

UNITED STATES DEPARTMENT OF COMMERCE
The Secretary of Commerce
Washington, D.C. 20230

January 18, 2017

Governor Jay Inslee
State of Washington
Olympia, WA 98504-0002

Dear Governor Inslee:

Thank you for your letter requesting a determination of a commercial fishery failure due to a fishery resource disaster. Your request relates to the impacts to the 2015 Grays Harbor and Willapa Bay non-treaty coho salmon fisheries as a result of abnormally high water temperatures that produced unfavorable habitat conditions for salmon and the marine species they rely on.

The National Oceanic and Atmospheric Administration's National Marine Fisheries Service (NMFS) evaluated whether a commercial fishery failure occurred due to a fisheries resource disaster. After reviewing the information provided by the Washington Department of Fish and Wildlife and the NMFS evaluation, I have found that the request for a determination of a commercial fishery failure due to a fishery resource disaster for the 2015 Grays Harbor and Willapa Bay non-treaty coho salmon fisheries meets the requirements for such a finding under Section 312(a) of the Magnuson-Stevens Fishery Conservation and Management Act.

This determination provides a basis for Congress to appropriate disaster relief funding under the MSA, Section 312(a), and then for the NMFS to provide assistance to the State of Washington and the affected communities. If Congress appropriates disaster relief funding, NMFS West Coast Region looks forward to working with the State of Washington and affected tribes to develop a spend plan that will create a more resilient fishery that can better withstand similar environmental disasters in the future. Section 312(a)(3) requires that the Federal share of the cost of any activity carried out under the authority of this subsection shall not exceed 75% of the cost of that activity.

If you have any further questions, please contact Jim Schufreider at (202) 482-3663.

Sincerely,

A handwritten signature in black ink, appearing to read "Penny Pritzker".
