Joint Resolution Placed on Calendar

J.R.H. 19

Joint resolution supporting the administration's efforts to examine and provide recommendations for improving and increasing the effectiveness of Vermont's state and municipal environmental protection process

Offered by: Committee on Natural Resources and Energy

Whereas, our physical environment is the sum of everything around us, our beautiful mountains and valleys, our streams and lakes, the air we breathe and the winter's snow and summer's green grass, and

Whereas, to date, Vermont has managed to preserve many of the best aspects of the state's environment, but this protective process could be administered more effectively and with greater transparency, and

Whereas, since 1970, Vermont's system of state and municipal environmental and land use regulation has grown and changed, resulting in overlapping laws and programs under the administrative jurisdiction of multiple state offices that do not always share the same regulatory objectives or coordinate in an optimal fashion, and

Whereas, the state of Vermont and local municipalities should be encouraging appropriate development at specific locations, and

Whereas, for example, attempts to effectively enforce water quality standards in Lake Champlain, promote a settlement pattern of compact urban and village centers surrounded by a rural, working landscape, and reduce greenhouse gas emissions have not resulted in achieving compliance with statutory goals and not infrequently have resulted in contentious disputes and litigation, and

Whereas, project developers and citizens concerned about projects often voice complaints expressing confusion about the specific permits required for a given project and objecting that the regulatory process can be expensive, daunting, and time-consuming and that it needs to be predictable, and

Whereas, Vermont must ensure that its permitting process appropriately utilizes the benefits of new technology to improve efficiency while simultaneously achieving protection of the natural environment, and

Whereas, Governor Shumlin has directed the chair of the natural resources board to review Vermont's environmental and land use permitting system and to provide recommendations for improving the system and increasing its effectiveness, and

Whereas, the secretary of natural resources has agreed to coordinate with and assist the chair of the natural resources board in these efforts, and both will also seek legislative input, now therefore be it

Resolved by the Senate and House of Representatives:

That the General Assembly supports the administration's efforts to examine and provide recommendations for improving and increasing the effectiveness of Vermont's environmental protection process, and be it further

Resolved: That the General Assembly requests that the chair of the natural resources board, in coordination with the secretary of natural resources and other state and municipal permitting officials, invite public input through public meetings, the use of the Internet, and other forms of outreach, and be it further

Resolved: That the General Assembly requests that the chair of the natural resources board, in coordination with the secretary of natural resources, regularly meet and consult with the chairs of the House and Senate Committees on Natural Resources and Energy and the House Committee on Fish, Wildlife and Water Resources during this review process, and be it further

Resolved: That the General Assembly requests that the chair of the natural resources board in coordination with the secretary of natural resources develop recommendations intended to maintain standards assuring the environmental quality so important to Vermonters while making Vermont's land use and environmental permit process more efficient, more effective, more user-friendly, more open, more predictable, better coordinated, and quicker for applicants and citizens, and be it further

Resolved: That the General Assembly requests the chair of the natural resources board to report to the chairs of the House and Senate Committees on Natural Resources and Energy and the House Committee on Fish, Wildlife and Water Resources by January 15, 2012 with recommendations to meet the intent of this resolution, and be it further

Resolved: That the Secretary of State be directed to send a copy of this resolution to the chair of the natural resources board and the secretary of natural resources.

Which was read and, in the Speaker's discretion, placed on the Calendar for action on the next legislative day under Rule 52.

(1) There is established a resource management revolving fund to provide revenue for implementation of resource conservation measures

anticipated to generate a life cycle cost benefit to the state. All state agencies responsible for development and operations and maintenance of state infrastructure shall have access to the revolving fund on a priority basis established by the commissioner.

(2) The fund shall consist of:

(A) ~~Moneys~~ Monies appropriated to the fund, or which are paid to it under authorization of the emergency board.

(3) ~~Moneys~~ Monies from the fund shall be expended by the commissioner for resource conservation measures anticipated to generate a life cycle cost benefit to the state and all necessary costs involved with the administration of state agency energy planning as determined by the commissioner.

(4) The commissioner shall establish criteria to determine eligibility for funding of resource conservation measures.

(5) Agencies or departments receiving funding shall repay the fund through their regular operating budgets according to a schedule established by the commissioner. Repayment shall include charges of fees for administrative costs over the term of the repayment.

(7) The commissioner of buildings and general services shall maintain accurate and complete records of all receipts by and expenditures from the fund.

(8) All balances remaining at the end of a fiscal year shall be carried over to the following year.

Sec. 49. ADMINISTRATION; VERMONT TELECOMMUNICATIONS AUTHORITY

(a) The sums appropriated in Sec. 3 of this act to the Vermont telecommunications authority (VTA) shall be used to develop infrastructure to

meet the cellular and broadband needs of unserved and underserved Vermonters. Such infrastructure may include:

(1) Fiber optic facilities.

(2) Telecommunications towers or other support structures.

(3) Equipment needed to deliver cellular service.

(4) Equipment needed to deliver broadband Internet services having combined download and upload speeds of at least five megabits per second.

(b) Funds appropriated under this section may be used for direct investments in infrastructure, to be owned by the VTA, and for grants to retail service providers.

(c) To the extent possible, the VTA shall leverage the funds with bonding or borrowing capacity or other available sources of public or private funding.

(d) Infrastructure owned and leased by the VTA under this section, including towers and fiber optic facilities, shall be available for use by as many retail service providers as the technology will permit to prevent the state from establishing a monopoly service territory for one provider, and shall be available for use by providers on a nondiscriminatory basis and according to published terms and conditions.

(e) Prior to the construction or installation of VTA-owned fiber optic facilities under this section, the VTA shall consult with the secretary of administration or designee to identify those areas of the state having the greatest need for fiber optic facilities and to determine the extent of needed state investment in new fiber optic facilities, and shall issue a request for public comment. In making the determinations required under this subsection, the VTA and the secretary shall consider:

(1) The location and availability of existing fiber optic networks, to the extent such information is available, and the terms and conditions for the use of those networks.

(2) The availability of broadband and cellular services in various parts of the state, the likelihood of planned expansions to services known to the VTA, and the need for fiber optic facilities to support expansion of services in unserved and underserved areas.

(3) The speed of broadband services available in various parts of the state for residential, business, and institutional uses, and the increase in speed that new fiber optic facilities would support.

(4) Prior investments of public and private funds in the development of fiber optic facilities.

(5) The technical and economic feasibility of potential fiber optic routes.

(6) The objectives of the telecommunications plan adopted by the department of public service under 30 V.S.A. § 202d.

(f) Fiber optic facilities owned by the VTA pursuant to this section shall include fiber strands which may be used by a retail service provider to deliver broadband Internet access directly to homes, businesses, and institutional users (last-mile connectivity), in addition to strands which may be used to interconnect with other broadband and cellular facilities (middle mile).

(g) With respect to fiber optic facilities owned by the VTA pursuant to this section, the VTA may contract with an entity to provide transport services, provided that:

(1) The entity is not owned or controlled by a single broadband provider and is otherwise carrier neutral.

(2) The transport services are offered to any provider of broadband Internet access on a nondiscriminatory basis and according to published terms and conditions.

(3) Dark fiber leases and infeasible rights of use are made available to providers on a nondiscriminatory basis and according to published terms and conditions. For purposes of this subdivision, “dark fiber” means fiber that is not in use; and “infeasible right of use” means an exclusive, long-term use of fiber optic capacity.

(h) Grants awarded to retail service providers under this section shall be to support the capital cost of equipment and facilities used to provide broadband Internet access or cellular service in unserved areas of the state. Prior to awarding a grant, the VTA shall find that the grant is economically necessary to provide service in an unserved area and is likely to result in a lower long-term cost to the state than would direct investment in VTA-owned infrastructure. In addition, in awarding grants, the VTA shall adhere to the competitive bidding process established under 30 V.S.A. § 8078, except where inconsistent with the provisions of this section, and shall solicit public comment prior to issuing a request for proposals.

(i) The VTA shall ensure that any investments made or grants awarded under this section are in furtherance of the goals stated in 30 V.S.A. § 8060(b) and shall use the telecommunications measures established pursuant to No. 146 of the Acts of the 2009 Adj. Sess. (2010) (an act relating to implementation of challenges for change) to track the progress made in attaining those goals through such investments and grants. Beginning October 1, 2011, and for the next succeeding two years, on a quarterly basis, the VTA shall submit to the house committees on commerce and economic development and on corrections

and institutions, the senate committees on economic development, housing and general affairs and on finance, and the joint fiscal committee a progress report reflecting the outcomes and measures as applied to the projects funded under this section. This report shall include location specific information on the progress of deployment of telecommunications technology that does not require the utilization of towers.

(4) forward to the Vermont court a certified copy of the transcript of the record of the hearing, the evidence otherwise presented, and any evaluation prepared in compliance with the request; and

(5) order a party to a child custody proceeding or any person having physical custody of the child to appear in the proceeding with or without the child.

(b) Upon request of a court of another state, a Vermont court may hold a hearing or enter an order described in subsection (a) of this section.

(c) Travel and other necessary and reasonable expenses incurred under subsections (a) and (b) of this section may be assessed against the parties according to Vermont law.

(d) A Vermont court shall preserve the pleadings, orders, decrees, records of hearings, evaluations, and other pertinent records with respect to a child custody proceeding until the child attains 18 years of age. Upon appropriate request by a court or law enforcement official of another state, the court shall forward a certified copy of those records.

Subchapter 2. Jurisdiction

§ 1071. INITIAL CHILD CUSTODY JURISDICTION

(a) Except as otherwise provided in section 1074 of this title, a Vermont court has jurisdiction to make an initial child custody determination only if:

(1) Vermont is the home state of the child on the date of the commencement of the proceeding or was the home state of the child within six months before the commencement of the proceeding and the child is absent from Vermont, but a parent or person acting as a parent continues to live in Vermont;

(2) A court of another state does not have jurisdiction under subdivision (1) of this subsection, or a court of the home state of the child has declined to exercise jurisdiction on the ground that Vermont is the more appropriate forum under section 1077 or 1078 of this title, and:

(A) the child and the child's parents, or the child and at least one parent or a person acting as a parent, have a significant connection with Vermont other than mere physical presence; and

(B) substantial evidence is available in Vermont concerning the child's care, protection, training, and personal relationships;

(3) All courts having jurisdiction under subdivision (1) or (2) of this subsection have declined to exercise jurisdiction on the grounds that a Vermont court is the more appropriate forum to determine the custody of the child under section 1077 or 1078 of this title; or

(4) No court of any other state would have jurisdiction under the criteria specified in subdivision (1), (2), or (3) of this subsection.

(b) Subsection (a) of this section is the exclusive jurisdictional basis for making a child custody determination by a Vermont court.

(c) Physical presence of, or personal jurisdiction over, a party or a child is not necessary or sufficient to make a child custody determination.

§ 1072. EXCLUSIVE; CONTINUING JURISDICTION

(a) Except as otherwise provided in section 1074 of this title, a Vermont court which has made a child custody determination consistent with section 1071 or 1073 of this title has exclusive, continuing jurisdiction over the determination until:

(1) a Vermont court determines that neither the child nor the child and one parent nor the child and a person acting as a parent have a significant connection with Vermont, and that substantial evidence is no longer available in Vermont concerning the child's care, protection, training, and personal relationships; or

(2) a Vermont court or a court of another state determines that the child, the child's parents, and any person acting as a parent do not currently reside in Vermont.

(b) A Vermont court which has made a child custody determination and does not have exclusive, continuing jurisdiction under this section may modify that determination only if it has jurisdiction to make an initial determination under section 1071 of this title.

§ 1073. JURISDICTION TO MODIFY DETERMINATION

Except as otherwise provided in section 1074 of this title, a Vermont court may not modify a child custody determination made by a court of another state unless a Vermont court has jurisdiction to make an initial determination under subdivision 1071(a)(1) or (2) of this title and:

(1) the court of the other state determines it no longer has exclusive, continuing jurisdiction under section 1072 of this title or that a Vermont court would be a more convenient forum under section 1077 of this title; or

(2) a Vermont court or a court of the other state determines that the child, the child's parents, and any person acting as a parent do not currently reside in the other state.

§ 1074. TEMPORARY EMERGENCY JURISDICTION

(a) A Vermont court has temporary emergency jurisdiction if the child is present in Vermont, and the child has been abandoned or it is necessary in an emergency to protect the child because the child, or a sibling or parent of the child, is subjected to or threatened with mistreatment or abuse.

(b) If there is no previous child custody determination that is entitled to be enforced under this chapter, and a child custody proceeding has not been commenced in a court of a state having jurisdiction under sections 1071–1073 of this title, a child custody determination made under this section remains in effect until an order is obtained from a court of a state having jurisdiction under sections 1071–1073 of this title. If a child custody proceeding has not been or is not commenced in a court of a state having jurisdiction under sections 1071–1073 of this title, a child custody determination made under this section becomes a final determination, if it so provides, and Vermont becomes the home state of the child.

(c) If there is a previous child custody determination that is entitled to be enforced under this chapter, or a child custody proceeding has been commenced in a court of a state having jurisdiction under sections 1071–1073 of this title, any order issued by a Vermont court under this section shall specify in the order a period that the court considers adequate to allow the person seeking an order to obtain an order from the state having jurisdiction under sections 1071–1073 of this title. The order issued in Vermont remains in effect until an order is obtained from the other state within the period specified or the period expires.

(d) A Vermont court which has been asked to make a child custody determination under this section upon being informed that a child custody proceeding has been commenced in, or a child custody determination has been made by, a court of a state having jurisdiction under sections 1071–1073 of

this title shall immediately communicate with the other court. A Vermont court which is exercising jurisdiction pursuant to sections 1071–1073 of this title, upon being informed that a child custody proceeding has been commenced in, or a child custody determination has been made by, a court of another state under a statute similar to this section, shall immediately communicate with the court of that state to resolve the emergency, protect the safety of the parties and the child, and determine a period for the duration of the temporary order.

§ 1075. NOTICE; OPPORTUNITY TO BE HEARD; JOINDER

(a) Before a child custody determination is made under this chapter, notice and an opportunity to be heard in accordance with the standards of section 1066 of this title shall be given to all persons entitled to notice under Vermont law as in child custody proceedings between Vermont residents, any parent whose parental rights have not been previously terminated, and any person having physical custody of the child.

(b) This chapter does not govern the enforceability of a child custody determination made without notice or an opportunity to be heard.

(c) The obligation to join a party and the right to intervene as a party in a child custody proceeding under this chapter are governed by Vermont law as in child custody proceedings between Vermont residents.

§ 1076. SIMULTANEOUS PROCEEDINGS

(a) Except as otherwise provided in section 1074 of this title, a Vermont court may not exercise its jurisdiction under this subchapter if, at the time of the commencement of the proceeding, a proceeding concerning the custody of the child has been commenced in a court of another state having jurisdiction substantially in conformity with this chapter, unless the proceeding has been terminated or is stayed by the court of the other state because a Vermont court is a more convenient forum under section 1077 of this title.

(b) Except as otherwise provided in section 1074 of this title, a Vermont court, before hearing a child custody proceeding, shall examine the court documents and other information supplied by the parties pursuant to section 1079 of this title. If the court determines that a child custody proceeding has been commenced in a court in another state having jurisdiction substantially in accordance with this chapter, the Vermont court shall stay its proceeding and communicate with the court of the other state. If the court of the state having jurisdiction substantially in accordance with this chapter does not determine that the Vermont court is a more appropriate forum, the Vermont court shall dismiss the proceeding.

(c) In a proceeding to modify a child custody determination, a Vermont court shall determine whether a proceeding to enforce the determination has been commenced in another state. If a proceeding to enforce a child custody determination has been commenced in another state, the court may:

(1) stay the proceeding for modification pending the entry of an order of a court of the other state enforcing, staying, denying, or dismissing the proceeding for enforcement;

(2) enjoin the parties from continuing with the proceeding for enforcement; or

(3) proceed with the modification under conditions it considers appropriate.

§ 1077. INCONVENIENT FORUM

(a) A Vermont court which has jurisdiction under this chapter to make a child custody determination may decline to exercise its jurisdiction at any time if it determines that it is an inconvenient forum under the circumstances, and that a court of another state is a more appropriate forum. The issue of inconvenient forum may be raised upon motion of a party, the court's own motion, or a request of another court.

(b) Before determining whether it is an inconvenient forum, a Vermont court shall consider whether it is appropriate for a court of another state to exercise jurisdiction. For this purpose, the court shall allow the parties to submit information and shall consider all relevant factors, including:

(1) whether domestic violence has occurred and is likely to continue in the future and which state could best protect the parties and the child;

(2) the length of time the child has resided outside Vermont;

(3) the distance between the Vermont court and the court in the state that would assume jurisdiction;

(4) the relative financial circumstances of the parties;

(5) any agreement of the parties as to which state should assume jurisdiction;

(6) the nature and location of the evidence required to resolve the pending litigation, including testimony of the child;

(7) the ability of the court of each state to decide the issue expeditiously and the procedures necessary to present the evidence; and

(8) the familiarity of the court of each state with the facts and issues in the pending litigation.

(c) If a Vermont court determines that it is an inconvenient forum, and that a court of another state is a more appropriate forum, it shall stay the proceedings upon condition that a child custody proceeding be promptly commenced in another designated state and may impose any other condition the court considers just and proper.

(d) A Vermont court may decline to exercise its jurisdiction under this chapter if a child custody determination is incidental to an action for divorce or another proceeding while still retaining jurisdiction over the divorce or other proceeding.

§ 1078. JURISDICTION DECLINED BY REASON OF CONDUCT

(a) Except as otherwise provided in section 1074 of this title or other Vermont law, if a Vermont court has jurisdiction under this chapter because a person seeking to invoke its jurisdiction has engaged in unjustifiable conduct, the court shall decline to exercise its jurisdiction unless:

(1) the parents and all persons acting as parents have acquiesced in the exercise of jurisdiction;

(2) a court of the state otherwise having jurisdiction under sections 1071–1073 of this title determines that Vermont is a more appropriate forum under section 1077 of this title; or

(3) no court of any other state would have jurisdiction under the criteria specified in sections 1071–1073 of this title.

(b) If a Vermont court declines to exercise its jurisdiction pursuant to subsection (a) of this section, it may fashion an appropriate remedy to ensure the safety of the child and prevent a repetition of the unjustifiable conduct, including staying the proceeding until a child custody proceeding is commenced in a court having jurisdiction under sections 1071–1073 of this title.

(c) If a court dismisses a petition or stays a proceeding because it declines to exercise its jurisdiction pursuant to subsection (a) of this section, it may assess against the party seeking to invoke its jurisdiction necessary and reasonable expenses, including costs, communication expenses, attorney's fees, investigative fees, expenses for witnesses, travel expenses, and child care during the course of the proceedings, unless the party from whom fees are sought establishes that the assessment would be clearly inappropriate. The court may not assess fees, costs, or expenses against Vermont unless authorized by law other than this chapter.

§ 1079. INFORMATION TO BE SUBMITTED TO COURT

(a) In accordance with Vermont law regarding the confidentiality of procedures, addresses, and other identifying information in a child custody proceeding, each party, in its first pleading or in an attached affidavit, shall give information, if reasonably ascertainable, under oath as to the child's present address or whereabouts, the places where the child has lived during the last five years, and the names and present addresses of the persons with whom the child has lived during that period. The pleading or affidavit shall state whether the party:

(1) has participated, as a party or witness or in any other capacity, in any other proceeding concerning the custody of or visitation with the child and, if so, identify the court, the case number, and the date of the child custody determination, if any;

(2) knows of any other proceeding that could affect the current proceeding, including any proceeding for enforcement and any proceeding relating to domestic violence, protective orders, termination of parental rights, and adoptions and, if so, identify the court, the case number, and the nature of the proceeding; and

(3) knows the names and addresses of any person not a party to the proceeding who has physical custody of the child or claims rights of legal custody or physical custody of or visitation with the child and, if so, give the names and addresses of those persons.

(b) If the information required by subsection (a) of this section is not furnished, the court, upon motion of a party or its own motion, may stay the proceeding until the information is furnished.

(c) If the declaration as to any of the items described in subdivisions (a)(1)–(3) of this section is in the affirmative, the declarant shall give additional information under oath as required by the court. The court may examine the parties under oath as to details of the information furnished and other matters pertinent to the court's jurisdiction and the disposition of the case.

(d) Each party has a continuing duty to inform the court of any proceeding in this or any other state that could affect the current proceeding.

(e) If a party alleges in an affidavit or a pleading under oath that the health, safety, or liberty of a party or child would be jeopardized by disclosure of identifying information, the information must be sealed and may not be disclosed to the other party or the public unless the court orders the disclosure to be made after a hearing in which the court takes into consideration the

health, safety, or liberty of the party or child and determines that the disclosure is in the interest of justice.

(f) As used in the section, the term “party” shall not include, in a proceeding under chapter 51 or 53 of Title 33, a state’s attorney, the commissioner for children and families, or the child.

§ 1080. APPEARANCE OF PARTIES AND CHILD

(a) In a child custody proceeding in Vermont, the court may order a party to the proceeding who is in Vermont to appear before the court in person with or without the child. The court may order any person who is in Vermont and who has physical custody or control of the child to appear in person with the child.

(b) If a party to a child custody proceeding whose presence is desired by the court is outside Vermont, the court may order that a notice given pursuant to section 1066 of this title include a statement directing the party to appear in person with or without the child and informing the party that failure to appear may result in a decision adverse to the party.

(c) The court may enter any orders necessary to ensure the safety of the child and of any person ordered to appear under this section.

(d) If a party to a child custody proceeding who is outside Vermont is directed to appear under subsection (b) of this section or desires to appear personally before the court with or without the child, the court may require another party to pay reasonable and necessary travel and other expenses of the party so appearing and of the child.

Subchapter 3. Enforcement

§ 1081. DEFINITIONS

As used in this subchapter:

(1) “Petitioner” means a person who seeks enforcement of an order for return of a child under the Hague Convention on the Civil Aspects of International Child Abduction or enforcement of a child custody determination.

(2) “Respondent” means a person against whom a proceeding has been commenced for enforcement of an order for return of a child under the Hague Convention on the Civil Aspects of International Child Abduction or enforcement of a child custody determination.

§ 1082. ENFORCEMENT UNDER HAGUE CONVENTION

Under this subchapter, a Vermont court may enforce an order for the return of the child made under the Hague Convention on the Civil Aspects of International Child Abduction as if it were a child custody determination.

§ 1083. DUTY TO ENFORCE

(a) A Vermont court shall recognize and enforce a child custody determination of a court of another state if the latter court exercised jurisdiction in substantial conformity with this chapter or the determination was made under factual circumstances meeting the jurisdictional standards of this chapter and if the determination has not been modified in accordance with this chapter.

(b) A Vermont court may utilize any remedy available under Vermont law to enforce a child custody determination made by a court of another state. The remedies provided in this subchapter are cumulative and do not affect the availability of other remedies to enforce a child custody determination.

§ 1084. TEMPORARY VISITATION

(a) A Vermont court which does not have jurisdiction to modify a child custody determination may issue a temporary order enforcing:

(1) a visitation schedule made by a court of another state; or

(2) the visitation provisions of a child custody determination of another state that does not provide for a specific visitation schedule.

(b) If a Vermont court makes an order under subdivision (a)(2) of this section, it shall specify in the order a period that it considers adequate to allow the petitioner to obtain an order from a court having jurisdiction under the criteria specified in subchapter 2 of this chapter. The order remains in effect until an order is obtained from the other court or until the period expires.

§ 1085. REGISTRATION OF CHILD CUSTODY DETERMINATION

(a) A child custody determination issued by a court of another state may be registered in Vermont, with or without a simultaneous request for enforcement, by sending to the family division of the superior court in the county in which a person listed in subdivision (3) of this subsection or the child resides:

(1) a letter or other document requesting registration;

(2) two copies, including one certified copy, of the determination sought to be registered and a statement under penalty of perjury that to the best of the knowledge and belief of the person seeking registration the order has not been modified; and

(3) except as otherwise provided in section 1079 of this title, the name and address of the person seeking registration and any parent or person acting as a parent who has been awarded custody or visitation in the child custody determination sought to be registered.

(b) On receipt of the documents required by subsection (a) of this section, the court administrator shall:

(1) cause the determination to be filed as a foreign judgment, together with one copy of any accompanying documents and information, regardless of their form; and

(2) serve notice upon the persons named pursuant to subdivision (a)(3) of this section and provide them with an opportunity to contest the registration in accordance with this section.

(c) The notice required by subdivision (b)(2) of this section shall state that:

(1) a registered determination is enforceable as of the date of the registration in the same manner as a determination issued by a Vermont court;

(2) a hearing to contest the validity of the registered determination must be requested within 20 days after service of notice; and

(3) failure to contest the registration will result in confirmation of the child custody determination and preclude further contest of that determination with respect to any matter that could have been asserted.

(d) A person seeking to contest the validity of a registered order must request a hearing before the court in the county in which such person or the child resides within 20 days after service of the notice. At that hearing, the court shall confirm the registered order unless the person contesting registration establishes that:

(1) the issuing court did not have jurisdiction under subchapter 2 of this chapter;

(2) the child custody determination sought to be registered has been vacated, stayed, or modified by a court having jurisdiction to do so under subchapter 2 of this chapter; or

(3) the person contesting registration was entitled to notice, but notice was not given in accordance with the standards of section 1066 of this title in the proceedings before the court that issued the order for which registration is sought.

(e) If a timely request for a hearing to contest the validity of the registration is not made, the registration is confirmed as a matter of law, and the person

requesting registration and all persons served shall be notified of the confirmation.

(f) Confirmation of a registered order, whether by operation of law or after notice and hearing, precludes further contest of the order with respect to any matter that could have been asserted at the time of registration.

§ 1086. ENFORCEMENT OF REGISTERED DETERMINATION

(a) A Vermont court may grant any relief normally available under Vermont law to enforce a registered child custody determination made by a court of another state.

(b) A Vermont court shall recognize and enforce but may not modify, except in accordance with subchapter 2 of this chapter, a registered child custody determination of a court of another state.

§ 1087. SIMULTANEOUS PROCEEDINGS

If a proceeding for enforcement under this subchapter is commenced in a Vermont court and the court determines that a proceeding to modify the determination is pending in a court of another state having jurisdiction to modify the determination under subchapter 2 of this chapter, the enforcing court shall immediately communicate with the modifying court. The proceeding for enforcement shall continue unless the enforcing court, after consultation with the modifying court, stays or dismisses the proceeding.

§ 1088. EXPEDITED ENFORCEMENT OF CHILD CUSTODY DETERMINATION

(a) A petition under this subchapter shall be verified. Certified copies of all orders sought to be enforced and of any order confirming registration shall be attached to the petition. A copy of a certified copy of an order may be attached instead of the original.

(b) A petition for enforcement of a child custody determination shall state:

(1) whether the court that issued the determination identified the jurisdictional basis it relied upon in exercising jurisdiction and, if so, what the basis was;

(2) whether the determination for which enforcement is sought has been vacated, stayed, or modified by a court whose decision must be enforced under this chapter and, if so, identify the court, the case number, and the nature of the proceeding;

(3) whether any proceeding has been commenced that could affect the current proceeding, including proceedings relating to domestic violence,

protective orders, termination of parental rights, and adoptions and, if so, identify the court, the case number, and the nature of the proceeding;

(4) the present physical address of the child and the respondent, if known;

(5) whether relief in addition to the immediate physical custody of the child and in addition to attorney's fees is sought, including a request for assistance from law enforcement officials and, if so, the relief sought; and

(6) if the child custody determination has been registered and confirmed under section 1085 of this title, the date and place of registration.

(c) Upon the filing of a petition, the court shall issue an order directing the respondent to appear in person with or without the child at a hearing and may enter any order necessary to ensure the safety of the parties and the child. The hearing must be held on the next judicial day after service of the order unless that date is impossible. In that event, the court shall hold the hearing on the first judicial day possible. The court may extend the date of hearing at the request of the petitioner.

(d) An order issued under subsection (c) of this section shall state the time and place of the hearing and advise the respondent that at the hearing the court will order that the petitioner may take immediate physical custody of the child and will order the payment of fees, costs, and expenses under section 1092 of this title, and the order may schedule a hearing to determine whether further relief is appropriate, unless the respondent appears and establishes that:

(1) the child custody determination has not been registered and confirmed under section 1085 of this title and:

(A) the issuing court did not have jurisdiction under subchapter 2 of this chapter;

(B) the child custody determination for which enforcement is sought has been vacated, stayed, or modified by a court having jurisdiction to do so under subchapter 2 of this chapter; or

(C) the respondent was entitled to notice, but notice was not given in accordance with the standards of section 1066 of this title, in the proceedings before the court that issued the order for which enforcement is sought; or

(2) the child custody determination for which enforcement is sought was registered and confirmed under section 1084 of this title but has been vacated, stayed, or modified by a court of a state having jurisdiction to do so under subchapter 2 of this chapter.

(e) Except as otherwise provided in section 1090 of this title, the petition and order shall be served by any method authorized by Vermont law upon the respondent and any person who has physical custody of the child.

§ 1089. HEARING AND ORDER

(a) Unless the court issues a temporary emergency order pursuant to section 1074 of this title, upon a finding that a petitioner is entitled to immediate physical custody of the child, the court shall order that the petitioner may take immediate physical custody of the child unless the respondent establishes that:

(1) the child custody determination has not been registered and confirmed under section 1085 of this title and that:

(A) the issuing court did not have jurisdiction under subchapter 2 of this chapter;

(B) the child custody determination for which enforcement is sought has been vacated, stayed, or modified by a court of a state having jurisdiction to do so under subchapter 2 of this chapter; or

(C) the respondent was entitled to notice, but notice was not given in accordance with the standards of section 1066 of this title, in the proceedings before the court that issued the order for which enforcement is sought; or

(2) the child custody determination for which enforcement is sought was registered and confirmed under section 1085 of this title but has been vacated, stayed, or modified by a court of a state having jurisdiction to do so under subchapter 2 of this chapter.

(b) The court may award the fees, costs, and expenses authorized under section 1091 of this title and may grant additional relief, including a request for the assistance of law enforcement officials, and set a further hearing to determine whether additional relief is appropriate.

(c) If a party called to testify refuses to answer on the grounds that the testimony may be self-incriminating, the court may draw an adverse inference from the refusal.

(d) A privilege against disclosure of communications between spouses and a defense of immunity based on the relationship of husband and wife or parent and child may not be invoked in a proceeding under this subchapter.

§ 1090. WARRANT TO TAKE PHYSICAL CUSTODY OF CHILD

(a) Upon the filing of a petition seeking enforcement of a child custody determination, the petitioner may file a verified application for the issuance of

a warrant to take physical custody of the child if the child is immediately likely to suffer serious physical harm or to be removed from Vermont.

(b) If the court, upon the testimony of the petitioner or other witness, finds that the child is imminently likely to suffer serious physical harm or to be removed from Vermont, it may issue a warrant to take physical custody of the child. The petition must be heard on the next judicial day after the warrant is executed unless that date is impossible. In that event, the court shall hold the hearing on the first judicial day possible. The application for the warrant must include the statements required by subsection 1088(b) of this title.

(c) A warrant to take physical custody of a child shall:

(1) recite the facts upon which a conclusion of imminent serious physical harm or removal from the jurisdiction is based;

(2) direct law enforcement officers to take physical custody of the child immediately; and

(3) provide for the placement of the child pending final relief.

(d) The respondent must be served with the petition, warrant, and order immediately after the child is taken into physical custody.

(e) A warrant to take physical custody of a child is enforceable throughout Vermont. If the court finds on the basis of the testimony of the petitioner or other witness that a less intrusive remedy is not effective, it may authorize law enforcement officers to enter private property to take physical custody of the child. If required by exigent circumstances of the case, the court may authorize law enforcement officers to make a forcible entry at any hour.

(f) The court may impose conditions upon placement of a child to ensure the appearance of the child and the child's custodian.

§ 1091. COSTS, FEES, AND EXPENSES

(a) The court may award the prevailing party, including a state, necessary and reasonable expenses incurred by or on behalf of the party, including costs, communication expenses, attorney's fees, investigative fees, expenses for witnesses, travel expenses, and child care expenses during the course of the proceedings.

(b) The court shall not assess fees, costs, or expenses against a state unless authorized by law other than this chapter.

§ 1092. RECOGNITION AND ENFORCEMENT; APPEALS

(a) A Vermont court shall accord full faith and credit to an order issued by another state and consistent with this chapter which enforces a child custody determination by a court of another state unless the order has been vacated,

stayed, or modified by a court having jurisdiction to do so under subchapter 2 of this chapter.

(b) An appeal may be taken from a final order in a proceeding under this subchapter in accordance with the Vermont Rules of Appellate Procedure. Unless the court enters a temporary emergency order under section 1074 of this title, the enforcing court may not stay an order enforcing a child custody determination pending appeal.

§ 1093. ROLE OF ATTORNEY GENERAL; ROLE OF LAW ENFORCEMENT

(a) In a case arising under this chapter or involving the Hague Convention on the Civil Aspects of International Child Abduction, the attorney general or a state's attorney may take any lawful action, including resort to a proceeding under this subchapter or any other available civil proceeding to locate a child, obtain the return of a child, or enforce a child custody determination if there is:

- (1) an existing child custody determination;
- (2) a request to do so from a court in a pending child custody proceeding;
- (3) a reasonable belief that a criminal statute has been violated; or
- (4) a reasonable belief that the child has been wrongfully removed or retained in violation of the Hague Convention on the Civil Aspects of International Child Abduction.

(b) The attorney general or a state's attorney acting under this section acts on behalf of the court and shall not represent any party.

(c) At the request of the attorney general or a state's attorney acting under this section, a law enforcement officer may take any lawful action reasonably necessary to locate a child or a party and assist the attorney general or state's attorney with responsibilities under this section.

§ 1094. COSTS AND EXPENSES

If the respondent is not the prevailing party, the court may assess against the respondent all direct expenses and costs incurred by the attorney general or state's attorney and law enforcement officers under section 1093 of this title.

Sec. 9. WESTERN RAIL CORRIDOR GRANT APPLICATION; FY 2012 CONTINGENT BONDING AUTHORITY

The western rail corridor includes connections from points in New York to the corridor between Bennington, Rutland, Burlington, Essex Junction, and St. Albans to points in Canada.

(b) The agency is encouraged to apply for a federal grant to cover, in whole or in part, the cost of upgrading the state's western rail corridor for intercity passenger rail service. In the grant application, the agency is authorized to identify the bonds authorized by this section as a source of state match funds. Upon its completion, the agency shall send an electronic copy of the grant application to the joint fiscal office.

(c) In the event the state is awarded a federal grant as referenced in subsection (b) of this section, the treasurer is authorized in fiscal year 2012 to issue transportation infrastructure bonds in an amount up to \$15,000,000.00 for

the purpose of providing any state matching funds required by the federal grant. The treasurer is authorized to increase the issue of transportation infrastructure bonds in the event the treasurer determines that:

(1) the creation and funding of a permanent debt service reserve is advisable to support the successful issuance of the transportation infrastructure bonds; and

(2) the balance of the TIB fund and the TIB debt service fund as of the end of fiscal year 2011 is insufficient to fund such a permanent debt service reserve.

(d) In the event the state is awarded a federal grant as referenced in subsection (b) of this section:

(1) authority to spend the federal grant funds is added to the fiscal year 2012 transportation program – rail program and the amount of federal funds awarded is appropriated to the fiscal year 2012 transportation – rail program; and

(2) if transportation infrastructure bonds are issued pursuant to subsection (c) of this section to fund the project, authority to spend the bond proceeds on the project in an amount needed to match the federal funds authorized in subdivision (d)(1) of this subsection is added to the 2012 fiscal year transportation program – rail program and that amount is appropriated to the fiscal year 2012 transportation – rail program.

Sec. 10. FISCAL YEAR END 2011 TRANSPORTATION FUND SURPLUS

Subject to the funding of the transportation fund stabilization reserve in accordance with 32 V.S.A. § 308a and notwithstanding 32 V.S.A. § 308c (transportation fund surplus reserve), any surplus in the transportation fund as of the end of fiscal year 2011 up to a maximum amount of \$1,000,000.00 may be transferred to the TIB debt service fund by order of the secretary of transportation, with the approval of the secretary of administration, for the purpose of providing the funds the treasurer deems likely to be needed to satisfy any debt service reserve requirement of transportation infrastructure bonds that may be issued pursuant to the authority granted in Sec. 9 of this act, to pay the issuance costs of such bonds, or to pay debt service obligations due on such bonds in fiscal years 2012 and 2013.

Sec. 11. FISCAL YEAR END 2011 TIB FUND SURPLUS

(b) The secretary's authority under subsection (a) of this section to reduce appropriations is limited to appropriations, the reduction of which, by itself, will not have the effect of significantly delaying the planned fiscal year 2011 work schedule of a project which formed the basis of the project's funding in fiscal year 2011.

(c) When any appropriation is reduced pursuant to this section, the secretary shall report the reduction to the joint fiscal office and to the house and senate committees on transportation when the general assembly is in session, and when the general assembly is not in session, to the joint transportation oversight committee.

Sec. 13. CHANGE TO CONSENSUS REVENUE FORECAST

In the event the July 2011 consensus revenue forecast of fiscal year 2012 transportation fund or TIB fund revenue is increased above the January 2011 forecast, the increase up to \$2,000,000.00 may be transferred to the TIB debt service fund, by order of the secretary of transportation with the approval of the secretary of administration, for the purpose of providing the funds the treasurer deems likely to be needed to satisfy any debt service reserve requirement of transportation infrastructure bonds that may be issued pursuant to the authority granted in Sec. 9 of this act, to pay the issuance costs of such bonds, or to pay debt service obligations due on such bonds in fiscal years 2012 and 2013.

(b) The secretary's authority under subsection (a) of this section to reduce appropriations is limited to appropriations, the reduction of which, by itself, in the context of any spending authorized for the project in the fiscal year 2012 transportation program will not have the effect of significantly delaying the planned work schedule of the project which formed the basis of the project's funding in fiscal years 2012 and 2013.

(c) The agency shall expedite the procedures required to determine the eligibility and certification of federal toll credits with respect to potentially qualifying capital expenditures made by Vermont entities through the end of fiscal year 2011 which, subject to compliance with federal maintenance of effort requirements, would be available for use by the state in fiscal year 2013. The fiscal year 2013 transportation program shall reserve up to \$3,000,000.00 of such potentially available federal toll credits and federal formula funds and authorize the secretary to utilize the federal toll credits and federal formula funds to accomplish the objectives of this section.
