UP

What is AmeriCorps?

AmeriCorps provides opportunities for Americans of all ages and backgrounds to give their time and talent to get things done. No matter what you're passionate about, where you're from, or why you choose to serve, AmeriCorps is your chance to bring out the best of America.

The Basics

- Historic partnership between CDC & AmeriCorps
- \$400 million from the American Rescue Plan Act
- Opportunities to serve across the country

The Goals

- Help meet public health needs of local communities
- Provide pathways to public health-related careers

How It Works

Customize your experience

CHOOSE LENGTH

Part-time and full-time opportunities available.

CHOOSE LOCATION

Apply for service opportunities in your own community or pick from a list of locations across the country.

PICK YOUR PASSION

Search for organizations that advance causes you care about. Choose from thousands of opportunities.

Where Can I Serve With Public Health AmeriCorps?

82 organizations with opportunities to serve in nearly every state in the country

Nearly **4,000** AmeriCorps members to be recruited

Full-time and part-time opportunities are available

UNIVERSITY

Our Model

Advance Local Solutions

Immerse yourself in projects that respond to community needs. You will serve hand-in-hand with organizations improving the lives of people and creating change that lasts.

What are the Benefits?

Make a difference

Leave your mark on one or many communities through your service.

Financial benefits

Earn a modest living allowance (benefits vary by program, full-time positions start at \$16,500).

Serve anywhere in the U.S.

Find an opportunity in your own community, explore a new city, or travel throughout your service term.

Professional development

Gain valuable professional experience, receive training and/or certifications, and grow your network.

Money for school

Earn a Segal AmeriCorps Education Award to use on qualifying students or future education costs (full amount is \$6,895, effective 10/1/22).

Jobs with leading employers

Receive a competitive edge in your job search with over 600 Employers of National Service.

PHA can serve as a steppingstone for careers in public health

During service:
