SCHOOL CHOICE IS CHANGING LIVES IN GEORGIA

For kids trapped in failing schools or stuck in a classroom that can't meet their unique circumstances, time is precious. They don't have another year to wait, they need access to a quality education now.

That's why the Georgia Center for Opportunity tirelessly advocates for more school choice for families. The result of such policies speaks for itself, with thousands of children finding greater hope for the future because they received an education better suited to them.

However, while Georgia has made strides in providing kids of all backgrounds with an open door to their best education, too many are still waiting for a better chance at success. This report card aims to provide insight into school choice bills that made it to a vote in 2018 and how your elected leaders voted.

Rotunda of the Georgia State Capitol Building

SUMMARY OF BILLS GRADED

HB 217 3 POINTS

Increases the cap on the state's tax credit scholarship program from \$58 million to \$100 million for the next 10 years, allowing thousands of additional children to receive scholarships to attend a school that better meets their individual needs.

*Passed both chambers; signed into law. House vote #854
Senate vote #764*

HB 787 ORIGINAL VERSION = 3 POINTS, FINAL VERSION = 3 POINTS

Increases funding for students in state commissioned public charter schools, bringing them closer to receiving the same education dollars their counterparts in traditional public schools receive.

*Passed both chambers; signed into law. House vote #548
and #826, Senate vote #711 and #781*

HB 482 3 POINTS

Would have created a pilot Education Scholarship Account program, allowing the parents of approximately 4,500 students to transfer the money the state would have spent to educate them in traditional public schools and instead customize an education for their child, paying for things such as curriculum, school tuition, tutoring, occupational and behavioral therapy, adaptive technologies for students with special needs and other expenses.

Did not pass House (vote #668); No vote taken in Senate

HB 759 1 POINT

Would have allowed any student who previously qualified for the Georgia Special Needs Scholarship program to remain eligible throughout their K-12 career.

Passed House (vote #608); No vote taken in Senate

SCHOOL CHOICE CHAMPION

Given to lawmakers who earned an A+ biennial grade, demonstrating their commitment to educational options for Georgia families.

HONOR ROLL

Designation earned by legislators for sponsoring or co-sponsoring legislation to expand school choice options. Legislators earned a "+" to their grade for sponsoring school choice bills and received a promotion of half a letter grade in their overall score for sponsoring two or more bills. Members who served on a conference committee for school choice legislation also received honor roll designation.

BIENNIAL GRADE

A lawmaker's two-year combined grade, which includes scores from the 2017 and 2018 legislative sessions. A lawmaker who did not serve both years received an NA notation.

INCOMPLETE

Legislators who voted on fewer than half of the scored items received an "Incomplete" (i).

SCHOOL CHOICE CHAMPION 🏆 HONOR ROLL ★

IN 2019, LET'S AIM EVEN HIGHER

Polls consistently show that a vast majority of Georgians, regardless of political party, overwhelmingly support increasing school choice options. There is still room for improvement. In 2019, let's provide even greater educational choice for families.

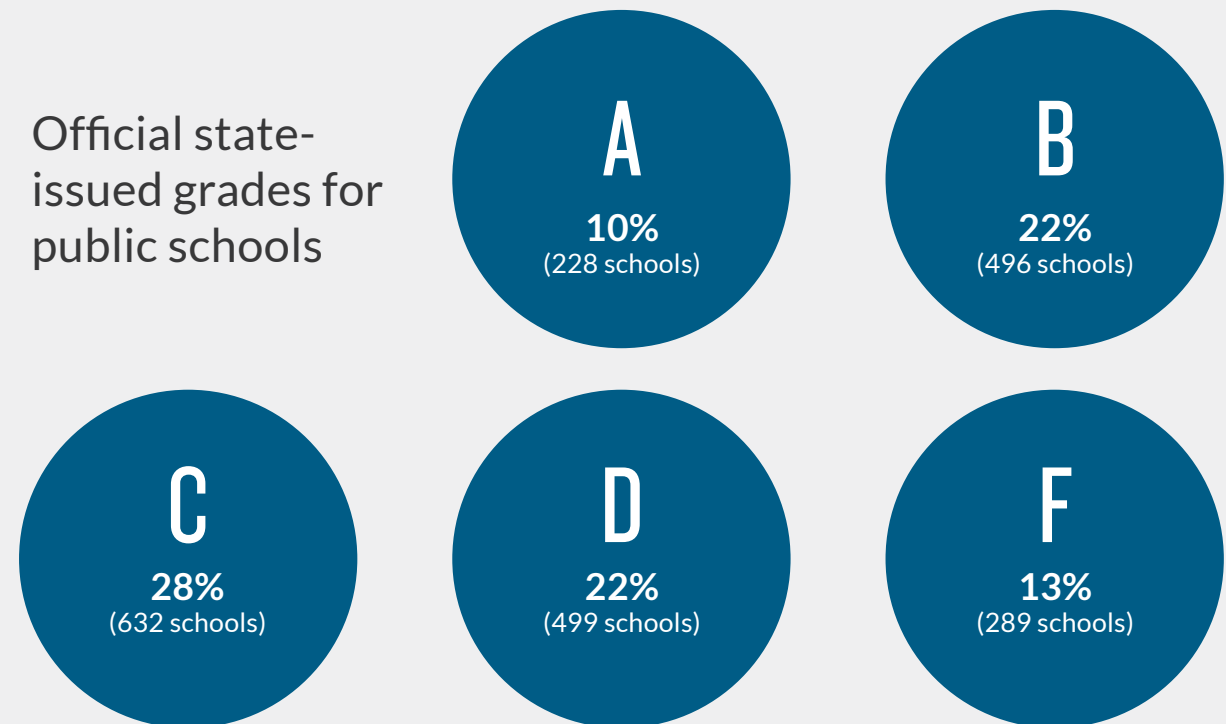

GEORGIA STUDENTS ARE SHORT ON PUBLIC AND PRIVATE SCHOOL CHOICE OPTIONS

MANY PUBLIC SCHOOLS NEED GREATER SUPPORT, BUT KIDS DON'T HAVE TIME TO WAIT FOR A TURNAROUND
