THE BEST EDUCATION

The tools that will guide you on your way

At ITAM, you will develop skills that will make you stand out from the rest and allow you to become a highly sought out professional both by the public and private sectors. ITAM graduates are professionals of high prestige in our country.

ITAM's undergraduate programs are designed to provide you with a university education allowing you to develop your skills as a professional. Through our programs, you will be given an interdisciplinary view including courses in law, humanities, and economics.

The undergraduate program in Law is one of a kind in our country because it was designed to furnish you with the analytical, communication and argumentative skills that will allow you to better understand current and complex problems.

The majority of our faculty is full-time researchers. Their publications determine in many cases the public, business and industrial policies of our country.

Academic life at ITAM is the most enriching in Latin America. As a student, you will be able to attend seminars, conferences, and round tables where debates on our country's judicial problems and also those of the global society will be held.

ITAM's programs have ranked first in Mexico in the development of applied argumentative skills for more than a decade. These programs prepare future judicial leaders through study techniques, oral arguments, trial simulations, and contests with other universities from other countries.

Moreover, you will be able to develop your litigation and strategic skills in the Center for Access to Justice (CAJ), which will give you the best training combining practical experience in dealing with real-life topics and situations. It is the best practice-oriented study program in this field.

If you wish, you also have the option to pursue two undergraduate programs concurrently, thereby obtaining two professional degrees by only studying a few extra semesters. Furthermore, you also have the opportunity to take some courses abroad thanks to ITAM's Exchange Program, which has more than 80 agreements with the world's best universities.

EXCELLENCE

The professors that will guide you on your career path

ITAM's law faculty holds graduate degrees from the world's best universities. Our professors are professionals in law with vast amounts of experience as academics, judicial employees, litigators, notaries, and public officials. Therefore, besides teaching you the concepts by the most renowned authors in the field, they will also share their own ideas and opinions.

The size of our institution allows you to receive personal attention from our full-time faculty, who are fully available to help you in your studies. Likewise, the part-time faculty will share with you their experiences in the high levels of both the private and public sectors, thus you will have to opportunity to learn from their work experiences. Furthermore, you will take classes with visiting professors from the world's best universities.

ACHIEVEMENT

The fulfillment of your professional goals

ITAM has a job placement office assisting graduates and students in their last semesters to effectively venture into the job market in their fields. Approximately 60% of the students have a job before completing their degree and 33% find a job in the first six months after completing their degree.

ITAM's high quality education prepares its graduates to work both in the public and private sector. Currently, approximately 60% of ITAM's graduates hold high level management positions in their companies or institutions.

In particular, our law graduates have been successful in positions in important companies in our country and are partners and/or associates in the most important national law firms. They hold significant high level positions in the public sector, namely, the Presidency of the Republic, the Supreme Court of Justice, the Secretaries of State, the House of Representatives and the Senate, the Electoral Tribunal of Judicial Power of the Federation, the Attorney General's Office, and the National Human Rights Commission.

Furthermore, more than half of our alumni study graduate degrees at the world's best universities.

Being an ITAM graduate will also open doors in significant institutions of higher learning and international organizations, such as the World Trade Organization, the United Nations, the World Bank, among others.
