### **Request**

Following the article in this link <https://www.bailiwickexpress.com/jsy/connect/media-releases/polish-culture-centre-opening-st-helier/#.V5esca7Jdmp> I would like to make a request:

1. How much rent is being paid to Parish monthly/annually for the centre and from who Parish receives the money for the rent?
2. How big is the grant that St. Helier Polish Committee receives from Parish for Polish Festival and how is it spent?

### **Response**

1. The rent is £10,000 pa of which half is paid by the Polish Embassy in London and half from Parish funds.
2. The annual twinning grant is £3,300. The St Helier – Polish Committee is responsible for how it is spent.
