Request

Is it possible to have a list, in any format which suits the author, of:-

- 1) The name of the Parish and if they do a "KERBSIDE RECYCLE" COLLECTION
- 2) If so in what year did they start
- 3) Just a simple yes or no, is the Parish supplied with weights of Glass, Paper and Plastic collected. (I do not need weights).

¹ Glass separation by residents for recycling was a requirement of the Refuse contract for many years in the Parish of St Lawrence prior to 'kerbside' recycling of other items (metal, plastic, paper) being introduced in 2009.

² Glass separation by residents for recycling was a requirement of the Refuse contract for many years in the Parish of St Peter prior to 'kerbside' recycling of other items (paper, tin, plastic) being introduced in 2019.
