THE NIGHT LIGHTS

WRITTEN BY ZOE TUCKER

THEY WERE HAVING SO MUCH FUN, THEY DIDN'T FEEL THE RUMBLE OF THE ENGINE, OR SEE THE BRIGHT LIGHTS OF THE MOWER AS IT CRAWLED THROUGH THE FIELD BEYOND.

AND LAMPY DIDN'T HEAR HIS MOTHER AS SHE CALLED OUT TO HIM.

Madame Choux beamed at Coco and said "Welcome my sweet! Now then, the secret to life is to follow your dreams. Don't think too hard, just go where your heart takes you. Off you go!"

ACCESS YOUR MAGIC

IT'S IN YOU!

Magic is that special sparkle that fuels our confidence and creativity. We all have it, and just like exercise, if you nurture it and give it attention, you'll grow it. Accessing it takes a little effort and mindfulness but once you start making room for it, you'll see possibilities all around you and the door to success will blow open!

INTUITION

Listen to that pull inside you! The one that makes your tummy drop or raises the hairs on your arm. It's your guide.

NATURE

Notice the trees, grass and sky. What does it sound like? Are there animals? How do you feel?

BREATHING

Breathe in for a count of four seconds, hold for four, breathe out for four, hold for four. Try it three times in a row.

HOT TIPS TO ENHANCE YOUR MAGIC.

JOURNAL Ground your thoughts and gain perspective by getting it all out on paper. Once all that brain clutter is out of there, notice what comes to the surface.

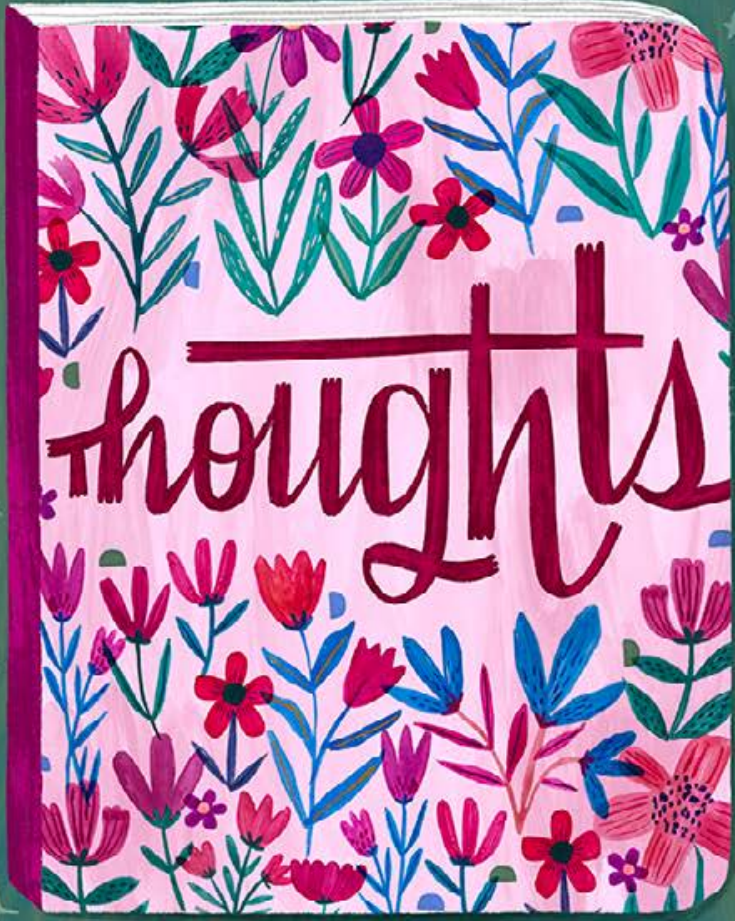

QUIET TIME Go to a quiet room and sit for a spell. It may feel uncomfortable but once you crack through the awkward you'll find heaps of magic right at your fingertips.
