EXPLANATION: CAPITALS INDICATE MATTER ADDED TO EXISTING LAW. [Brackets] indicate matter deleted from existing law. Underlining indicates language added to Bill by amendment. Language lined through indicates matter stricken out of Bill by amendment.

1 WHEREAS, to develop a long-term solution to dispose of its solid waste and single
2 stream recyclables, Harford County entered into an agreement with Baltimore County in 2013 to
3 take advantage of infrastructure that already existed within close proximity to Harford County
4 boundaries in an adjoining jurisdiction to provide a regional solution for both jurisdictions; and

5 WHEREAS, Baltimore County constructed a solid waste transfer station at the Eastern
6 Sanitary Landfill (ESL) to accommodate quantities of solid waste and single stream recyclables
7 from both Harford and Baltimore Counties and the transfer station construction has been
8 financed by Baltimore County over a twenty (20) year period, with support from Harford
9 County; and

10 WHEREAS, Baltimore County has arranged for proper transportation and disposal of all
11 solid waste and single stream recyclables delivered to ESL from Harford County; and

12 WHEREAS, the transportation and disposal rates that Baltimore County incurs and
13 Harford County is responsible for reimbursing have increased considerably and are now
14 significantly higher than the rates charged by Harford County to its system users; and

15 WHEREAS, the current cost paid by Harford County to process solid waste is \$117 per
16 ton while the tipping fee charged by Harford County is only \$72 per ton; and

17 WHEREAS, Harford County does not have the infrastructure to manage all the solid
18 waste generated within the County; and

19 WHEREAS, adjusting the proposed tip fee to cover the actual costs under the solid waste
20 disposal agreement with Baltimore County are anticipated to increase the costs to the average
21 household by only \$7.50 a month.

22 NOW, THEREFORE, it is recommended that the fees charged by Harford County to
23 users of the solid waste management system be adjusted to the actual costs incurred by Harford
24 County.

25 Section 1. Be It Enacted By The County Council of Harford County, Maryland that Section
26 157-28, Fees for deposit of solid waste at a county disposal facility, of Article II, Fees, of Chapter

1 157, Licenses and Permits, of the Harford County Code, as amended, be, and they are hereby,
2 repealed and reenacted, with amendments, all to read as follows:

3 **Chapter 157. Licenses and Permits**

4 **Article II. Fees**

5 **§ 157-28. Fees for deposit of solid waste at a county disposal facility.**

6 A. Definitions.

7 **CARGO VAN** - Any van normally intended to haul cargo, materials, supplies and equipment with
8 no side windows behind the driver and front passenger area.

9 **COUNTY DISPOSAL FACILITY** - Any disposal facility, as that term is defined in § 109-1 of the
10 Harford County Code, operated by or under contract for or on behalf of the County, including any
11 facility constructed at the cost of the County by another governmental entity.
