Preface

The state of Maharashtra is blessed with a 720 km. long coastline adoring Konkan region and the Sahyadri mountain range running parallel to it. In addition there are Satpuda and Vindhya mountain ranges. The State is blessed with diverse and rich heritage like ancient forts, rivers flowing through the mountains, dense forests in Vidarbha. It provides ample scope for organizing Land, Air and Water based Adventure Tourism activities. The Tourism Policy 2016 provides for promotion of adventure tourism as well as registration, regulation, monitoring, planning, encouragement, training, etc. of organizers of Adventure Tourism Activities and Adventure training institutes.

Accordingly, a Government Resolution (reference 1 above) was issued on 26.06.2014 prescribing guidelines for organizations conducting Adventure tourism activities on Land, Air and Water. Shri. Vasant Limaye and others filed a writ petition no. 8304/2014 in the Mumbai High Court challenging this Government Resolution. It was pointed out in the petition that due to various shortcomings in the Government Resolution dated 26.06.2014, it would not be possible to implement it due to practical difficulties.

A committee was constituted under the Chairmanship of the Commissioner, Sports and Youth Services to give recommendations to the Government for framing rules/guidelines for organizations/individuals conducting various adventure tourism activities on Land, Air and Water and to make necessary improvements in the Government Resolution dated 26.06.2014 issued by the Department of Tourism and Cultural Affairs. The committee had submitted a draft of the revised Government Resolution to the government. Accordingly, a Government Resolution dated 26 July,

2018 (Reference. 3 above) was issued by the Ministry Of Education and Sports. Shri. Vasant Limaye and others again filed a writ petition No. 490/2019 in the Mumbai High Court challenging the Government Resolution. Hon. High Court directed the government to take appropriate action after conducting a hearing in respect of the said petition.

As per the directions of the High Court, a hearing was conducted on 05.02.2020 under the Chairmanship of Additional Chief Secretary (Sports) which was attended by Principal Secretary (Tourism) and the concerned petitioners. During this hearing, Petitioners and Maha Adventure Council (MAC) President Shri. Vasant Limaye submitted an elaborate presentation regarding their various suggestions about the Government Resolution of 26.07.2018 and the practical difficulties that could arise due to lacunae in the Govt. Resolution. In this hearing, it was decided that since adventure tourism activities fall under the purview of the tourism department, the matter should be referred to the tourism department for taking appropriate action. A meeting was held on 5th May 2020 under the Chairmanship of the Principal Secretary (Tourism) with representatives of the Adventure Tour Operators Association of India (ATOAI) and representatives of other organizations in the field. The guidelines prepared by ATOAI are recommended by the Ministry of Tourism, Government of India. It was decided to develop Safety Guidelines for Maharashtra after making necessary modifications in these guidelines to suit Adventure Tourism activities in Maharashtra and also keeping in mind safety standards prescribed under ISO 21101 and BIS IS\ISO21101: 2014 standards for adventure tourism activities on Land, Air and Water.
