

# MONITORING, LEARNING AND EVALUATION IN DPPA

Learning, transparency and accountability principles drive the monitoring and evaluation (M&E) practices in DPPA. The Department draws on both qualitative and quantitative assessments to build a body of evidence for its work in conflict prevention and sustaining peace.

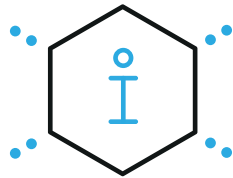

The **DPPA 2020-2022 Strategic Plan** serves as a practical management tool to help guide the Department's work. As DPPA's primary extra-budgetary instrument, the Multi-Year Appeal (MYA) is key to translating the priorities set out in the Strategic Plan into action.
