

EXT. MOVIE THEATER

An old (yet wise) person and a young (but curious) person are outside a movie theater where they have just seen the movie "Star Wars". Now they stand looking at the movie poster on the wall outside the theater.

THE YOUNGER PERSON

That was a great movie... but I don't understand one thing.

THE OLDER PERSON

Hum, what's that?

THE YOUNGER PERSON

I don't understand how anyone can be 'seduced by the dark side'

THE OLDER PERSON
(thinking for a while, before
answering, finally speaks)

What computer do you use at home?

THE YOUNGER PERSON
(immediately, eagerly)

A Macintosh!

THE OLDER PERSON
(thoughtfully)

But what computer does your father use at work?

THE YOUNG PERSON
(thinking for a while, smiling)

and after what seems to be an
epiphany, proclaims loudly)

Seduced by the Dark Side!

The older person smiles and nods knowingly at the young person. The young person is very happy knowing he has just learned a very important lesson. Now the two have formed a bond that will last a lifetime. They begin walking slowly home together.
