

# 29<sup>th</sup> International Liquid Crystal Conference

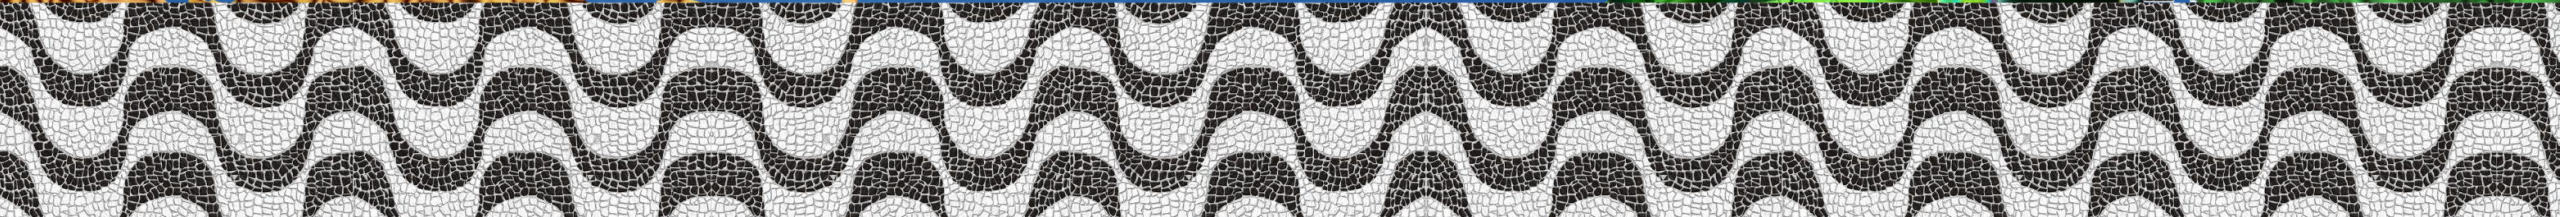

**ILCC - 2024**  
Rio de Janeiro - Brazil

# Tribute to Prof. Hugo Gallardo

Hugo Gallardo

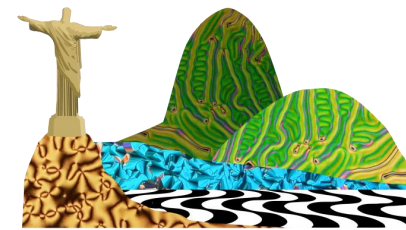

# Prof. Hugo Gallardo

- B.Sc. and Ph.D. in Chemistry from Universidad de Concepción, Chile. Postdoc in the University of São Paulo, Brazil.
- Professor in the Department of Physics at the Federal University of Santa Catarina (1983-1997). In 1997, he became a full professor in the chemistry department.
- In 2016 he was elected full member of the Brazilian Academy of Sciences.
- He spread the seed of thermotropic liquid crystals across Brazil.
- Supervised more than 50 undergraduate students, 33 master's students, 26 doctoral students, 16 post-doctoral students. Many of his students continue to work on the topic of liquid crystals
- Published more than 160 papers, coordinated several research projects and has several international collaborations.

# Thank you Prof. Hugo!!!
