

10 July 2023

Request

Could the Parish of St Helier provide a detailed income and expenditure account for each of the Irish Festival held in 2022 and 2023. An account is requested for each year separately.

Response

Income and expenditure for the St Patrick's Day Festival 2022 and 2023

Year	2022	2023
Income	£14,223.88	Nil
Expenditure	£30,114.94	£28,482.38
Net Cost	£15,891.06	£28,482.38

The FOI response issued 13.4.2022 stated a net cost of £16,420.80 for 2022 as that was the information available at the date of the request – see [POSH-St-Patricks-Day-costs.pdf \(comite.ie\)](#) – whereas the net cost for 2022 shown above takes into account all income and expenditure for that event.
