Request

Is the compere for the Miss St Brelade competition (from 2014) remunerated, or has the compere provided their services free of charge?

If so, which expenditure heading can this be found under in the Parish accounts?

Please note: I am not asking for amounts, which could be restricted under Data Protection, but whether or not there is a sum paid which is included in the Parish Accounts which could be raised at a Parish Assembly when the accounts are approved.

Response

The services are provided free of charge; a token gift may be given in appreciation and this expenditure would come out of sundries.
