

NORTHERN IRELAND ASSEMBLY LEGISLATION - EXECUTIVE BILLS 2001/2002 SESSION

The Minutes of Proceedings (MoPs) for each Assembly sitting are normally accompanied by a table (current at the date of the sitting) listing Executive and non-Executive Bills that have been introduced in the Assembly, and showing their progress through the various legislative stages.

For the purposes of this Journal, the Speaker has agreed that the individual tables should not be included, but that a consolidated table should be produced and included after each session's Minutes of Proceedings. This is provided below, and shows the dates when Stages were completed during the session. Where Royal Assent is received, or a Committee Stage report is published, after a session's final Assembly sitting but before the next session began, the relevant dates are included. Where a Bill was carried over from a previous session, the dates on which Stages were previously completed are also included.
