Cost of living

Brisbane is an affordable city offering a lower cost of living than Sydney, Melbourne, Perth and Canberra*.

To make the most of your time in Australia, we recommend you plan and budget for your study and holiday time.

*studentcities.com.au

Yearly costs

How much it will cost you to live in Brisbane will depend partly on your lifestyle preferences. For example, if you live in a share house off-campus, your yearly budget will be in the range of \$12,960 – \$33,060.

In addition to this amount, you'll also need to consider establishment costs such as buying furniture, paying a rental bond and setting up electricity, gas and mobile phone accounts, as well as other expenses such as visa and medical fees, tuition fees, return airfares, and Overseas Student Health Cover (OSHC). Remember that exchange rate variations may also affect your budget.

Monthly expenses

The table below estimates monthly expenses for studying at UQ. These estimates are a guide only and prices vary according to your lifestyle. UQ tuition fees, textbooks and study materials, clothing, entertainment, printing, and healthcare costs are in addition to the figures below.

Working while studying

If you have a student visa you can work up to 48 hours per fortnight (2-week period) during university semesters (effective 1 July 2023), and full-time hours during holidays. In general, students shouldn't expect to cover tuition fees or living expenses with a casual job.

If you're studying at UQ on a scholarship, you should contact your scholarship provider about how many hours you're permitted to work each week.

Bringing your family

To apply for a student visa in Australia, you need to declare that you have access to sufficient funds to pay your tuition fees and to support yourself and any dependants who are coming with you. This declaration is part of the UQ acceptance process. For children, you will also have to factor in school fees and childcare costs. eqi.com.au/apply-now/fees

Fees and expenses

As an international student, you will pay tuition and non-tuition fees. Some programs have additional costs; see individual program listings for details.

Tuition fees

Tuition fees vary according to program. We have provided the 2024 first year tuition fee and the indicative total tuition fee for each program on pages 16–19 as a guide. These amounts are based on a standard full-time study load, unless otherwise indicated.

UQ has program-based tuition fees for coursework award programs, meaning that all courses within a program are charged at the same tuition fee rate per unit for a given academic year. Some programs also have additional costs. Tuition fees are reviewed annually. Visit your program's web page on study.uq.edu.au for the latest information about tuition fees.

Non-tuition fees

Non-tuition fees paid to the University may include the student services and amenities fee, books and equipment, health insurance, administration and accommodation. Other non-tuition fees include assistance to apply for or hold a student visa.

Health insurance

If you'll be coming to Australia on a student visa, you'll need to purchase and maintain Overseas Student Health Cover (OSHC) as one of the conditions of your visa. This is an insurance policy that covers you for basic medical and hospital care and is required from the day you arrive in Australia until you leave. UQ's preferred OSHC provider is Allianz Care. UQ can organise your OSHC with Allianz when you accept your UQ offer and pay your tuition fee deposit.

Alternatively, you can obtain your own OSHC from a government-approved OSHC provider.

Financial aid

We can help students from North America, as well as some countries in Europe and Latin America, apply for student loan programs that are offered in their home countries. These loans can help you cover a portion of your educational expenses while studying full-time at UQ.

Refunds

If you cancel your enrolment before census date fees can be refunded in full, unless you are a commencing student. For commencing students an administrative charge applies for late cancellation of enrolment. After census date, refunds are only made in limited circumstances. See the Student Fees Policy and Student Refund procedures for details.
