the Website, mobile applications, and Services.
- **From Other Sources.** We may receive data from other sources and keep that data for our purposes, which is also known as **Cookie & Ads Policy**.
- **From Third Parties.** We may receive your Personal Data from other sources, as permitted by law, including the following categories of sources:
  - Our service providers.
  - Our business partners, including companies that co-sponsor our promotions.
  - Our analytics and advertising partners and providers, including online advertising networks and analytics providers.
  - Social media platforms (note that the Personal Data we receive from the platforms is dependent upon their policies and settings on each platform).
  - Other companies, including those that allow you to integrate your third-party account with your account with us.
  - Other companies that provide Personal Data to supplement what we already know about you, including data aggregators.

3. How We Use Personal Data

We generally use Personal Data to operate, improve, and develop the Website and the growth, maintenance, and management of our business. Depending on how you interact with us, we may use your Personal Data in the following ways:

- **To Provide and Manage the Services.** We use your Personal Data to provide, administer, and improve the Services, including to operate the Website, and to provide you with the Services. Personal Data is otherwise necessary to provide the Services and operate the Website.
- **To Process and Fulfill Your Order(s).** Where applicable, we use your Personal Data to process your order(s), including to process payments, to fulfill your order(s), and to provide you with customer support.
- **To Communicate with You.** We use your Personal Data to communicate with you about your account and, in limited, and not intentionally to respond to your customer service requests, and other communications we have with you. We may also use your Personal Data to send you marketing communications, including by email, phone, text message, or mail, and other activities administered by us or our third-party partners. We may also use your Personal Data to send you important updates and communications about this Privacy Policy, our Terms of Use, and other policies that govern your use of the Website.
- **To Send Promotional and Promotional Communications.** We may use your Personal Data to send you communications and other materials with information about new products and special offers, coupons, or other information we think will be of interest to you. We may also use your Personal Data to send you communications and materials we think may be relevant to you based on your interests. You may opt out of receiving these communications at any time by following the instructions contained in the communications you receive or by contacting us directly.
- **To Identify Usage Trends and Make Improvements.** We use your Personal Data to understand how you use and interact with the Website and the Services over time, including to help us improve the content and functionality of the Website and the Services, and to better understand our customers and the Website.
- **To Personalize Your Interests and Personalize Your Experience.** We use your Personal Data to help us understand and learn about the interests, preferences, and needs of you and other visitors to the Website. We may also use your Personal Data to customize or personalize your experience with us.
- **To Engage in Interest-Based Advertising.** We and our third-party partners may use Personal Data to tailor and measure advertisements on the Website or on other online services across the devices you use. To learn more about your choices for interest-based advertising, please see the section titled "Cookie & Ads Policy" above.
- **To Carry Out Sales and Business Transactions.** We may use your Personal Data in connection with the evaluation, negotiation, and/or completion of a business transaction (e.g., a merger, acquisition, consolidation, reorganization, or sale of assets or equity interests, or in the event of any bankruptcy, whether or not a going concern or as part of a receivership or similar proceeding, in which Personal Data held by us is among the assets transferred or is otherwise relevant to the evaluation, negotiation, or completion of the transaction).
- **As Otherwise Permitted, Necessary, or Appropriate.** We use your Personal Data as otherwise described in this Privacy Policy or as explained to you at the point of data collection. We will also use your Personal Data as we believe necessary or appropriate to: (a) comply with applicable laws, regulations, and legal processes; (b) protect the rights, privacy, safety, and property of you, us, or others; and (c) enforce our Terms of Use and other agreements.

We may de-identify your Personal Data for other reasons that we will describe at the time of data collection or prior to disclosing your data.

We may combine Personal Data we collect through any one or more of the ways described above. For example, we may combine Personal Data we collect from you in-person with Personal Data we collect online. We may also combine Personal Data we collect from you with Personal Data we collect from other sources, including third-party sources, as described above in the section "Sources of Personal Data We Collect."

4. How We Disclose Personal Data

We may disclose Personal Data to the following categories of recipients:

- **Our Brands and Affiliates.** We disclose your Personal Data to our brands and affiliates of The Hershey Company (including our brands and affiliates) companies for our business purposes and as otherwise engage in the activities described in this Privacy Policy.
- **Our Service Providers.** We disclose your Personal Data to third parties who perform services on our behalf or help us operate the Website or our business (such as hosting, information technology, promotional, and email and sms on our behalf. We may also disclose your Personal Data to our Services. Data on our behalf and disclose certain data to their subcontractors, but only to the extent necessary for them to perform services on our behalf. For example, we may disclose your Personal Data to our service providers who process your payment information. We may also disclose your Personal Data to our service providers who help us send you marketing communications. Please see the "Your Rights" section below if you want to learn more about how we service providers may use your Personal Data.
- **Our Business Partners.** We disclose your Personal Data to other companies with whom we have partner as necessary to provide our products and services and carry out other related activities. For example, we may disclose your Personal Data to our business partners who co-sponsor or help us administer our promotions. We may also disclose your Personal Data to our business partners who perform their own marketing or otherwise operate third-party services we provide to you.
- **Our Loyalty Program Partners.** We disclose your Personal Data to our loyalty partners, including The Hershey Company or Hershey Entertainment and Resorts Company as necessary or appropriate to operate our loyalty program and to provide you with benefits. For example, we may disclose your Personal Data to The Hershey Company or Hershey Entertainment and Resorts Company so that you can earn points in our loyalty program, redeem points for rewards, or receive other benefits.
- **Our Licensees.** We will disclose your Personal Data to licensees as appropriate. For example, if you participate in a promotion that is co-sponsored by a licensee, we may disclose your Personal Data to the relevant licensee in connection with the promotion or as otherwise described in the promotion.
- **Our Corporate Partners.** We disclose your Personal Data to our research partners, including those that partner us on research projects in partnership with our corporate partners.
- **Our Analytics Partners.** We disclose your Personal Data to our partners that assist us in performing analytics and help us measure the effectiveness of our marketing campaigns and understand the use of our Services.
- **Our Advertising Partners.** We disclose your Personal Data to third parties for advertising purposes, including social media platforms, third-party ad networks, and other companies that assist us in serving and optimizing our advertisements.
- **Business Transaction or Reorganization.** We may disclose your Personal Data as necessary in connection with the consideration, negotiation, and/or completion of a corporate transaction or investigatory body request.
- **Law Enforcement Authorities and Protection of Rights and Safety.** We may disclose your Personal Data to law enforcement authorities, courts, and other public authorities if we believe, in our sole discretion, that we are required or permitted to do so by law or legal process, or if we believe such action is necessary to comply with the law and the reasonable requests of law enforcement or to protect the security or integrity of our Website or our business. In addition, if any bankruptcy or reorganization proceeding is brought by or against us, Personal Data we hold may be considered an asset of ours and may be sold or transferred to third parties.
- **Other Parties.** We will disclose your Personal Data with other parties at your direction or with your consent. If you use the service of a sweepstakes or other contest, we may also disclose your Personal Data to anyone who requests a winner's list. Finally, we will disclose your Personal Data with other parties when required to by law or as necessary to protect the Website and Services and to protect our customers and those of any of our affiliates. Such disclosures may be necessary to detect, investigate, and prevent fraud, to protect our rights, privacy, safety, or property and/or those of others, or to allow us to pursue available remedies or limit the damages that we may sustain.

We may disclose your Personal Data for other reasons that we will describe at the time of data collection or prior to disclosing your data.

We may disclose Personal Data in an aggregated, non-personal form that does not directly identify you or any other individual.

If a customer has purchased the Personal Data of another person, we may disclose such Personal Data to the person who purchased it in the "Personal Data We Collect" section above or as otherwise described in this Privacy Policy.

Personal Data Disclosed in Connection with Business Transactions or Reorganizations. We may disclose Personal Data that we collect in connection with a corporate transaction, such as a merger, sale, bankruptcy, or other type of acquisition or business combination of all or a portion of our assets, or a corporate reorganization, during negotiations of such transactions. Personal Data may be transferred in such a case and may be retained by us and/or the buyer or successor to which we transfer the assets. In addition, if any bankruptcy or reorganization proceeding is brought by or against us, Personal Data we hold may be considered an asset of ours and may be sold or transferred to third parties.

Please note that we may de-identify or aggregate Personal Data so that it will not longer be considered "Personal Data" and disclose such information to other parties for purposes consistent with those described in this Privacy Policy.

5. Your Choices and Legal Rights

Your Choices
We provide you with the ability to make certain choices about how we use your Personal Data. Additional details are below.

Opt Out of Receiving Our Marketing and Promotional Communications. You can opt out of receiving our marketing and promotional communications by following the instructions in such communications, including by using the unsubscribe functionality, which is usually located at the footer of the email, or by updating your preferences in your account. Even if you opt out of receiving marketing and promotional communications from us, we may still send you certain other communications and non-promotional communications, such as those about your account or your transactions with us, and we may still engage in other activities as described in this Privacy Policy. For example, we may still send you emails about your account or any Services you have requested or received, and we may still engage in activities such as interest-based advertising and non-marketing and transactional messages (e.g., messages about your account, customer service inquiries, etc.), as permitted by law. Please note that we may process your requests to opt out of receiving marketing communications for a reasonable period of time, and emails that you receive from us will still likely need to be processed.

Control Cookies and Other Similar Technologies. As described in the "How We Collect Personal Data" section above, we and our partners use cookies and other similar technologies to collect information about your activities on the Website and other websites. You may be able to control the use of cookies through your browser, as explained in Cookie & Ads Policy, above.

Access and Correct Your Personal Data. You can request access to the Personal Data that we hold about you and correct any data that is inaccurate or incomplete. You may also have a right to request by contacting us using the information in the "How to Contact Us" section below. Please note that we may need to verify your identity before we can grant access to or correct your Personal Data.

Your Legal Rights
Depending on your country or U.S. state of residence, you may have certain legal rights in relation to your Personal Data. If you would like to submit a request to exercise your privacy rights under applicable law, please contact us using the contact details in the "How to Contact Us" section below.

Depending on your location, additional information regarding your privacy rights may also be included below.

6. Links to Other Websites

The Website may contain links to third-party websites, plug-ins, applications, or other online services that are not operated by us. Clicking on those links or enabling those connections may allow third parties to collect and track or use personal data. We are not responsible for the third parties' privacy practices. We suggest that you read the privacy policies of every service with which you interact.

7. Children's Privacy

The Website is intended for adults. We do not knowingly collect Personal Data from anyone under the age of 13 through the Website.

This Privacy Policy and the CAPTCHA are shown on the Website confirm that The Hershey Company is a valid licensee and participating member in the CARU Safe Harbor Program ("**CARU Safe Harbor**"). CARU Safe Harbor is an independent, self-regulatory program that helps ensure that websites are reviewed and certified that our websites are directed to children and that we meet established online data collection and use parameters and of protection when the Privacy Policy is posted. As a CARU Safe Harbor participant, we are subject to periodic reviews and assessments of our practices and we are subject to accountability mechanisms administered independently by CARU.

If you believe that we have not responded to your inquiry or your inquiry has not been satisfactorily addressed, please contact CARU at:

8. How Long Do We Retain Your Personal Data

We retain your Personal Data as long as necessary to fulfill the purposes outlined in this Privacy Policy, unless a longer retention period is required or allowed under law.

To determine the appropriate retention period for Personal Data, we consider the amount, nature, and sensitivity of the Personal Data, the potential risk of harm from unauthorized use or disclosure of the Personal Data, the purposes for which we use the Personal Data, whether we can achieve the purposes through other means, and the applicable legal requirements.

If we de-identify data, we will maintain and use the data in de-identified form and not attempt to re-identify the data except as required or permitted by law.

9. How We Protect Your Personal Data

We use reasonable and appropriate security measures, including physical, administrative, and technical safeguards, to protect your Personal Data from loss, misuse, and unauthorized access, destruction, and alteration.

However, the Internet is not 100% secure. As a result, We all businesses, we cannot guarantee the absolute security of your Personal Data. We encourage you to use caution when using the Internet and to take steps to protect your data. You are not sharing your passwords.

10. Cross-Border Transfers

As a global organization, we will transfer and/or store Personal Data under our control in the United States and other countries where we do business. Your Personal Data may be transferred to, stored, or processed in countries other than the country in which you live.

If you live outside of the United States, you understand and agree that we may transfer your Personal Data to the United States. When we transfer your Personal Data to the United States or other countries, we do so in accordance with applicable law and the appropriate steps to ensure your Personal Data is protected and that appropriate safeguards are in place to protect your Personal Data. We may also transfer your Personal Data at the request of or with your consent to countries that may not provide the same level of protections for Personal Data as those in your country of residence.

If you are located in the EEA, UK, or Switzerland, please note that we may need to transfer your Personal Data to countries that have not been deemed to provide an adequate level of protection for personal data. We generally use EU Standard Contractual Clauses (or other guarantees or agreements mentioned in other lawful data transfer mechanisms that provide appropriate safeguards for transfers of personal data) to protect your Personal Data when it is transferred outside of the EEA, UK, and Switzerland. To learn more about the use of these mechanisms, please contact us using the information in the "How to Contact Us" section below.

11. Additional Information for Residents of the EEA, UK, and Switzerland

If you are located in the EEA, UK, or Switzerland, The Hershey Company acts as the "Controller" (as defined in applicable data protection law) of your Personal Data, and the following disclosures are provided in addition to the information in this Privacy Policy.

Our Legal Basis for Processing Your Personal Data
Below are the legal bases that we rely on to process your Personal Data.

- **Consent.** We may rely on the consent that you provide us at the point of data collection or disclosure to process your Personal Data. You have the right to withdraw your consent at any time and we provide at any time and we do by contacting us using the contact information below. Please note that the withdrawal of your consent will not affect the lawfulness of our processing of your Personal Data before your withdrawal, and we may continue to process your Personal Data if it is based on other legal bases and applicable law. For example, we may continue to process your Personal Data if necessary to perform our contract with you, to comply with our legal obligations, or to establish, exercise, or defend our legal rights.
- **Performance of a Contract.** We may process your Personal Data when we believe it is necessary to enter into or perform a contract with you. For example, we may process your Personal Data to provide you with the Services, to process your orders, to fulfill your orders, to provide you with customer support, and to communicate with you about your account.
- **Legitimate Interests.** We may process your Personal Data when we believe it is reasonably necessary to achieve our legitimate business interests and those interests do not outweigh your interests and fundamental rights and freedoms. For example, we may collect and use your Personal Data to improve our Services, to develop new products and services, to personalize your experience, to send you marketing communications, to conduct interest-based advertising, to prevent fraud, to protect our rights and the rights of others, and to enforce our Terms of Use.
- **Compliance with a Legal Obligation.** We are subject to certain legal requirements that may require us to process or retain your Personal Data, or we may otherwise choose to process your Personal Data if necessary for us to comply with our legal obligations or to establish, exercise, or defend our legal rights. For example, we may process your Personal Data to establish, exercise, or defend our legal rights, to defend law enforcement, governmental, or other regulatory matters.

Your Rights Under the GDPR
Subject to applicable law, you may have the following rights regarding your Personal Data: (a) the right to know whether we process your Personal Data and to access your Personal Data, including the right to obtain a copy of your Personal Data in a portable format; (b) the right to correct inaccuracies in your Personal Data; (c) the right to request the deletion of your Personal Data; (d) the right to object to the processing of your Personal Data for certain purposes, including for direct marketing purposes; and (e) the right to withdraw your consent to the processing of your Personal Data at any time. These rights may be limited in some circumstances by local law requirements.

Your Rights Under the UK GDPR
Subject to applicable law, you may have the following rights regarding your Personal Data: (a) the right to know whether we process your Personal Data and to access your Personal Data; (b) the right to request rectification or to whether we process your Personal Data and to access your Personal Data; (c) the right to request rectification or to whether we process your Personal Data and to access your Personal Data; (d) the right to request the deletion of your Personal Data; (e) the right to object to the processing of your Personal Data for certain purposes, including for direct marketing purposes; and (f) the right to withdraw your consent to the processing of your Personal Data at any time. These rights may be limited in some circumstances by local law requirements.

Complaints with a Legal Obligation. We are subject to certain legal requirements that may require us to process or retain your Personal Data, or we may otherwise choose to process your Personal Data if necessary for us to comply with our legal obligations or to establish, exercise, or defend our legal rights. For example, we may process your Personal Data to establish, exercise, or defend our legal rights, to defend law enforcement, governmental, or other regulatory matters.

Your Rights Under the Swiss FADP
Subject to applicable law, you may have the following rights regarding your Personal Data: (a) the right to know whether we process your Personal Data and to access your Personal Data, including the right to obtain a copy of your Personal Data in a portable format; (b) the right to correct inaccuracies in your Personal Data; (c) the right to request the deletion of your Personal Data; (d) the right to object to the processing of your Personal Data for certain purposes, including for direct marketing purposes; and (e) the right to withdraw your consent to the processing of your Personal Data at any time. These rights may be limited in some circumstances by local law requirements.

How to Exercise Your Legal Rights
You can exercise the above rights by contacting us using the information in the "How to Contact Us" section below. In order to protect your privacy and confirm that you are entitled to exercise your rights, we may ask you to provide additional information to verify your identity. More applicable, we will use the requested information for verification purposes only.

How to Contact Our EU Representative
If you have questions about the Privacy Policy or our data handling and privacy practices, please contact our EU representative by sending an email to GDPR_eurepresentative@pgs.com or writing to:

12. Additional Information for Residents of Brazil

If you are located in Brazil, The Hershey Company acts as the "Controller" (as defined in applicable data protection law) of your Personal Data, and the following disclosures are provided in addition to the information in this Privacy Policy.

Our Legal Basis for Processing Your Personal Data
Below are the legal bases that we rely on to process your Personal Data

- **Consent**. We may rely on the consent you provide us at the point of data collection or subsequently to process your Personal Data. You may withdraw your consent at any time by contacting us as set forth in Section 10 below. Withdrawing your consent will not affect the lawfulness of any processing we conducted prior to your withdrawal, nor will it affect processing of your Personal Data conducted in reliance on lawful processing grounds other than consent.
- **Compliance with a Legal or Regulatory Obligation**. We are subject to certain legal requirements that may require us to process your Personal Data. We may also process your Personal Data in order to comply with a legal or regulatory obligation to which we are subject. In particular, we may be required to retain your Personal Data for extended periods of time and to disclose your Personal Data to law enforcement, government, or other regulatory agencies or in the course of litigation.
- **Execution of a Contract or Preliminary Procedures Related to a Contract**. We may process your Personal Data where we are required to do so in order to perform our obligations under a contract we are a party to or take steps at your request before entering into such a contract. This may include Personal Data used to provide you with our products and related services and related transaction support.
- **Exercise of the Right**. We may need to process your Personal Data in order to exercise our own legal rights (claims, administration, or arbitration procedures).
- **Legitimate Interests**. We may rely on one or more of our legitimate interests to process your Personal Data, provided that our interests are not overridden by your interests or fundamental rights and freedoms that require protection of your Personal Data. We rely on our legitimate interests to engage in marketing and relationship with you, conducting and managing our business, providing you with customer support, conducting market research, developing and improving our products and services, and ensuring the security of our systems, networks, and activities, and monitoring and maximizing the security of our data, systems, and networks.

Your Legal Rights

Certain applicable laws are subject to relevant exceptions, you have the right to:

- Request confirmation as to whether we are processing your Personal Data, and if so, request access to your Personal Data.
- Request correction of incomplete, inaccurate, or outdated Personal Data that we hold about you.
- Request deletion, blocking, or deletion of your Personal Data.
- Request that we transmit your Personal Data to another service or product provider.
- Request restriction of processing of your Personal Data.
- Request information about the public and private entities with which we shared your Personal Data.
- Request to provide your consent, in which case we will inform you of the consequences of your decision.
- Withdraw the consent you have provided us to process your Personal Data (note that this will not affect the lawfulness of any processing carried out before you withdraw your consent).

Where applicable, you also have the right to request the review of decisions made solely on the basis of automated processing of your Personal Data that affects your interests.

How to Exercise Your Legal Rights

You can exercise your above listed rights by contacting us using the information in the "How to Contact Us" section below. In order to protect your privacy and confirm that you are entitled to exercise your rights, we may ask you to provide additional information to verify your identity. We will respond to your request within 30 days, but we will be required to respond in less time in some jurisdictions.

11. Additional Information for Residents of California

The California Consumer Privacy Act (CCPA) provides California residents with certain rights with respect to their Personal Information. This section applies only to California residents. Terms not otherwise defined have the meaning associated with it in such laws/standards. In the event of a conflict between this section and the rest of this Privacy Policy, the provision in this CCPA section will prevail.

Personal Information Collection and Disclosure

Purposes for Collecting Personal Information

As described in more detail in the "How We Use Personal Data" section above, we collect personal information to provide and manage the Services, process and fulfill orders, to support and market our business, and to achieve other legitimate business purposes as described above.

Disclosures of Personal Information

As described in the "How We Share Personal Data" section above, we disclose personal information to fulfill the purposes described. We will also disclose certain categories of personal information to our independent auditors, legal advisors, and other third parties as necessary if appropriate, including when we have a legal or contractual obligation to disclose such information.

Sale and Sharing of Personal Information

We "share" personal information (as such term is defined in the CCPA) with "**authorized agents**" to the extent you elect to use them. We do not "sell" certain categories of personal information as those terms are defined under the CCPA. We have no actual knowledge that we sell the personal information of any person less than 16 years of age. For more information please see the "Interest-Based Ads Collect" section above.

Your Rights and Choices

The CCPA provides California residents with certain rights with respect to their personal information, subject to certain exceptions. This section describes your CCPA rights and explains how to exercise those rights.

- **Access to Specific Information and Data Portability Rights**. You have the right to request that we disclose certain information to you about our collection and use of your personal information over the past 12 months. In addition, you have the right to request that we provide you with a copy of your personal information. Once we receive your request and confirm your identity, we will disclose to you or your representative:
  - The categories of personal information we have collected about you.
  - The categories of sources for the personal information we have collected about you.
  - Our business or commercial purpose for collecting, selling, or sharing that personal information.
  - The categories of third parties to whom we disclosed such personal information, and
  - If we sold, shared, or disclosed your personal information for a business purpose, we separately list disclosing:
    - sales and shares, identifying the personal information categories that each category of recipient purchased; and
    - disclosures for a business purpose, identifying the personal information categories that each category of recipient obtained.
  - Certain inaccurate personal information that we maintain about you, taking into account the nature of the personal information and the purposes of processing.
  - Deletion of personal information we have collected from you, subject to certain exceptions.

We do not charge a fee to process or respond to your verifiable consumer request unless it is excessive, repetitive, or manifestly unfounded. If we determine that a request warrants a fee, we will inform you why we made that decision and provide you with a cost estimate before completing your request.

How to Exercise Your Legal Rights

You can submit a request to exercise your rights under the CCPA by:

- Calling us at 1-800-668-1798
- Completing and submitting the form available here.

To protect your privacy, we will require the matching of up to three pieces of personal information provided with your request with information we maintain to verify that it you making the request. We will not fulfill your request unless you have provided sufficient information for us to reasonably verify that we may be disclose a request who we are and to respond to your request, and confirm the personal information we maintain relates to you.

Exercising your rights does not require you to create an account with us.

Authorized Agents

You may authorize someone to submit a request on your behalf (an "**authorized agent**"). An authorized agent will need to demonstrate that you've authorized them to act on your behalf, which may require you to verify your identity directly with us. Alternatively, an authorized agent that has been provided power of attorney pursuant to applicable law may submit your request without further verification. We may deny a request from an authorized agent that does not submit proof of authorization or fails to verify their identity.

How to Exercise Your Sale and Sharing Opt-Out Right

As detailed in the chart above, we "sell" and "share" certain categories of personal information to or with third parties for purposes of cross-context behavioral ads. If you would like to opt-out of the sale or sharing of your personal information, you may submit a request using the following methods:

- Completing and submitting the form available here and the form is also accessible on the "Do Not Sell or Share My Personal Information" link in the footer of the Website.
- Calling us at 800-668-1798.

Upon receipt of your request, we will forward it to those relevant parties for the purpose of opting-out.

Alternatively, where available, you can use certain preference signals to exercise your opt-out right to sale and sharing of personal information on your browser or device, such as the Global Privacy Control ("GPC"). If you use such a browser or browser signal that complies with the CCPA, such as the Global Privacy Control (GPC), upon receipt or detection, we will honor the signal as a valid request to opt-out of the sale and sharing of personal information linked to your browser or device. To learn more about how to use a supported browser, Please note that if you use different browsers or devices, you will need to opt-out from each browser and device that you want to apply.

Notice of Financial Incentive

We may offer you certain promotions when you agree to receive marketing and promotional communications from us. These promotions may include discounts, coupons, or other benefits (each, an "**Offer**"). The terms of each Offer will be posted on or in made available. You may opt-in to receive an Offer by following the instructions in the Offer. You may withdraw from an Offer by following the instructions described in the Your Choices and Opt-Out Rights section above.

Hershey Cookie & Ads Policy

Last Updated: May 15, 2023

In this Cookie & Ads Policy, you will find information on the use of cookies and other similar technologies on our websites and how you can control them. This Cookie & Ads Policy also describes our interest-based advertising practices and your choices.

This Cookie & Ads Policy ("**Cookie Policy**") explains how The Hershey Company ("**Hershey**", "**we**", "**us**", and "**our**") uses cookies and other similar technologies on our websites, including Hersheyland.com, Reese's Puffs Bowl, Hershey's Kisses Adventure, which are operated and supported by The Hershey Company, TheHersheyCompany.com, Hersheyland.com, CalleCaleb.com, Shop.hersheys.com, Hersheyfoundation.org, and other websites that link to this Cookie Policy (collectively, the "**Websites**").

This Cookie Policy does not apply to the websites of and your interactions with Hershey Entertainment and Resorts Company, including The Hotel Hershey and Hersheypark. It also does not apply to the Hershey Pick Hotels app.

This Cookie Policy should be read together with our Privacy Policy and our Terms of Use.

1. What are Cookies?

"Cookies" are small text files sent to a website and stored on your device. Cookies are used to make websites work or work more efficiently, as well as to provide reporting and tracking information, and improve your browsing experience. They can also enable the delivery of relevant and personalized advertisements.

There are different types of cookies, which we categorize based on the basis of their origin. "**First-party cookies**" are cookies that are stored by the website you are visiting, while "**third-party cookies**" are cookies that are stored by a third party. Cookies can also be "**persistent cookies**" or "**session cookies**" depending on how long they are stored on the device.

Cookie Type	Purpose of Use
Strictly Necessary Cookies	These cookies are necessary for the Website to function and cannot be switched off in our systems. They are usually only set in response to actions taken by you that amount to a request for services, such as setting your privacy preferences, logging in, placing items in your cart, or filling in forms. You can set your browser to block or alert you about these cookies, but some parts of the Website will not then work.
Functional Cookies	These cookies enable the Website to provide services or to remember settings to improve your visit. They may be set by us or by third-party providers whose services we have added to our pages. If you do not allow these cookies, for example, these cookies help us remember your choice of language or region, store you have logged in to the Website, or help us to provide live chat support when visiting us. Facebook, if you disable these cookies some or all of these services may not function properly.
Performance Cookies	These cookies allow us to count visits and traffic sources so we can measure and improve the performance of our site. They help us know which pages are the most and least popular and see how visitors move around the Website. All pages are visited, and any errors that occur. They also help us to measure the effectiveness of our advertisements. All information these cookies collect is aggregated. They only work if you enable this feature. Google Analytics uses such cookies. You can find out more about Google Analytics' use of cookies and how to opt out of them here. To opt out of Google Analytics, download and install the Google Analytics Opt-out Browser Add-On, which is available here.
Targeting Cookies	These cookies may be set through the Website by our advertising partners, including social media platforms. They may be used by those companies to build a profile of your interests and show you relevant advertisements on other sites (see also, which is known as "interest-based advertising"). They do not store directly personal information, but are based on uniquely identifying your browser and internet device. If you do not allow these cookies, you will experience less targeted advertising, please see Section 4 below.

Some of these cookies are temporary and erased once you close your browser (**"session cookies"**), while others stay on your browser until you delete them manually or until your browser deletes them based on the duration period set by the cookie (**"persistent cookies"**).

3. How to Control Cookies

You can control and manage your cookie preferences at any time by accessing our cookie management system, available here.

Additionally, your browser may give you the ability to control cookies or other similar technologies or to reject cookies.

For more information about cookies, including how they work and how to manage them, please see www.allaboutcookies.org.

4. Our Use of Social Media Features and Widgets

The Website includes social media features, such as the Facebook "like" button, and widgets, such as the "Share" button or interactive mini-programs. These features may collect your IP address and which page you are visiting on the Website and may set a cookie to make the feature function properly. We are not responsible for the privacy practices of the companies that provide these features, and we encourage you to read the privacy policies of the third parties that provide these features.

5. Interest-Based Advertising

We engage in interest-based advertising to deliver online, relevant advertising to you. We also work with third-party companies that help us determine which ads to show you. These companies may set cookies to collect data about your visit to the Website and on to that they may deliver advertisements tailored to you both on the Website and on third-party online services and across devices.

We do not control the collection of data by third parties or their use of such data. You can control interest-based advertising by third parties, including through your browser and device (e.g., if you block cookies in your browser, you will not receive interest-based ads on that browser). You can also opt out of interest-based advertising by companies participating in the Digital Advertising Alliance's consumer choice tool or the European Interactive Digital Advertising Alliance's consumer choice tool. Please note that opting out of interest-based advertising does not mean you will not receive advertising, analytics, and tracking.

6. Your Interest-Based Advertising Choices

Some web browsers, website/applications, and mobile devices allow you to exercise certain choices regarding interest-based advertising. Please see below for more information.

- You can limit our use of targeting cookies through our cookie management tool, available here.
- You may be able to opt out of receiving interest-based advertising using the browser opt-out tools and consumer choice mechanisms provided by interest-based advertising self-regulatory groups by following the links below:
  - Network Advertising Alliance (NAI): **www.networkadvertising.org/choices**
  - Digital Advertising Alliance (DAA): **https://optout.aboutads.info/?c=2&lang=EN**
  - European Interactive Digital Advertising Alliance (EDAA): **https://youronlinechoices.eu/**
  - Digital Advertising Alliance of Canada (DAAC): **https://optout.aboutads.info/?c=3&lang=en**
- You may control your advertising preferences or opt out of certain Google advertising products by visiting the Google Ads Preferences Manager, currently available at **https://google.com/ads/preferences** or by visiting the NAI opt-out tool linked to above.
- You have the ability to control whether you see interest-based advertisements on your mobile device in the following ways:
  - Your device operating system may provide mechanisms that allow you to opt in or opt out of the use of data about your usage of mobile apps to deliver interest-based advertising to your mobile device. For more information, consult your device settings.
  - The DAA offers a tool for opting out of the collection of cross-app data on a mobile device for interest-based advertising. To exercise your choices with respect to participating companies, please download the **AppChoices tool here**.

Please note that you will need to opt out separately on all of your browsers and devices, as each opt-out will apply only to the specific browser or device from which you opt out. If you delete or reset your cookies or mobile identifiers, change browsers, or use a different device, any opt-out cookie or tool may no longer work and you will have to opt out again. Even if you choose to opt out of receiving interest-based advertising, you may still receive advertising, but the advertisements may be less relevant.

Some of our partners may provide you with additional choices with respect to interest-based advertising. For example, certain social media platforms allow you to control your advertising preferences directly through their services. Please review the privacy policies of the third-party services you use for more information.

Depending on your U.S. state residency, our use and disclosure of Personal Data for interest-based advertising purposes constitutes “sharing” or the processing of Personal Data for “targeted advertising” under applicable law. Details on how to exercise your legal rights with respect to “sharing” or “targeted advertising” can be found in the “Additional Information for Residents of California” and “Additional Information for Residents of other U.S. States” sections of our Privacy Policy.
