road block signal sys-  
tems, etc., directed.  
Employment of ex-  
perts.

Reports.

Powers of Commis-  
sion.

[No. 46.] Joint Resolution Directing the Interstate Commerce Commission to investigate and report on block signal systems, and appliances for the automatic control of railway trains.

*Resolved by the Senate and House of Representatives of the United States of America in Congress assembled, That the Interstate Commerce Commission be, and it is hereby, directed to investigate and report on the use of and necessity for block signal systems and appliances for the automatic control of railway trains in the United States. For this purpose the Commission is authorized to employ persons who are familiar with the subject, and may use such of its own employees as are necessary to make a thorough examination into the matter.*

In transmitting its report to the Congress the Commission shall recommend such legislation as to the Commission seems advisable.

To carry out and give effect to the provisions of this resolution the Commission shall have power to issue subpoenas, administer oaths, examine witnesses, require the production of books and papers, and receive depositions taken before any proper officer in any State or Territory of the United States.

Approved, June 30, 1906.
