The illustration depicts a whimsical underwater world. In the center, a large, pink, round pearl character with large, expressive eyes and a small smile is the main focus. It has thin, pink legs and is wearing a yellow lei with green leaves and a small white flower. A golden, fan-like accessory is attached to its right side. The pearl character is surrounded by a variety of colorful sea life, including several orange and white striped clownfish, blue striped fish, and a small yellow dog swimming in the upper left. A young boy with spiky orange hair and a blue life preserver is also visible in the upper left. The background is a deep blue, textured sea with various types of coral and seaweed in shades of blue, pink, and yellow. The title 'THE LUCKY PEARL' is written in large, stylized letters, with 'THE LUCKY' in yellow and 'PEARL' in white with a blue outline.
