**NOW, THEREFORE BE IT RESOLVED** on this 10<sup>th</sup> day of June, 2024, by the Council of the Town of Leonardtown that:

Section 1. Modification of Town Boundaries. The municipal boundaries of the Town of Leonardtown, Maryland shall be and are hereby amended to incorporate into the Town of Leonardtown the Annexation Property, as shown and described on the Annexation Plat attached as Exhibit A to the Petition. The Annexation Property is also described in the metes and bounds legal description attached as Exhibit B to the Petition. The foregoing shall be subject to technical review and correction by the Town, or its designee, prior to the public hearing to be held on this Annexation Resolution.

Section 2. Amendment of Charter. Pursuant to the authority of Article XI-E of the Constitution of Maryland and Md. Code Ann., Local Gov’t §§ 4-301, et seq. and 4-401, et seq., the Charter of Leonardtown, St. Mary’s County, Maryland (as published in Chapter 87, Volume 5, Compilation of Municipal Charters, and as amended from time to time) be and the same is hereby amended in § 104 of the Charter by adding the following metes and bounds description of the Annexation Property:

“2024 ANNEXATION (Alfred C. Mattingly and Joan C. Mattingly Property)”

See METES AND BOUNDS DESCRIPTION as set forth in Exhibit B to the Petition.

Section 3. Application of Charter and Ordinances. Upon the effective date of this Annexation Resolution, the provisions of the Charter, Code, and ordinances of the Town of Leonardtown, and any local public laws enacted or to be enacted affecting the Town of Leonardtown, shall be effective within the Annexation Property except to the extent that this Annexation Resolution, an Annexation Agreement, or the Annexation Plan provides otherwise.

Section 4. Zoning Classification; Right to Withdraw Request for Annexation.

(a) The Annexation Property is described in full in Exhibit 1 and is vacant and unimproved.

(b) The Annexation Property is currently zoned Residential, Low Density ("RL") by St. Mary's County. Subject to the satisfaction of all statutory and regulatory requirements, including, but not limited to, the review of the Town's Planning Commission and the approval of the Board of County Commissioners of St. Mary's County, it is the Town's intent to apply the Institutional/Office ("I/O") zoning classification to the Annexation Property.

(c) The proposed zoning classification is consistent with nearby property uses and compatible with adjacent zoning. The April 2010 Comprehensive Plan for the Town of Leonardtown, as amended (the "Comprehensive Plan"), designates the Annexation Property as a potential future growth area for the Town. The Annexation Property will be requested to be designated as a growth area in St. Mary's County and within a Priority Funding Area which is eligible for State funding upon annexation. Thus, the Petitioners' annexation request set forth in the Petition is compatible with the Comprehensive Plan.

(d) In conjunction with the adoption of this Annexation Resolution, the Council may introduce and enact an ordinance to provide the intended zoning.

(e) At any time prior to the adoption of this Annexation Resolution, the Petitioners may request to withdraw their Petition subject to the requirements of Section 8.

Section 5. Annexation Plan. The Town has prepared an Annexation Plan with regard to the Annexation Property. The Annexation Plan is attached hereto as Exhibit B but is not part hereof, and the Council reserves the right to amend the Annexation Plan prior to final adoption of this Annexation Resolution in a manner consistent with Md. Code Ann., Local Gov't § 4-415. The Annexation Plan may not be construed in any way as an amendment to this Annexation Resolution. A copy of the Annexation Plan has been provided to the Board of County Commissioners of St. Mary's County and also the Maryland Department of Planning at least thirty (30) days prior to the date of the public hearing conducted by the Council on this Annexation Resolution.

Section 6. Public Hearing and Public Notice.

(a) A public hearing, as required by the provisions of Md. Code Ann., Local Gov't § 4-406, shall be held by the Council at a time to be determined thereby and duly advertised according to the provisions of that statute. Public notice of the proposed public hearing shall be

given at least four (4) times, at no less than weekly intervals, in a newspaper of general circulation in Leonardtown, Maryland, the last day of which public notice shall precede the public hearing by at least fifteen (15) days, all in accordance with the provisions of Md. Code Ann., Local Gov't § 4-406. Upon the first publication of the public notice a copy thereof, including exhibits, shall be provided to:

- i. The Board of County Commissioners of St. Mary's County; and
- ii. Any regional or State planning agency having jurisdiction in St. Mary's County.

(b) Pursuant to Md. Code Ann., Local Gov't § 4-406(b), the Mayor of the Town of Leonardtown or the Town Administrator shall notify any commercial property owners in the area to be annexed of all personal property taxes and fees imposed by the Town and the date, time, and place that the Council sets for the public hearing on this Annexation Resolution.

Section 7. Registration of Boundaries. Within ten (10) days of the effective date of this Resolution, in accordance with the provisions of Md. Code Ann., Local Gov't § 4-414, the Mayor of the Town of Leonardtown, or his designee, shall promptly forward a copy of this Annexation Resolution with the new municipal boundaries to the Town Clerk, the Clerk of the Circuit Court for St. Mary's County, Maryland, and also to the Maryland Department of Legislative Services. Each such official or agency shall hold this Annexation Resolution with the new municipal boundaries on record and available for public inspection.

Section 8. Annexation Agreement and Expenses. The Council is authorized to execute an Annexation Plan, an Annexation Agreement, an agreement for the extension of the public services and facilities, and/or other agreements of a similar nature with regard to the Annexation Property, provided that the terms of this Annexation Resolution shall prevail over any inconsistent term in any such agreement. Pursuant to the Petition, the Petitioners have agreed to be responsible for all fees and expenses incurred by the Town associated with the proposed annexation, including, but not limited to, all legal fees (including the cost of preparing and reviewing the Annexation Resolution, Annexation Plan, and any Annexation Agreement(s)), engineering fees, and advertising expenses. The Petitioners have further agreed to pay all such fees prior to adoption of this Annexation Resolution. Additionally, the Petitioners shall prepare, or cause to be prepared, for the Town a composite plat of the Town's municipal boundaries, inclusive of the Annexation Property.

Section 9. Effective Date. This Annexation Resolution shall be deemed "finally enacted" on the date on which the Council indicates their approval of the Annexation Resolution by affixing their signatures hereto. This Annexation Resolution shall become effective forty-five (45) days after final enactment, unless a petition for referendum has been filed prior thereto in accordance with Md. Code Ann., Local Gov't §§ 4-408, 4-409, 4-410 and 4-412. In the event that a petition for referendum is properly filed, the effective date of this Resolution shall be determined in accordance with Md. Code Ann., Local Gov't § 4-412.

ADOPTED this 10<sup>th</sup> day of June, 2024.

Town of Leonardtown  
Annexation Plan  
**Alfred S. and Joan C. Mattingly Property**  
Leonardtown, St. Mary's County, Maryland

April 15, 2024

**Introduction**

Alfred S. and Joan C. Mattingly are requesting consideration of annexation into the Town of Leonardtown (the "Town") 19.51 acres of land, more or less, consisting of: a parcel known as Parcel 195, on Map 41 pursuant to a Petition for Annexation attached hereto as **Exhibit 1**. The foregoing property is referred to as "Property". This Annexation Plan is submitted in accordance with Md. Local Government Code Ann §§4-401 et seq.

**Property**

Copies of the survey showing the "Property" is attached to the Petition for Annexation as **Exhibit 2**. The Property is described by metes and bounds on **Exhibit 3** attached to the Petition for Annexation. The Property is currently unimproved. The Property is owned by Alfred S. and Joan C. Mattingly.

The Property is currently zoned RL-Residential, Low Density pursuant to the St. Mary's County Comprehensive Zoning Ordinance. The Property is requested to be zoned by the Town as I-O Institutional Office. A neighboring property was recently annexed into the Town as I-O zoning and is planned to house a memory care facility to be owned by the St. Mary's Nursing Center. I-O Zoning is also compatible with the R-MF zoning for the senior housing facility adjacent to the west of the property. The proposed zoning classification is consistent with nearby property uses, compatible with adjacent zoning and consistent with the current St. Mary's County zoning of RL which includes multi family, medical, public safety and educational facilities.

**Compatibility with Town's Comprehensive Plan**

The Comprehensive Plan for the Town of Leonardtown was relatively recently amended to designate the Property within the potential future growth area for the Town. Therefore, this annexation request will be compatible with the Comprehensive Plan for the Town of Leonardtown as amended.

## **Roads**

The Property fronts on Maryland State Route 5 to the South and Cedar Lane Road to the North. There is no proposed project currently for the property. A traffic study would be required as part of the site plan approval process for any project that comes forward in the future.

## **Schools**

As an I-O use there should be minimal to low impact on the school system.

## **Public Safety**

Public safety for property within the Town limits is served by the St. Mary's County, Maryland Sheriff's Department. The Town and the Sherriff's Department have a funding agreement that governs the coverage provided by the Sheriff's Department to the Town. The Property is located within a mile of the Maryland State Police Barracks, the office of the St. Mary's County Sheriff, the Public Safety Office, St. Mary's Hospital and the Advanced Life Support facility. Additionally, the Leonardtown Volunteer Fire Department and the Leonardtown Volunteer Rescue Squad are both less than a mile and a half from the Property, which would be served by these departments whether annexed or not.

## **Recreation**

The Town provides recreation areas for its residents and the surrounding community as well as private facilities that have been built by developers for some of the private communities. Due to the proposed zoning of the Property following annexation, it is anticipated that there should be no adverse impact on the Town's recreation resources.

## **Water and Sewer Service**

A planned 12-inch water main will run parallel to Rt. 5 in front of the Property from the Memory Care facility and a sewer force main is currently in place on the opposite side of Rt. 5 in front of the property for ease of connection. Several years ago, the Town completed construction of a project to loop the water line from Rt. 5 north and increase flow in this area. The Town expects that there should be sufficient public water capacity to accommodate the proposed use of the Property. The Town is currently in final design of a one-million-gallon water storage tank and a 1,100 gallon per minute production well off of Hollywood Road in the Meadows at Town Run II development just to the northwest of Cedar Lane. Both are proposed to be under construction by the end of 2024.

The Town is nearing completion of a major expansion of the Town sewage treatment plant from the current 680,000 gallons per day to 1 million gallons per day. The project is expected to be complete Fall of 2024. The Town expects that there will be sufficient capacity at the expanded wastewater treatment plant to accommodate the Property if annexed.

However, the ultimate determination of adequate public facilities will be made during the site plan approval process based on the final proposed use of the Property. All connections to the public water system and the public sewer system shall require the payment of prevailing impact fees and connection fees. The final location and method of service of public water and public sewer shall be determined as part of the site plan approval process and any improvements as required to satisfy adequate public facilities will have to be made by the Petitioner. The applicable EDUs for water and sewer would be allocated to the Property as part of the site plan approval process.

### **Environmental Impacts**

Preliminary review of the parcel for wetlands, Critical Areas, soil type and habitat protection has been attached. Further investigation will be required when a project is proposed on the property.

### **Financing Public Improvements**

The owners of the Property shall be responsible for the cost of engineering and construction of any infrastructure needed to serve any proposed related improvements.

### **Summary**

The Council of the Town of Leonardtown is in receipt of the Petition for Annexation for the aforesaid property and will consider enactment of the Annexation Resolution subsequent to a public hearing scheduled for June 10, 2024. The annexation of the Property is expected to be a future asset to the Town.
