

***HEALTH ACCESS CALIFORNIA** is the statewide health care consumer advocacy coalition, advocating for quality, affordable health care for all Californians.*

# LEGISLATIVE SCORECARD

February 2016

## INTRODUCTION

For over a quarter century, Health Access California, the statewide health care consumer advocacy coalition, has been the leading voice at the State Capitol for patients and the public on critical health policy issues. Providing a counterpoint to health industry lobbyists (at different times the doctors, hospitals, health insurers and drug companies), Health Access California brings our policy expertise, grassroots power, and coalition strength to win reforms to improve the health system on which we all rely. In past years, Health Access California has sponsored legislation to expand access to coverage and care, protect patients, control health costs and reform the health system--from the HMO Patient Bill of Rights to the Hospital Fair Pricing Act to the dozens of bills implementing and improving the Affordable Care Act in California.

Health Access California's Legislative Scorecard reports how California Assemblymembers and Senators voted during the 2015 legislative session on critical health policy legislation that impacts consumers, communities, patients and the public interest. While not a comprehensive review of every bill considered or a total picture of a legislator's record on health policy, each vote makes a difference not just in terms of the passage of legislation, but in real impacts on the health and economic security of all Californians.

One such vote during the 2015 legislative session on AB 533 (Bonta) would have prevented patients from facing surprise medical bills. The bill was only three Assembly votes short on the last night of session from passing and making it to the Governor's desk. AB 533 is still pending in the legislature. This scorecard highlights the importance of every vote, to Californians who continue to receive surprise bills as well as to legislators who wish to improve their record on consumer legislation.

During the 2015 legislative session, Health Access California sponsored five key pieces of legislation to prevent unfair out-of-pocket costs and co-led efforts to expand coverage to Californians regardless of immigration status. This scorecard includes these five bills, key tobacco control bills as well as two measures to provide better oversight of health insurers. These bills reflect the most high-profile debates in the state legislature with the most direct impact to health care consumers.

### Health Access California-Sponsored Legislation on Unfair Out-of-Pocket Costs

- [SB 137](#) (Hernandez) to ensure updated, standardized, and accurate provider directories. Status: SIGNED
- [AB 339](#) (Gordon) to require insurers cover medically necessary prescription drugs and limit cost-sharing on specialty drugs and other needed medications. Status: SIGNED
- [AB 1305](#) (Bonta) to ensure that individual patients do not face higher out-of-pocket costs or "double deductibles" for being in a family plan. Status: SIGNED
- [AB 248](#) (Hernandez) to extend consumer protections to ensure large employers do not offer "junk insurance" that doesn't not cover basic benefits. Status: SIGNED
- [AB 533](#) (Bonta) to prevent surprise medical bills when a patient goes to an in-network hospital of facility but is seen by an out-of-network doctor while there. Status: RECONSIDERATION: CONCURRENCE VOTE

# LEGISLATIVE SCORECARD

February 2016

## Other Priority Legislation in the Scorecard

- [SB 4](#) (Lara) to expand coverage to Californians regardless of immigration status (In the Senate, a broad expansion of Medi-Cal and seeking a federal waiver to allow all Californians to buy in Covered California. In the final Assembly vote, an effort to streamline enrollment for the expansion of coverage to undocumented children was adopted in the state budget.) Status: SIGNED
- [SB 546](#) (Leno) to require transparency on health insurance rates for large purchasers. Status: SIGNED.
- [SB 260](#) (Monning) to extend existing managed care regulatory oversight and consumer protection over Medi-Cal managed care plans of County Organized Health Systems. Status: FAILED
- [AB x2 6](#) (Cooper)/[SB x2 5](#) (Leno) to regulate e-cigarettes as tobacco. Status: PENDING IN SPECIAL SESSION
- [AB x2 8](#) (Wood)/[SB x2 7](#) (Hernandez) to raise the tobacco minimum age to 21. Status: PENDING IN SPECIAL SESSION

Health Access California offers this scorecard, alongside scorecards offered by many of our coalition allies of senior, labor, women's, immigrant, consumer and community organizations. This scorecard is not intended to be the sole metric for evaluating California legislators on health care. Some legislators would have fared better or worse in past years with a different mix of issues before them. Some legislators have shown additional leadership in sponsoring or helping move consumer-friendly legislation through the legislative process. Some legislation, like a bill on transparency on prescription drug costs, never faced a vote so this scorecard is unable to show the behind-the-scenes opposition by some legislators. Other issues were never introduced as legislation because of behind-the-scenes work done by Health Access and our allies. In 2015, Health Access was successful at stopping legislation we oppose early in the process, so we do not include these actions. Even with those caveats, this scorecard is useful as a snapshot of whether legislators sided with health care consumers and in support of policies to improve the health system on which we all rely.

The California Legislature has taken important votes to implement and improve upon health reform, to expand access to critical health care services, to advance patient protections and to prevent unfair out-of-pocket costs. Health Access wishes to thank those legislators who support these efforts, urges reconsideration for those bills that did not advance last year (particularly AB 533), and ask that legislators consider the new bills introduced this year, which will be featured in our 2016 legislative scorecard.
