IN MEMORY OF

CONSTANTINE

MICHAEL

TSAIRIDIS

July 25, 1973-April 15, 1989

Maybe it's been a while since you stood beside me,
Or been a while since I've felt your touch.
I guess God sent you down from Heaven
To be my guiding light.
Those short few years drifted fast,
for you are again with God.
Your mission is over, you are gone now,
But your memory still lives on.
For in my heart I hear your voice,
Like you never really left.
Of course I can't see you,
But your spirit lives inside my heart.
I won't forget how you changed my life,
Nor will I forget your loving arms.
In my mind I still recall
Your gentle words of kindness,
Never will a better person live,
To me you were one of the finest.

*Time is . . .
too slow for those who wait,
too swift for those who fear,
too long for those who grieve,
too short for those who rejoice;
But for those who love,
Time is Eternal.*

"When will it end?"

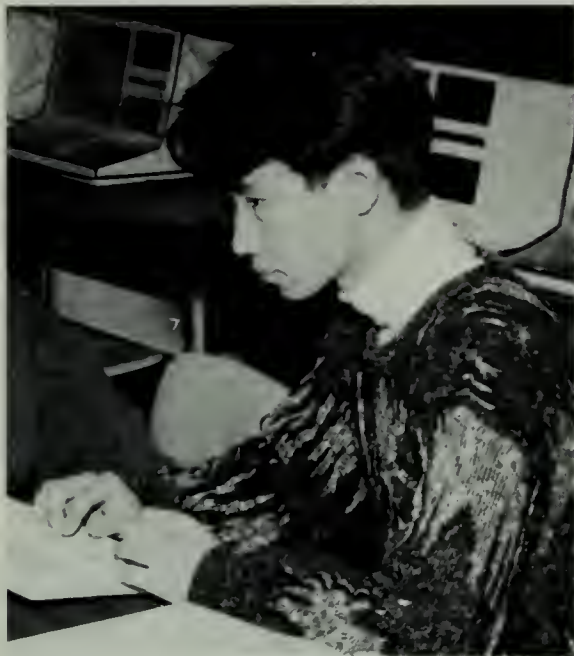

"No, I won't kiss and make up!"

Seniors Hard at Work

"HUH?"

Programmers are a bit smarter

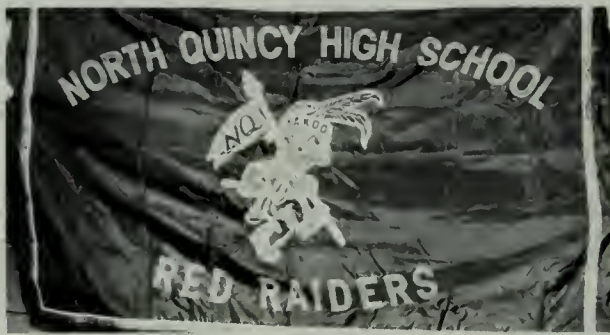

"Nice 'do Rick!"

"I think I can! I think I can!"

"Yes, I've finally done it!"

Long Live Mr. Yakoo!

"Yo Baby!"

"I Love Mornings"

Yoda

"DUH"

Thinking of Paul

"Harvard? No problem!"

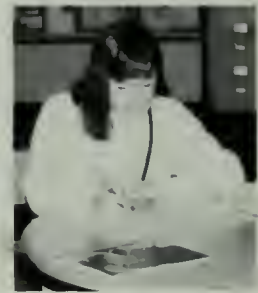

"Behold yonder peasants"

Been working out lately?

"And if you vote for me . . ."

That was then . . .

"Daydreaming . . . again?"

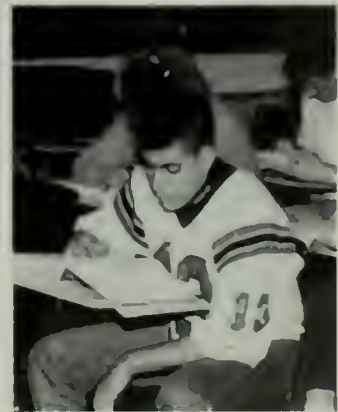

. . . This is now.

"No autographs, please."

"Why can't I be number one?"

"Hey, what are you lookin' at bub?"
"An attitude, are you kidding?"

"Where's my woman?"

"BOO!"

"E.T. Come Home!"

"Yes, I am awesome"

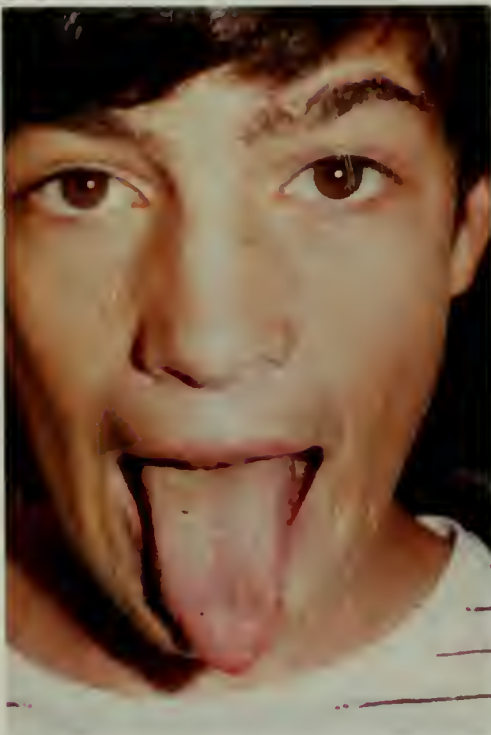

"Don't hate me because I'm beautiful."

If wishes came true . .

"Into the Garbageshoot Flyboy" only now at the end do I understand. Those who know me and helped me, thanks for all you've done. Those who doubted me, Kicked me when I was down, take a look at yourselves. Do you like what you see? Its never too late to change which is the most valuable thing I learned at NQ HS.
