YAY!
HAVE A FABULOUS BIRTHDAY!

SOON WE CAN HUG *again*

Summer makes way for Autumn.
Daddy's new house has a garden just for us. In a blanket of red, on a carpet of orange . . . we stomp, stomp, stomp.

Nu är det lördag och snart ska kalaset börja.
Mamma och jag äter hallon och blåbär medan
vi väntar på att hårinpackningen ska verka, sen
ska vi göra klart det sista på superhjältetavlan.
