

COMHAIRLE NAN EILEAN SIAR COMPLAINTS PERFORMANCE REPORT Q3: OCTOBER TO DECEMBER 2022

The Comhairle is publishing its performance of complaints handling to provide assurance in relation to our performance, to deliver continuous improvement and to assist in Benchmarking between local authorities. Reporting of complaints is monitored by Audit Scotland in conjunction with the Scottish Public Services Ombudsman (SPSO).

The Comhairle's Complaints Procedure and the performance indicators below adhere to the requirements set out by the SPSO's model Complaints Handling Procedure.

The Comhairle aims to resolve complaints quickly and close to where the service is provided.

- Front line stage (stage 1) complaints could mean immediate action to resolve the problem or Complaints which are resolved in no more than five working days.
- Investigation stage (stage 2) deals with two types of Complaints; those that have not been resolved at stage 1 and those that are complex and require detailed investigation.
- After the Comhairle has fully investigated the complaint, and if the customer is still not satisfied with the decision or the way the Comhairle dealt with the Complaint, then it can be referred to the SPSO.

Our Complaints Performance

The Comhairle will publish complaints performance quarterly and annually.

The following complaints management information outlines the Comhairle's performance for the third quarter of 2022/23 between 1 October 2022 and 31 December 2022.
