20.5 Consequence of Reversal of Transaction. If such reversal, alteration or cancellation of any entry in the Selling Member's Trade Account results in a failure of the consideration in whole or in part for the Trade then the Selling Member will have, as against the Buying Member the usual rights exercisable by the Selling Member but shall have no rights against the Manager or the Exchange Company. The Buying Member and the Selling Member hereby indemnify the Manager and the Exchange Company in respect of any exercise or purported exercise of its powers under this Rule.

Breaches of these Rules may result in termination of a Member's account and/or immediate adjustment to the Trades between Members involved.

The provisions of this Rule apply in addition to and not in derogation from the provisions of the Rules applicable in the event that a Member ceases to be a Member of the Trading Program including Rule 21.5.

21.5 Consequences of Termination. Upon the termination of a Member's right to participate in the Trading Program:

(ii) if the Member fails to pay the cash Transaction/Service Fees the Manager, on behalf of the Exchange Company, may debit the Member's Trade Account with an amount of Trade Pounds equivalent to three (3) times the cash Transaction/Service Fees so payable;

21.7 Enforcement Expenses. If a Member is in default or in breach under these Rules, the reasonable amount of any enforcement expenses reasonably incurred or expended by the Manager or the Exchange Company in exercising any right under these Rules or arising from the default or breach are immediately payable by the Member with effect from the date on which the enforcement expenses are incurred or expended by the Manager or the Exchange Company.

21.8 Monies Due for Payment. Termination for whatever reason shall not affect the right of the Manager under these Rules to enforce any provision relating to the payment of any fees, charges and any other monies due.

21.9 Notification. Upon termination of a membership by the Manager, the Manager may in its sole discretion communicate the termination of the membership to the Members of the Exchange by whatever means it deems appropriate.

22.3 Approval. The grant of a Credit Line shall be subject to the approval of the Manager, which may withhold or grant its approval conditionally or unconditionally.

22.4 Credit Reference Check. The Manager grants to the Manager the right and power to make a search with a credit reference agency, which will keep a record of that search and will share that information with other businesses. The Manager may also make enquiries about you and your business partners with a credit reference agency.

22.5 Credit Reference Records. The Manager will monitor and record information relating to your Trade Account performance and such records will be made available to credit reference agencies, who will share that information with other businesses in assessing applications for credit and fraud prevention.

22.6 Condensed Guide. A condensed guide to the use of your personal and business information is available in Appendix 1.

22.7 Transfer of Trade Balance. be actual, contingent, primary, collateral, several or joint, and to transfer a debit balance from a Member's Trade Account or associated Trade Account to any other Trade Account of the Member or associated Trade Account of the Member which is in debit. That increased debit balance shall be recoverable from the Member in accordance with these Rules.

22.8 Trade Balance beyond Credit Limit. Where:

(a) in the case of a Member to whom the Manager has not granted a line of credit, that Member's Trade Account is in debit, by any amount; there will be payable to the Exchange Company by that Member:

The Debt Reserve Fund is for the exclusive protection of the "Bartercard Trade Exchange" which is made up of all Members. The fund is not accessible to an individual Member who remains unpaid or is in dispute with another member. When a membership is terminated for whatever reason, and a trade debit balance remains, The Manager will pursue recovery of the outstanding balance for and on behalf of the Exchange. When all recovery methods have been exhausted, the remaining balance is offset against the Debt Reserve Fund.

the Buying Member or the Selling Member.

28.9 Not bound by representations of others. The directors, officers, employees, agents, independent contractors, subcontractors and Franchisees of the Manager shall have no right to make any representation or commitment on behalf of the Exchange Company and the Manager without written authorisation of the board of directors of each respective company or entity.

29. WAIVER

29.1 No Waiver. Any failure or delay by the Exchange Company or the Manager in exercising any right shall not operate as a waiver thereof, and any single or partial exercise of a right shall not preclude any other further exercise of any right.

29.2 Cumulative Remedies. The Manager's and the Exchange Company's rights and remedies are cumulative and are not exclusive of any remedies provided by law. Where a Member is a company, the company and individuals signing for the Member on the Membership Agreement and the Member hereby assume joint and several responsibilities for all purchases and fees outlined in the Membership Agreement and the Rules.

30. INSOLVENCY OF MEMBER

30.1 Grant of Charge. Each Member grants to the Exchange Company security over all Trade Pounds credited to that Members Account for the amount of all unpaid Transaction, Service Fees, and other fees and charges owed to the Exchange Company from time to time.

30.2 Where Insolvent Administration. If a Member commits an act of bankruptcy, has a receiver, liquidator, provisional liquidator, administrator or controller appointed to it or any of its assets, makes any arrangement or composition with its creditors or becomes insolvent or bankrupt, then all cash Transaction/Service Fees, Directory Fees and other fees and charges shall immediately become due and payable in full. The Exchange Company has the option in lieu of continuing as a creditor, of treating the Trade Pound balance in the Trade Account as equal in value to the amount of cash Transaction, Service Fees and Marketing and Support Fees, Directory Fees and other fees and charges owing, and terminating the Trade Account.

31. DISSOLUTION OF TRADING PROGRAM

31.1 Events Triggering Dissolution. Events Triggering Dissolution. The Trading Program shall be dissolved in accordance with this Rule if an order is made that the Exchange Company be wound up (other than for the purpose of reconstruction or amalgamation).

31.2 Procedure on Dissolution. Upon the occurrence of an event referred to in Rule 31.1 the following procedure shall apply:

- (a) (Inform Members) The Manager shall inform each Member that such event has occurred and draw their attention to the requirements of these Rules;
- (b) (Balancing Period) Each Member and the Manager if permitted shall be entitled to continue to Trade for a period of up to a maximum of ninety (90) days (the "Balancing Period") for the purpose of bringing its Trade Account, as near as possible, to a zero balance, but no Member shall be obliged to Trade during this period;
- (c) (Members in credit - fees payable) Each Member having a Trade Account with a credit balance at the expiry of the Balancing Period shall immediately pay to the Exchange Company:
 - (i) an amount in cash, being the cash equivalent of the Trade Pound Transaction/Service Fees that would have become payable in the ordinary course of the Trading Program if that Member had entered into a Trade as a Buying Member in an amount sufficient to spend the amount of Trade Pounds standing to its credit at the expiry of the Balancing Period; plus
 - (ii) the cash Transaction/Service Fees that would have become payable in that event;
 - (d) (Members in debit) Each Member having a Trade Account with a debit balance at the expiry of the Balancing Period must immediately pay to the Exchange Company:
 - (i) an amount in cash, being the cash equivalent of the Trade Pound Transaction/Service Fees that would have become payable in the ordinary course of the Trading Program if that Member had entered into a Trade as a Selling Member in an amount sufficient to bring the amount of Trade Pounds standing to its Trade Account at the expiry of the Balancing Period to a nil balance; plus
 - (ii) the cash Transaction/Service Fees that would have become payable in that event; plus
 - (iii) the cash equivalent of the debit balance of the Member's Trade Account;
 - (e) (Set off against Manager's Extraordinary Member balance)
 - (i) During and at the expiry of the Balancing Period, any Trade Pound fees payable to the Manager by the Exchange Company under these Rules or otherwise, shall be either set off against any deficit balance in the Manager's Trade Account or added to any credit balance of the Manager's Trade Account;
 - (ii) Following the set off in Rule 31.2(e)(i), if the Manager's Trade Account still reflects a deficit balance, the Manager must convert any Member's cash indebtedness arising during the Balancing Period (in respect of Transaction/Service Fees) which are able to be charged to any Member during the Balancing Period, into a Trade Pound fee of three times the Trade Pound equivalent of the cash amount of such fees then outstanding, and debit the Member's Trade Account with the Trade Pound amount and credit the Manager's Trade Account with that amount. However, such cash fees will only be converted into Trade Pound fees to the extent that it is necessary to do so to ensure that the Manager's Trade Account is, at the expiry of Balancing Period, no longer in deficit and

any cash fees that are not required to be converted under this Rule may still be recovered by the Manager in cash in accordance with Rule 31.2(i). If a Member's Trade Account is debited Trade Pounds as a result of the conversion of cash fees payable into Trade Pound fees in accordance with this Rule, the Member is immediately released from any further liability with respect to those Trade Pound fees charged to its Trade Account;

(iii) In the event that the Manager's Trade Account is and remains in deficit and there are insufficient cash or Trade Pound fees generated at the expiry of the Balancing Period to set off the entire amount of any deficit balance in the Manager's Trade Account, the Manager's liability with respect to the deficit in its Trade Account is extinguished in consideration of the Manager's agreement to direct the cash fees payable in accordance with Rules 31.2(c) and (d) of these Rules into the Dissolution Fund;

(iv) If the Manager's Trade Account is in credit at the expiry of the steps required to be taken under Rules 31.2(a)-(e) (inclusive), then the Manager's credit balance will remain a credit balance of the Manager and the Manager will be eligible for any distribution made under Rule 31.2(k).

(f) (Strike accounts) The Manager shall strike delinquent accounts off the Trading Program;

(g) (Notify Members of fees payable) The Manager or any person appointed to do so by the Manager shall notify each Member of the amount of its debit balance and demand payment of the amount required to be paid under Rules 31.2(c) and 31.2(d);

(h) (Dissolution Fund) If the Manager receives any cash monies under Rules 31.2(c) or 31.2(d), it shall hold those cash monies in a separate bank account ("The Trading Program Dissolution Fund") on trust subject to this Rule 31, for the Members whose Trade Accounts are in credit and for the Extraordinary Member if its Trade Account is in credit;

(i) (Manager to recover fees) After the giving of notice under Rule 31.2(g), the Manager shall use its best endeavours to recover on behalf of the Exchange Company all amounts owing under Rules 31.2(c) and 31.2(d) and it shall be no defence for any Member from whom payment is sought to be recovered, to contend that, by reason of any conduct of the Exchange Company, the Manager or any other person, it was difficult or impossible to bring the Member's Trade Account to a zero balance during the Balancing Period or at any previous time. In the event that such cash fees remain due and owing for 60 days, the Manager may elect to rely upon Rule 17.4 in respect of those cash fees;

(j) (Legal action by Manager) The Manager shall have no obligation to take or continue any legal action on behalf of the Exchange Company in respect of any amount owing by any Member where:

(i) the Manager perceives legal or practical difficulty in recovering the amount owing;

(ii) it appears to the Manager that the amount that would or may be recovered will or might be exceeded by the cost of recovery;

(iii) the Manager, in its discretion considers that there is sufficient reason to not take action.

(k) (Distribution of Dissolution Fund) The Manager will distribute the Trading Program Dissolution Fund, after deduction of its proper costs and outlays, to the Members whose Trade Accounts were in credit and who are in Good Standing after the expiry of the steps required to be taken under Rules 31.2(a)-(e) (inclusive) and to the Extraordinary Member if its Trade Account is in credit at either time mentioned in Rule 31.2(e)(iv), on a pro rata basis in accordance with the amounts by which those accounts were in credit after the finalisation of the steps required to be taken under Rule 31.2(e);

(l) (Receiver's powers) Any power or discretion exercisable by the Manager under this Rule may be exercised by any receiver or receiver and manager appointed to the Manager or the Exchange Company.

32. SEVERANCE.

If any part or provision of these Rules should be judged or found to be void or unenforceable, it shall not affect the validity and enforceability of all other parts and provisions of these Rules and shall be severable from every other part and provision of these Rules, to the extent that these Rules shall continue in force and effect to the fullest extent possible after severance of the part or provision which is void or unenforceable.

33. JURISDICTION

33.2 Submit. In the event of any dispute or any action for enforcement of rights or obligations arising out of or in connection with these Rules, the Members shall submit to the jurisdiction of the courts of competent jurisdiction of England.

(a) the Manager shall notify the Members of any amendment of the Rules as soon as is reasonably practicable after the amendment has been promulgated;

(b) a Member may give notice of its intention to withdraw permanently from the Trading Program within seven (7) days after receiving such notification;

(c) a Member who has not given written notice to the Manager of its intention to withdraw permanently from the Trading Program within seven (7) days after receipt of such notification or who participates in any Trade in accordance with the Trading Program following the amendment shall be deemed to have accepted the amendments and waived any objection to the amendment of the Rules. The amendment shall have effect and the Rules as amended shall constitute a contract:

(i) between the Manager and all the Members jointly;

(ii) between the Manager and each Member severally; and

(iii) between the Manager and each other Member.

APPENDIX 1

A condensed guide to the use of your personal and business information by ourselves and at Credit Reference and Fraud Prevention Agencies

- 1) When you apply to us to open an account, this organisation will check the following records about you and your business partners
 - a) Our own;
 - b) Personal and business records at credit reference agencies (CRAs). When CRAs receive a search from us they will place a search footprint on your business credit file that may be seen by other lenders. They supply to us both public (including the electoral register) and shared credit and fraud prevention information.
 - c) those at fraud prevention agencies (FPAs). We will make checks such as; assessing this application for membership and/or trade pound credit line facility and for verifying identities to prevent and detect crime and money laundering. We may also make periodic searches at CRAs and FPAs to manage your account with us.
 - d) If you are a director, we will seek confirmation, from credit reference agencies, that the residential address that you provide is the same as that shown on the restricted register of directors' usual addresses at Companies House.
- 2) Information on applications will be sent to CRAs and will be recorded by them. Including information on your business and its proprietors and CRAs may create a record of the name and address of your business and its proprietors if there is not one already. Where you borrow from us, we will give details of your accounts and how you manage it/them to CRAs.
- 3) If you borrow and do not repay in full and on time, CRAs will record the outstanding debt. This information may be supplied to other organisations by CRAs and FPAs to perform similar checks and to trace your whereabouts and recover debts that you owe. Records remain on file for 6 years after they are closed, whether settled by you or defaulted.
- 4) If you give us false or inaccurate information and we suspect or identify fraud, we will record this and may also pass this information to FPAs and other organisations involved in crime and fraud prevention.
- 5) If you have borrowed from us and do not make payments that you owe us,

we will trace your whereabouts and recover debts.

6) We and other organisations may access and use from other countries the information recorded by fraud prevention agencies.

7) Your data may also be used for other purposes for which you give your specific permission or, in very limited circumstances, when required by law or where permitted under the terms of the Data Protection Act 1998.

How to find out more

This is a condensed version and if you would like to read the full details of how your data may be used please phone 0845 219 7000 or ask one of our staff.
