

FRONTIER PEOPLE GROUPS

WHO ARE THEY?

Frontier people groups are a subset of unreached people groups that have 0.1% or fewer who identify with Jesus in any way and no confirmed sustained Kingdom movement. These are the “most unreached of the unreached.”

WHERE ARE THEY?

Of the approximately 5,000 Frontier people groups, 4,500 are in the 10/40 Window. 90% of Frontier peoples live between 10 and 40 degrees north latitude stretching across North Africa, Middle East, Central and East Asia.

WHY ARE THEY STRATEGIC?

2.01 billion souls live in Frontier unreached people groups. Of everyone alive today, 25% live in a people group where there is almost no opportunity to hear about Jesus.

More people live in Frontier people groups than in North and Central America, South America, Western Europe, North Africa and Middle East, Australia and Oceania— combined!
