2. Take care to crochet very tight stitches! If you crochet rather loosely, use a smaller hook size.
3. Stuff your amigurumi as you go. Use a chopstick for that!
4. Fasten off your work always with needle join and you will get a neat result.
5. You can use a stitch marker or a piece of yarn to mark the beginning of a round.
6. For a child under age of 3, you should rather use black yarn to embroider the eyes instead of using toy eyes made from plastic or glass.

Eyes will be place between 17 and 18 rows, with 16 loops distance.

But we need to make a tightening at first for the face to be voluminous.

Use the thread of yarn with braided line (or dental floss) about 25 cm and the long needle (pic. 29)

Put the needle through the point 1 (first eye), point 2, point 3 (second eye) and back 3-2-1 (pic. 30)

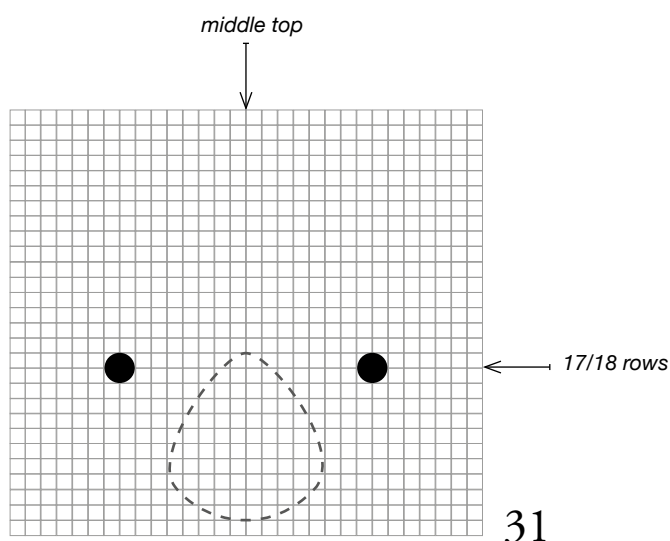

Tight the threads in point 1 (you've got two slots for eyes) and tie them. Hide the threads in the body.

In the slots sew on eyes (or you can embroider them if you want).

Sew the nose in place marked on picture 31
