Canadian National is a major "shareholder" in Canada's progress... the *only* railway serving all 10 provinces. Canadian National's 25,000 miles of track serve the nation's settled sections, push steadily forward to open up the rich north. Every year, CN trains carry 80 million tons of products from Canada's farms, forests, mines and factories —along with millions of passengers. Hotels, express, communications... steamships and "piggyback" freight... scientific plant location service for industry... everywhere you look, from Atlantic to Pacific, Canadian National is a busy contributor to Canada's growth and progress.

Communications

Electronic Aid to Family Entertainment!

Every time you tune in your favorite television or radio program, the communications industry is instantly at your service—in your own living room! Many of these programs reach you via Canadian National Telegraphs' communications network, in co-operation with radio and television stations. CNT has erected television microwave systems in Newfoundland and shares in the provision of service in Quebec and southern Ontario — 1,600 miles in all. Skilled engineers and technicians service these radio and television facilities. They also relay French and English-language radio programs to millions of Canadians along 18,000 miles of circuits. Business men depend on our Telex, Private Wire Teletype and Telegraph services for rapid communication. Every day, and in every way, CNT improves Canadians' standard of living — and enjoyment of living!

GENERAL INFORMATION

TIMETABLES SUBJECT TO CHANGE

Times and other information shown herein are subject to change without notice. Circumstances permitting, trains, steamers and buses will operate at the times shown. In the event of their failure to do so, however, the Canadian National Railways cannot accept responsibility for delay, detention or any other condition caused thereby. Where services or times of other transportation companies are shown, it is for the convenience of the public and the Canadian National Railways does not vouch for their correctness or accept responsibility for any failure to connect with such services or vice versa, or for any delay, detention or any happening whatsoever which may occur to the service of other transportation companies.

TIME

From 12.01 a.m. (after midnight) until 12.00 noon, times are shown in light face type. From **12.01** p.m. (after noon) until **12.00 midnight,** times are shown in heavy face type. All schedules in this timetable are shown in standard time.

EQUIPMENT

Regularly assigned sleeping, dining and parlor cars and coaches are air-conditioned with the exception of those in Newfoundland and on certain secondary lines in other provinces. When necessary, non air-conditioned cars will be included in trains to which air-conditioned cars are regularly assigned.

TICKETS

Tickets are sold only to stations where trains are scheduled to stop.

Passengers should purchase tickets at Ticket Offices as conductors may only issue round trip tickets over their run to passengers who board trains at non-agency stations or at stations where Ticket Office is not open at train time.

Conductors are not permitted to adjust fares. In the event of disagreement as to tickets, privileges allowed, etc., passengers should pay fare requested by the conductor and send his receipt to the Passenger Traffic Department for whatever adjustment may be due.

Tickets are not transferable and can be used only for the transportation of the original purchaser. The Canadian National Railways does not assume responsibility for lost tickets.

Children 12 years of age or over are required to pay full fare; children 5 years of age and under 12 pay half-fare. Children under 5 years of age travel free when accompanied by parent or guardian.

In accordance with tariff regulations, Canadian National Railways will promptly refund the value of unused or partly used tickets to original purchaser. Agents are authorized in certain instances to make immediate refunds of the value of unused tickets or of the value of the unused return coupons of round trip tickets. When a refund may not be made immediately, Agents will accept the passenger's application. Whatever adjustment may be due, after deduction of the tariff charge for the service actually performed from the amount paid, will be promptly mailed to the passenger by the regional General Passenger Agent.

The Canadian National, with its wide-spread System, offers a choice of routes which provide variety in travel. In many instances it is possible to plan a trip covering a diversity of communities and interesting scenic and historic territories. Particulars of these optional routes may be obtained from Agents.

BAGGAGE

Passengers may take into coaches, parlor and sleeping cars only a reasonable quantity of hand-baggage and are advised to check all baggage not required enroute.

The Canadian National Railways provides a convenient baggage checking service upon which personal baggage, (150 pounds and not valued at more than $100.00 on an adult rail ticket and 75 pounds and not valued at more than $50.00 on a child's half-fare ticket), will be checked to agency stations where trains are scheduled to stop. Excess charges will be collected on baggage exceeding these weights per ticket. No single piece exceeding 250 pounds will be checked as baggage.

Baggage consists of wearing apparel, toilet articles and similar effects, except liquids, necessary for the comfort and convenience of the passenger on the journey. It is required to be enclosed in appropriate receptacles such as trunks, valises and so forth.

Combustible or inflammable materials in baggage is prohibited by law and must not be included therein.

Although no guarantee will be given, every effort will be made to forward baggage on the same train or steamer as the passenger; when this is not possible, it will be sent on the first convenient train or steamer.

Customs examination must be personally attended to by passengers. Hand-baggage must be inspected at the border.

Baggage checked from the United States to Canada should be examined by Canadian Customs officers at the border where it is possible or convenient to do so. Canada Customs Inspectors are located at all principal cities and towns indicated by appropriate symbol in the station index section.

Baggage checked from Canada to the United States must be examined by United States Customs Inspectors at the border, or at:

Prince Rupert, B.C.	Daily except Sundays and United States' holidays.
Montreal, Que.	Daily.
Toronto, Ont.	Daily except Sundays and U.S. holidays.

Hours of duty of United States Customs Inspectors located in Canada may be obtained from Agents.

Agents will gladly furnish further information with regard to the checking of baggage and should be consulted concerning the transportation of dogs or other pets.

INFIRM PASSENGERS

Wheel chair facilities are available at many stations for the use of passengers requiring same. Movements of stretcher cases may be arranged. Passengers are requested to consult Agents as much in advance as possible.

RENSEIGNEMENTS GÉNÉRAUX

LES HORAIRES SONT SUJETS À CHANGER

Les heures et autres renseignements donnés ici sont sujets à changements sans préavis. Les circonstances le permettant, les trains, navires et autobus suivront les horaires indiqués; toutefois, dans le cas d'empêchement, le Canadien National décline toute responsabilité pour les retards, ou leurs effets. Les services et horaires d'autres compagnies de transport mentionnés ici le sont pour la commodité du public; le Canadien National ne garantit pas leur exactitude et n'accepte aucune responsabilité dans le cas de correspondance manquée, non plus que pour les retards et autres contingences pouvant se produire dans les services d'autres compagnies de transport.

HORAIRE

À partir de minuit et une minute jusqu' à midi, les heures figurent en caractères légers et de midi et une minute jusqu'à minuit, en caractères gras. Tous les horaires sont arrêtés d'après l'heure normale.

MATÉRIEL

Les voitures ordinaires, wagons-lits, wagons-restaurants et wagons-salons en service régulier sont climatisés, à l'exception de ceux de Terre-Neuve et sur certaines lignes secondaires dans d'autres provinces. Au besoin, des wagons non climatisés entreront dans la composition de trains auxquels sont assignés normalement des wagons climatisés.

BILLETS

Les billets ne sont en vente qu'aux gares où les trains arrêtent régulièrement.

Les voyageurs doivent acheter leurs billets aux bureaux des billets de la Compagnie ou dans les gares. Les conducteurs ne peuvent émettre de billets aller-et-retour sur le parcours de leur train que lorsqu'un voyageur monte à une station sans agent ou à une station dont le guichet est fermé à l'heure du départ du train.

Les conducteurs ne sont pas autorisés à ajuster les tarifs. En cas de désaccord au sujet d'un billet, d'un privilège alloué, etc., le voyageur doit payer le montant exigé par le conducteur et envoyer le reçu délivré par celui-ci au service des voyageurs de la Compagnie, pour correction s'il y a lieu.

Les billets sont personnels et doivent être utilisés seulement par l'acheteur lui-même. Le Canadien National n'assume pas la responsabilité des billets perdus.

Les enfants de 12 ans et plus paient plein tarif. Ceux de 5 ans et de moins de 12 ans, paient demi-tarif. Ceux de moins de 5 ans, accompagnés d'un parent ou d'un gardien, voyagent gratuitement.

Comme le veulent les règlements, le Canadien National remboursera promptement à l'acheteur son billet ou partie de billet non utilisé. Les agents peuvent dans certains cas rembourser immédiatement les billets non utilisés ou le coupon de retour d'un billet aller-et-retour. Lorsqu'ils ne peuvent le faire, ils acceptent la demande de remboursement. Tout montant dû, après déduction faite du tarif pour service déjà rendu, est envoyé par la poste au voyageur, par l'agent général des voyageurs.

Grâce à son vaste réseau, le Canadien National offre un choix de routes permettant de varier les itinéraires. Souvent est-il possible d'emprunter des trajets ayant un intérêt historique ou pittoresque. Le détail de ces itinéraires facultatifs peut être obtenu des agents.

BAGAGES

Les voyageurs ne peuvent emporter dans les voitures, wagons-lits et wagons-salons qu'une quantité raisonnable de bagage à main. Il leur est conseillé d'enregistrer le bagage dont ils n'ont pas besoin en route.

Le système commode au Canadien National permet d'enregistrer le bagage personnel (150 livres d'une valeur de pas plus de $100.00 sur chaque billet de chemin de fer pour adulte et de 75 livres d'une valeur de pas plus de $50.00 sur chaque demi-billet d'enfant) pour toute station où il y a un agent et où le train arrête. Tout surplus est soumis aux tarifs courants. Aucune pièce de plus de 250 livres peut être enregistrée comme bagage.

Le bagage consiste en linge personnel, articles de toilette et autres effets (à l'exclusion de liquides) nécessaires au confort et à la commodité du voyageur durant le trajet. Ces effets doivent être dans des malles, valises et autres contenants du genre.

Les matières combustibles ou inflammables sont défendues par la loi et ne doivent pas être incluses parmi les bagages.

Bien qu'aucune garantie ne soit donnée, le nécessaire sera fait pour que le bagage accompagne le voyageur dans le train ou le navire. Lorsque c'est impossible, le bagage est expédié à la première occasion.

Les voyageurs doivent assister eux-mêmes au dédouanement de leurs bagages. Les bagages à main sont examinés à la frontière.

Les bagages enregistrés aux États-Unis pour le Canada sont examinés par les douaniers canadiens à la frontière quand cela est possible ou commode. Les postes de douane canadiens dans les principales villes sont indiqués, par un symbole approprié, à l'index des stations.

Les bagages enregistrés au Canada pour les États-Unis sont examinés par les douaniers des États-Unis à la frontière ou à:

Prince Rupert, C.-B.	Tous les jours, sauf le dimanche et les jours fériés aux États-Unis.
Montréal, P.Q.	Tous les jours.
Toronto, Ont.	Tous les jours, sauf le dimanche et les jours fériés aux États-Unis.

On peut obtenir des agents de la Compagnie les heures où les douaniers des États-Unis, stationnés au Canada, sont en devoir.

Les agents fourniront volontiers tout renseignement utile sur l'enregistrement des bagages et le transport des chiens ou autres animaux domestiques.

INVALIDES

Plusieurs gares sont équipées de chaises roulantes pour la commodité des voyageurs qui ont à les utiliser. On peut s'occuper aussi du transport de malades en civière. Les voyageurs sont priés de consulter les agents aussi à l'avance que possible.

SYSTEM TIME TABLES

STANDARD TIME is used for all schedules in this time table.

TIME. From 12.01 a.m (after **Midnight**) until 12.00 NOON is shown in light-face type. From **12.01 P.M.** (after Noon) until **12.00 MIDNIGHT** is shown in **heavy-face type.**

STOPS. A time opposite a station in the schedule column indicates a regular stop at that point. A symbol, or a symbol in conjunction with the time, indicates a conditional stop.

REFERENCE MARKS. All symbols used in a table are explained in the "Reference Marks" at the bottom of the page, or as near as possible to the table.

TO FIND THE TRAIN SERVICE BETWEEN TWO STATIONS. Refer to the alphabetical index at the back of this folder for the table numbers. If the same table number appears opposite any two stations the through service between both stations will be found in that table.

EQUIPMENT. When a train includes sleeping, parlor, or dining cars—in addition to coaches, they will be listed under this heading close to the table; or a notation is made at the bottom of the page showing where the listing can be found.

Along 25,000 miles of railway, changes in train service may become necessary between the publication of one time table and the appearance of the next. Therefore, time tables herein are subject to change without notice.
