This memo text is in response to the letter dated 3/21/12 with a response due date of 4/25/12 concerning bundled contributions. A data entry error caused several contributions to be listed with an incorrect received date. This amended report corrects the received date of the contributions in question. The data was verified by comparing scanned copies of the contributions and copies of the bundling information sheets sent to the candidates. Also, as indicated on the original report, on Schedule A, the aggregate y-t-d totals refer to the donor's contributions to CFG PAC, not to any candidate or committee referenced in memo entries. The FECfile software does not allow us to edit this field and all the data was imported in the format shown on the instructions for the FECfile software.
