## Why a Chicago Booth MBA?

The Chicago Approach™ stresses the importance of asking questions, challenging existing solutions, and examining ideas through evidence-based thinking.

Booth allows students to choose the Evening or Weekend MBA program to continue working while earning their degree.

As part of the University of Chicago, students are connected to one of the greatest research institutions in the world, which includes research centers such as the Rustandy Center for Social Sector Innovation, Booth's destination for people committed to helping solve complex social and environmental problems.

## MBA Application Deadline:

Evening/Weekend: Released Soon

The Civic Scholars Program is funded by a gift from the Neubauer Family Foundation.
