Question

I am writing to inquire if it would be possible to obtain certain data about dogs living in Jersey collected from dog owners as part of the annual application process for licence under Dogs (Jersey) Law 1961. I would be mostly interested in number of dogs and breed type (if possible).

Answer

The number of dogs licenced in December 2015 was 8,529. The most popular breeds are Retriever – Labrador and Golden; Jack Russell; Cocker Spaniel; Shih Tzu; Border Collie; West Highland Terrier; Springer Spaniel; German Shepherd; Lhasa Apso and Yorkshire Terrier.

The breeds listed on licence applications are as follows:
