Request:

How much has the Parish of St Helier claimed/received through the Parish's Legal Cover for each of the 10 years - 2001 to 2010?

Response:

The Parish's policy is to retain financial records for 7 years, therefore we do not retain any documents for the period requested.

Our insurance arrangements within the above retention period which result in legal matters relating to insurance claims are dealt with by the insurers contracting with legal representatives directly.
