"PENALTY FOR SIMPLE POSSESSION

"SEC. 404. (a) It shall be unlawful for any person knowingly or intentionally to possess a controlled substance unless such substance was obtained directly, or pursuant to a valid prescription or order, from a practitioner, while acting in the course of his professional practice, or except as otherwise authorized by this title or title III. Any person who violates this subsection may be sentenced to a term of imprisonment of not more than 1 year, and shall be fined a minimum of \$1,000 but not more than \$5,000, or both, except that if he commits such offense after a prior conviction under this title or title III, or a prior conviction for any drug or narcotic offense chargeable under the law of any State, has become final, he shall be sentenced to a term of imprisonment for not less than 15 days but not more than 2 years, and shall be fined a minimum of \$2,500 but not more than \$10,000, except, further, that if he commits such offense after two or more prior convictions under this title or title III, or two or more prior convictions for any drug or narcotic offense chargeable under the law of any State, or a combination of two or more such offenses have become final, he shall be sentenced to a term of imprisonment for not less than 90 days but not more than 3 years, and shall be fined a minimum of \$5,000 but not more than \$25,000. States Code, except that this sentence shall not apply and a fine under this section need not be imposed if the court determines under the provision of title 18 that the defendant lacks the ability to pay.

"(b)(1) If any person who has not previously been convicted of violating subsection (a) of this section, any other provision of this subchapter or subchapter II of this chapter, or any other law of the United States relating to narcotic drugs, marihuana, or depressant or stimulant substances, is found guilty of a violation of subsection (a) of this section after trial or upon a plea of guilty, the court may, without entering a judgment of guilty and with the consent of such person, defer further proceedings and place him on probation upon such reasonable conditions as it may require and for such period, not to exceed one year, as the court may prescribe. Upon violation of a condition of the probation, the court may enter an adjudication of guilt and proceed as otherwise provided. The court may, in its discretion, dismiss the proceedings against such person and discharge him from probation before the expiration of the maximum period prescribed for such person's probation. If during the period of his probation such person does not violate any of the conditions of the probation, then upon expiration of such period the court shall discharge such person and dismiss the proceedings against him. Discharge and dismissal under this subsection shall be without court adjudication of guilt, but a nonpublic record thereof shall be retained by the Department of Justice solely for the purpose of use by the courts in determining whether or not, in subsequent proceedings, such person qualifies under this subsection. Such discharge or dismissal shall not be deemed a conviction for purposes of disqualifications or disabilities imposed by law upon conviction of a crime (including the penalties prescribed under this part for second or subsequent convictions) or for any other purpose. Discharge and dismissal under this section may occur only once with respect to any person.

"(2) Upon the discharge of such person and dismissal of the proceedings against him under paragraph (1) of this subsection, such person, if he was not over twenty-one years of age at the time of the offense, may apply to the court for an order to expunge from all official records (other than the nonpublic records to be retained by the Department of Justice under paragraph (1)) all recordation relating to his arrest, indictment or information, trial, finding of guilty, and dismissal and discharge pursuant to this section. If the court determines, after hearing, that such person was dismissed and the proceedings against him discharged and that he was not over twenty-one years of age at the time of the offense, it shall enter such order. The effect of such order shall be to restore such person, in the contemplation of the law, to the status he occupied before such arrest or indictment or information. No person as to whom such order has been entered shall be held thereafter under any provision of any law to be guilty of perjury or otherwise giving a false statement by reason of his failures to recite or acknowledge such arrest, or indictment or information, or trial in response to any inquiry made of him for any purpose.

"(c) As used in this section, the term 'drug or narcotic offense' means any offense which proscribes the possession, distribution, manufacture, cultivation, sale, transfer, or the attempt or conspiracy to possess, distribute, manufacture, cultivate, sell or transfer

any substance the possession of which is prohibited under this title.”

A decision by the Attorney General or the Secretary of the Treasury pursuant to paragraph (2) shall not be subject to review. The United States shall not be liable in any action arising out of the use of any property the custody of which was transferred pursuant to this section to any non-Federal agency. The Attorney General or the Secretary of the Treasury may order the discontinuance of any forfeiture proceedings under this section in favor of the institution of forfeiture proceedings by State or local authorities under an appropriate State or local statute. After the filing of a complaint for forfeiture under this section, the Attorney General may seek dismissal of the complaint in favor of forfeiture proceedings under State or local law. Whenever forfeiture proceedings are discontinued by the United States in favor of State or local proceedings, the United States may transfer custody and possession of the seized property to the appropriate State or local official immediately upon the initiation of the proper actions by such officials. Whenever forfeiture proceedings are discontinued by the United States in favor of State or local proceedings, notice shall be sent to all known interested parties advising them of the discontinuance or dismissal. “(g) The filing of an indictment or information alleging a violation of law which is also related to a forfeiture proceeding under this section shall, upon motion of the United States and for good cause shown, stay the forfeiture proceeding.

“(h) In addition to the venue provided for in section 1395 of title 28 or any other provision of law, in the case of property of a defendant charged with a violation that is the basis for forfeiture of the property under this section, a proceeding for forfeiture under this section may be brought in the judicial district in which the defendant owning such property is found or in the judicial district in which the criminal prosecution is brought.

“(i) In the case of property subject to forfeiture under subsection (a)(1)(B), the following additional provisions shall, to the extent provided by treaty, apply:

“(1) Notwithstanding any other provision of law, except section 3 of the Anti Drug Abuse Act of 1986, whenever property is civilly or criminally forfeited under the Controlled Substances Act, the Attorney General may, with the concurrence of the Secretary of State, equitably transfer any conveyance, currency, and any other type of personal property which the Attorney General may designate by regulation for equitable transfer, or any amounts realized by the United States from the sale of any real or personal property forfeited under the Controlled

Substances Act to an appropriate foreign country to reflect generally the contribution of any such foreign country participating directly or indirectly in any acts which led to the seizure or forfeiture of such property. Such property when forfeited pursuant to subsection (a)(1)(B) of this section may also be transferred to a foreign country pursuant to a treaty providing for the transfer of forfeited property to such foreign country. A decision by the Attorney General pursuant to this paragraph shall not be subject to review. The foreign country shall, in the event of a transfer of property or proceeds of sale of property under this subchapter, bear all expenses incurred by the United States in the seizure, maintenance, inventory, storage, forfeiture, and disposition of the property, and all transfer costs. The payment of all such expenses, and the transfer of assets pursuant to this paragraph, shall be upon such terms and conditions as the Attorney General may, in his discretion, set. Transfers may be made under this subsection during a fiscal year to a country that is subject to paragraph (1)(A) of section 481(h) of the Foreign Assistance Act of 1961 (relating to restrictions on United States assistance) only if there is a certification in effect with respect to that country for that fiscal year under paragraph (2) of that section.

21 USC 801 note.

“(2) The provisions of this section shall not be construed as limiting or superseding any other authority of the United States to provide assistance to a foreign country in obtaining property related to a crime committed in the foreign country, including property which is sought as evidence of a crime committed in the foreign country.

22 USC 2291.

“(3) A certified order or judgment of forfeiture by a court of competent jurisdiction of a foreign country concerning property which is the subject of forfeiture under this section and was determined by such court to be the type of property described in subsection (a)(1)(B) of this section, and any certified recordings or transcripts of testimony taken in a foreign judicial proceeding concerning such order or judgment of forfeiture, shall be admissible in evidence in a proceeding brought pursuant to this section. Such certified order or judgment of forfeiture, when admitted into evidence, shall constitute probable cause that the property forfeited by such order or judgment of forfeiture is subject to forfeiture under this section and creates a rebuttable presumption of the forfeitability of such property under this section.

“(4) A certified order or judgment of conviction by a court of competent jurisdiction of a foreign country concerning an unlawful drug activity which gives rise to forfeiture under this section and any certified recordings or transcripts of testimony taken in a foreign judicial proceeding concerning such order or judgment of conviction shall be admissible in evidence in a proceeding brought pursuant to this section. Such certified order or judgment of conviction, when admitted into evidence, creates a rebuttable presumption that the unlawful drug activity giving rise to forfeiture under this section has occurred.

“(5) The provisions of paragraphs (3) and (4) of this subsection shall not be construed as limiting the admissibility of any evidence otherwise admissible, nor shall they limit the ability of the United States to establish probable cause that property is subject to forfeiture by any evidence otherwise admissible.

“(j) For purposes of this section—

“(1) the term ‘Attorney General’ means the Attorney General or his delegate; and

“(2) the term ‘Secretary of the Treasury’ means the Secretary of the Treasury or his delegate.

(b) NEGOTIATIONS CONCERNING INTERDICTION PROCEDURES.—

(2) further, the United States Government has actively worked to support the Mexican Government in easing its international debt burden;

(3) both Presidents pledged their cooperation in drug eradication, enforcement and education; and

(4) this pledge of cooperation has not been realized fully because of the inadequate response of the Mexican Government in—

(A) fully investigating the 1985 murders of U.S. Drug Enforcement Administration agent Enrique Camarena Salazar and his pilot, Alfredo Zavala Avelar;

(B) fully investigating the 1986 detention and torture of U.S. Drug Enforcement Administration agent Victor Cortez, Junior;

“(2) After the first production of an infant formula subject to subsection (c), and before the introduction into interstate commerce of such formula, the manufacturer of such formula shall submit to the Secretary, in such form as may be prescribed by the Secretary, a written verification which summarizes test results and records demonstrating that such formula complies with the requirements of subsections (b)(1), (b)(2)(A), (b)(2)(B)(i), (b)(2)(B)(iii), (b)(3)(A), (b)(3)(C), and (i).

“(3) If the manufacturer of an infant formula for commercial or charitable distribution for human consumption determines that a change in the formulation of the formula or a change in the processing of the formula may affect whether the formula is adulterated under subsection (a), the manufacturer shall, before the first processing of such formula, make the submission to the Secretary required by paragraph (1).

“(e)(1) If the manufacturer of an infant formula has knowledge which reasonably supports the conclusion that an infant formula which has been processed by the manufacturer and which has left an establishment subject to the control of the manufacturer—

“(A) may not provide the nutrients required by subsection (i),

or

“(B) may be otherwise adulterated or misbranded,

the manufacturer shall promptly notify the Secretary of such knowledge. If the Secretary determines that the infant formula presents a risk to human health, the manufacturer shall immediately take all actions necessary to recall shipments of such infant formula from all wholesale and retail establishments, consistent with recall regulations and guidelines issued by the Secretary.

“(2) For purposes of paragraph (1), the term ‘knowledge’ as applied to a manufacturer means (A) the actual knowledge that the manufacturer had, or (B) the knowledge which a reasonable person would have had under like circumstances or which would have been obtained upon the exercise of due care.

“(f)(1) If a recall of infant formula is begun by a manufacturer, the recall shall be carried out in accordance with such requirements as the Secretary shall prescribe under paragraph (2) and—

“(A) the Secretary shall, not later than the 15th day after the beginning of such recall and at least once every 15 days thereafter until the recall is terminated, review the actions taken under the recall to determine whether the recall meets the requirements prescribed under paragraph (2), and

“(2) The Secretary shall by regulation prescribe the scope and extent of recalls of infant formulas necessary and appropriate for the degree of risks to human health presented by the formula subject to the recall.

“(3) The Secretary shall by regulation require each manufacturer of an infant formula who begins a recall of such formula because of

a risk to human health to request each retail establishment at which such formula is sold or available for sale to post at the point of purchase of such formula a notice of such recall at such establishment for such time that the Secretary determines necessary to inform the public of such recall."

SEC. 4015. STUDY ON ALKYL NITRITES.

The Secretary of Health and Human Services, through the Commissioner of Food and Drugs and the Director of the National Institute on Drug Abuse, shall, within 180 days of the date of the enactment of this Act, conduct a study on alkyl nitrites to determine—

(1) the extent and nature of the use of alkyl nitrites products by the public,

(2) the extent to which the use of such products conform to the advertised uses of the products, and

(3) the extent to which the sale of such products to the public presents a health risk and the nature of such risk.

The Secretary shall report to the Committee on Energy and Commerce of the House of Representatives and the Committee on Labor and Human Resources of the Senate on such study and shall include in the report recommendations concerning whether alkyl nitrites should be treated as a drug under the Federal Food, Drug, and Cosmetic Act. Reports. 21 USC 301.

SEC. 4016. SENSE OF THE SENATE WITH RESPECT TO POSSESSION OR DISTRIBUTION OF DRUGS UNDER STATE LAW.

It is the sense of the Senate that, if the possession or distribution of a drug is an offense under the Controlled Substances Act, the laws of the States should not be amended or revised to provide that the possession or distribution, respectively, of such drug is not a criminal offense. 21 USC 801 note.

SEC. 4017. STUDIES ON HEALTH WARNING LABELS FOR ALCOHOLIC BEVERAGES.

(a) The Senate finds that—

(1) the most abused drug in America is alcohol;

(2) alcohol abuse costs the American economy nearly \$120,000,000,000 per year, including increased medical expenses and decreased productivity;

(3) in 1984, 53 percent of the traffic fatalities in the United States, accounting for more than 23,500 deaths, were related to the consumption of alcohol;

(4) over 12,000,000 American adults have one or more symptoms of alcoholism, and this represents an 8.2 percent increase in problem drinking since 1980;

(5) in 1984, almost 3,300,000 individuals between the ages of 14 and 17 experienced serious problems at home, in school, or with the law because of alcohol consumption;

(6) fetal alcohol syndrome is the third leading cause of birth defects, and is the only preventable cause of birth defects among the top three causes;

(7) nearly 5,000 babies per year are born with birth defects related to fetal alcohol syndrome;

(8) the statistics cited in the preceding paragraphs of this subsection indicate that many Americans are not aware of the adverse effects that the abuse of alcoholic beverages may have on health;

(9) it is necessary to undertake a serious national effort to educate the American people of the serious consequences of alcohol abuse; and

(10) carefully drafted warning labels on the containers of alcoholic beverages concerning serious health consequences resulting from the abuse of alcohol may assist in providing such education.

(b) Therefore, it is the sense of the Senate that—

(1) the Public Health Service should focus attention on the problem of educating the American people on the serious health consequences of alcohol abuse;

(2) the Public Health Service should review available knowledge and conduct studies to assess the most effective means of providing such education, including an assessment of the potential educational impact of health warning labels on the containers of alcoholic beverages; and

(3) the Public Health Service should transmit a report to the Congress within 6 months after the date of enactment of this Act concerning any activities described in paragraph (2) which have been undertaken, and should include in such report any findings respecting the impact and potential benefits of displaying health warnings on the containers of alcoholic beverages and recommendations for specific language for such labels.

SEC. 4018. EFFORTS OF THE ENTERTAINMENT AND WRITTEN MEDIA INDUSTRY.

It is the sense of Congress that—

(1) whereas illegal drug and alcohol consumption and the trafficking in those illegal drugs and alcohol is a major problem in the United States,

(2) whereas the problem of alcohol abuse is particularly prevalent among and harmful to the Nation's young people, and

(3) whereas the values and mores portrayed in various forms of commercially produced entertainment have a profound effect on the attitudes of young people in this country,

the entertainment and written media industry should refrain from producing material meant for general entertainment which in any way glamorizes or encourages the use of illegal drugs and alcohol and the entertainment and written media industry should develop films, television programs, records, videos, and advertising which discourage the use of illegal drugs and alcohol.

SEC. 4019. SENSE OF THE CONGRESS URGING THE CATEGORIZATION OF FILMS WHICH PROMOTE ALCOHOL ABUSE AND DRUG USE.

(a) The Congress finds that—

(1) the abuse of alcohol and the use of drugs has become a societal problem of epidemic proportions,

(2) it is in the interest of all citizens to contribute to the reduction of alcohol abuse and drug use, particularly among youth,

(3) the entertainment industry, particularly the motion picture industry's production of youth-oriented films, often depicts alcohol abuse and drug use in a benign, even glamorous way,

(4) the motion picture industry has a profound impact on societal norms and is a powerful medium which exerts great influence on the values of youth, and

(5) the motion picture industry has recognized the need to inform parents about the contents of movies regarding violence, sex, language, and nudity and therefore currently employs a voluntary rating system.

(b) It is the sense of the Congress that the Motion Picture Association of America should incorporate a new rating in its voluntary movie rating system to clearly identify films which depict alcohol abuse and drug use.

Subtitle B—Drug-Free Schools and Communities Act of 1986

SEC. 4101. SHORT TITLE.

This subtitle may be cited as the "Drug-Free Schools and Communities Act of 1986".

20 USC 4601.

SEC. 4102. FINDINGS.

The Congress finds that:

(1) Drug abuse education and prevention programs are essential components of a comprehensive strategy to reduce the demand for and use of drugs throughout the Nation.

(2) Drug use and alcohol abuse are widespread among the Nation's students, not only in secondary schools, but increasingly in elementary schools as well.

(3) The use of drugs and the abuse of alcohol by students constitute a grave threat to their physical and mental well-being and significantly impede the learning process.

(4) The tragic consequences of drug use and alcohol abuse by students are felt not only by students and their families, but also by their communities and the Nation, which can ill afford to lose their skills, talents, and vitality.

(5) Schools and local organizations in communities throughout the Nation have special responsibilities to work together to combat the scourge of drug use and alcohol abuse.

(6) Prompt action by our Nation's schools, families, and communities can bring significantly closer the goal of a drug-free generation and a drug-free society.

20 USC 4602.

Indian Alcohol
and Substance
Abuse
Prevention and
Treatment Act of
1986.
25 USC 2401
note.

Subtitle C—Indians and Alaska Natives

SEC. 4201. SHORT TITLE.

This subtitle may be cited as the "Indian Alcohol and Substance Abuse Prevention and Treatment Act of 1986".

PART I—GENERAL PROVISIONS

25 USC prec.
2401.

SEC. 4202. FINDINGS.

The Congress finds and declares that—

(1) the Federal Government has a historical relationship and unique legal and moral responsibility to Indian tribes and their members,

(2) included in this responsibility is the treaty, statutory, and historical obligation to assist the Indian tribes in meeting the health and social needs of their members,

(3) alcoholism and alcohol and substance abuse is the most severe health and social problem facing Indian tribes and people today and nothing is more costly to Indian people than the consequences of alcohol and substance abuse measured in physical, mental, social, and economic terms,

(4) alcohol and substance abuse is the leading generic risk factor among Indians, and Indians die from alcoholism at over 4 times the age-adjusted rates for the United States population and alcohol and substance misuse results in a rate of years of potential life lost nearly 5 times that of the United States,

(5) 4 of the top 10 causes of death among Indians are alcohol and drug related injuries (18 percent of all deaths), chronic liver disease and cirrhosis (5 percent), suicide (3 percent), and homicide (3 percent),

(6) primarily because deaths from unintentional injuries and violence occur disproportionately among young people, the age-specific death rate for Indians is approximately double the United States rate for the 15 to 45 age group,

(7) Indians between the ages of 15 and 24 years of age are more than 2 times as likely to commit suicide as the general population and approximately 80 percent of those suicides are alcohol-related,

(8) Indians between the ages of 15 and 24 years of age are twice as likely as the general population to die in automobile accidents, 75 percent of which are alcohol-related,

(9) the Indian Health Service, which is charged with treatment and rehabilitation efforts, has directed only 1 percent of its budget for alcohol and substance abuse problems,

(10) the Bureau of Indian Affairs, which has responsibility for programs in education, social services, law enforcement, and other areas, has assumed little responsibility for coordinating its various efforts to focus on the epidemic of alcohol and substance abuse among Indian people,

(11) this lack of emphasis and priority continues despite the fact that Bureau of Indian Affairs and Indian Health Service officials publicly acknowledge that alcohol and substance abuse among Indians is the most serious health and social problem facing the Indian people, and

(12) the Indian tribes have the primary responsibility for protecting and ensuring the well-being of their members and

the resources made available under this subtitle will assist Indian tribes in meeting that responsibility.

SEC. 4203. PURPOSE.

25 USC 2402.

It is the purpose of this subtitle to—

(1) authorize and develop a comprehensive, coordinated attack upon the illegal narcotics traffic in Indian country and the deleterious impact of alcohol and substance abuse upon Indian tribes and their members,

(2) provide needed direction and guidance to those Federal agencies responsible for Indian programs to identify and focus existing programs and resources, including those made available by this subtitle, upon this problem,

(3) provide authority and opportunities for Indian tribes to develop and implement a coordinated program for the prevention and treatment of alcohol and substance abuse at the local level, and

(4) to modify or supplement existing programs and authorities in the areas of education, family and social services, law enforcement and judicial services, and health services to further the purposes of this subtitle.

(4) The term "prevention and treatment" includes, as appropriate—

(A) efforts to identify, and the identification of, Indians who are at risk with respect to, or who are abusers of, alcohol or controlled substances,

(B) intervention into cases of on-going alcohol and substance abuse to halt a further progression of such abuse,

(C) prevention through education and the provision of alternative activities,

(D) treatment for alcohol and substance abusers to help abstain from, and alleviate the effects of, abuse,

(F) follow-up or after-care to provide the appropriate counseling and assistance on an outpatient basis, and

(G) referral to other sources of assistance or resources.

(5) The term "service unit" means an administrative entity within the Indian Health Service or a tribe or tribal organization operating health care programs or facilities with funds from the Indian Health Service under the Indian Self-Determination Act through which the services are provided, directly or by contract, to the eligible Indian population within a defined geographic area.
