Enter your email and desired username and select the market(s) that you represent. Hold ctrl and click if you represent several markets.

After clicking “Create new account” your request will receive an email notifying you of your pending approval. Once a staff member approves your request you’ll receive another email with a link to set your password. Passwords must be 8 characters long, contain an Uppercase, lowercase, number, and special character. **Please watch your inbox as well as your junk email for these two emails.**

In the future if you wish to edit your email or password, click “My Account” and then the “Edit” button.

If you need to change your market, please email logos@cns.gov.
