

5 March 2024

Request

Please provide a breakdown by individual street address from 1 The Esplanade to 55 The Esplanade of the number of parking spaces identified on the Rates return. Where the information is available the parking space number should be broken down to further to identify those spaces that are for Disabled parking, are EV point charging spaces as part of the total parking spaces per address.

The request relates to the parking spaces associated with 1-55 The Esplanade which may include parking related to those properties but accessed from the streets behind i.e. Seaton Place, Sand Street, Commercial Street, Payn St, Anley St and La Rue de Mielles access/entrances as well as Gloucester Street east side as shown on the map below.

Response

All owners of land must submit to the Parish a Rates Annual Return in accordance with the Rates (Jersey) Law 2005. The information will include details of car spaces, garages and off-street parking.

Information is not requested, and therefore not held, on whether spaces are for Disabled parking or are EV point charging spaces.

All land is shown in the Rates List published each year and available for inspection at the Town Hall and, for the Approved Rates List, at Jersey Library. Entries are listed by street and in most cases the address or description of the land will reference the parking spaces. The summary below shows information held on parking spaces relating to 1 The Esplanade to 55 The Esplanade, St Helier, including those properties accessed from the streets behind.

Address	Spaces	Access Via
5 - 6 Esplanade	15	Commercial Street
