MICHIGAN'S VOICE OF AGRICULTURE

2022 VOTE RECORD

2022 VOTE RECORD: STATE ISSUES

MICHIGAN AGRICULTURE ENVIRONMENTAL ASSURANCE PROGRAM FUNDING

Michigan Farm Bureau encouraged a yes vote on Senate Bill 494.

The organization supported the bill renewing the fertilizer and pesticide fees farmers and agribusinesses pay for the Michigan Agriculture Environmental Assurance Program. The legislation protected MAEAP by extending the fee collection sunset, keeping fees the same, and ensuring the voluntary program is available statewide.

The bill was signed into law in December 2021.

Score: 25 points

MIOSHA FARM REPORTING

Michigan Farm Bureau encouraged a yes vote on House Bill 4031.

The organization supported the bill that would have created an automatic reduction in fines for family farms when failing to report injuries or fatalities to family members within timelines required by MIOSHA.

The legislation was vetoed in February 2022.

Score: 25 points

EMERGENCY ORDER AUTHORITY

Michigan Farm Bureau encouraged a yes vote on Senate Bill 1.

The organization supported the legislation that would have clarified an emergency health order issued by the Michigan Department of Health and Human Services to address a pandemic can only be in effect for a maximum of 28 days, unless an extension is authorized by both chambers of the Legislature.

The legislation was vetoed in March 2021.

Score: 20 points

ONLINE FARM PLATE RENEWAL

Michigan Farm Bureau encouraged a yes vote on Senate Bill 220.

The organization supported the legislation requiring the Secretary of State to provide an online renewal system for farm, special farm, log or milk plates, at no extra charge. Previously, the only renewal option was first class mail.

The legislation was signed into law in November 2021.

Score: 5 points

COTTAGE FOOD PRODUCTS

Michigan Farm Bureau encouraged a yes vote on House Bills 5671 and 5704.

The organization supported the legislation that would allow cottage food products to be sold by internet or mail order or be delivered by a third-party food delivery platform. Additionally, the bills increase the maximum annual net sales a cottage food operation can have to \$40,000.

The legislation passed the House in March 2022 and awaits consideration by the Senate.

Score: 5 points each

ELECTION VERIFICATION

Michigan Farm Bureau encouraged a yes vote on House Bills 4127 & 4128.

The organization supported the legislation that would have required the Secretary of State to elicit responses from voters with unknown birthdates and voters who have not voted since the 2000 November General Election. Voters failing to respond with their birthday and signature would have their status marked as "challenged." Voters failing to respond with their current address and signature would be removed from the Qualified Voter File.

The legislation was vetoed in April 2022.

Score: 2 points each

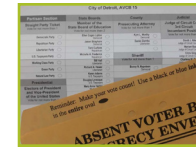

ELECTION VERIFICATION

Michigan Farm Bureau encouraged a yes vote on Senate Bill 277.

The organization supported the legislation that would require county clerks to flag registered deceased voters in the Qualified Voter File and require the Secretary of State to publish a report on the deceased voters that were flagged.

The legislation was vetoed in October 2021.

Score: 2 points

ELECTION VERIFICATION

Michigan Farm Bureau encouraged a yes vote on Senate Bills 303 & 304.

The organization supported the legislation that would require voters that do not provide identification to receive a provisional ballot. Provisional ballots are tabulated if the voter proves their registration status within six days.

The legislation was vetoed by Gov. Whitmer in November 2021.

*Huizenga and Wozniak served partial terms in the House prior to joining the Senate in the Nov. 2021 special election for their respective districts. Their scores reflect votes taken during their time in the House and Senate. Due to the timing of the special election, neither were present for the Nov. 10 vote on SB 494, therefore that bill was omitted from their score.

2022 VOTE RECORD: FEDERAL ISSUES

PAYCHECK PROTECTION PROGRAM

Michigan Farm Bureau encouraged a yes vote on H.R. 1799.

The organization supported the legislation to extend the Paycheck Protection Program (PPP) deadline by two months. The PPP is a low-interest Small Business Administration (SBA) loan program that provides a direct incentive for small businesses to keep their workers on the payroll. The SBA forgives loans if employee retention criteria are met and the funds are used for eligible expenses.

The legislation was signed into law in March 2021.

Score: 20 points

INFRASTRUCTURE INVESTMENT & JOBS

Michigan Farm Bureau encouraged a yes vote on H.R. 3684.

The organization supported the legislation that included \$550 billion in new spending over the next five years. It invests \$110 billion in U.S. roads and bridges, \$65 billion for broadband, and \$17.3 billion for ports and inland waterways.

In addition, this bipartisan agreement includes several provisions designed to boost the resiliency of our farms and rural communities. The bill also included an exemption for livestock and insect haulers from Hours-of-Service regulations within a 150 air-mile radius from their final destination.

The legislation was signed into law in November 2021.

Score: 20 points

OCEAN SHIPPING REFORM

Michigan Farm Bureau encouraged a yes vote on the amendment to H.R. 4521.

The organization supported an amendment to the America COMPETES Act of 2022 that would have incorporated Ocean Shipping Reform Act into the legislation.

The legislation passed the U.S. House in February 2022.

Score: 20 points

BUILD BACK BETTER

Michigan Farm Bureau encouraged a no vote on H.R. 5376.

The organization opposed the legislation that includes about \$2.4 trillion of spending increases and tax cuts over the next decade and would add \$160 billion to the deficit. While the bill no longer contains some of the tax increases that most concerned farmers, the totality of the bill's tax and spending remain concerning enough for Farm Bureau to oppose.

The legislation passed the U.S. House in November 2021.

Score: 15 points

MANDATORY LIVESTOCK REPORTING

Michigan Farm Bureau encouraged a yes vote on H.R. 5290.

The organization supports the legislation that would provide American livestock producers certainty that USDA will continue to issue market reports that provide transparency and price discovery through the authorization of the Livestock Mandatory Reporting.

The legislation passed the U.S. House in December 2021.

Score: 10 points

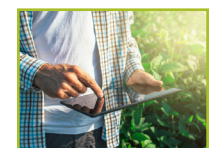

CATTLE CONTRACT LIBRARY

Michigan Farm Bureau encouraged a yes vote on H.R. 5609.

The organization supports the legislation that would require USDA's Agricultural Marketing Service to provide cattle producers with more market transparency by creating a contract library.

The legislation passed the U.S. House in December 2021.

Score: 10 points

RURAL INTERNET DEVELOPMENT

Michigan Farm Bureau encouraged a yes vote on H.R. 3193.

The organization supported the Eliminating Barriers to Rural Internet Development (E-BRIDGE) Act. The bill would remove hurdles for broadband projects under Economic Development Administration grants, including last-mile efforts that often delay rural broadband deployment. It also ensures local communities can partner with the private sector in carrying out broadband projects and gives communities more flexibility in complying with their funding match requirements.

The legislation passed the U.S. House in November 2021.

Score: 10 points

BUDGET RECONCILIATION

Michigan Farm Bureau encouraged a no vote on H. Res. 601.

The organization opposed the \$3.5 trillion budget bill due to increased spending and the need it would create to come up with new revenue, including changes to the tax code that could negatively impact farmers.

The legislation passed the U.S. House in August 2021.

Score: 10 points

2022 VOTE RECORD: FEDERAL ISSUES

PROTECTING WILDERNESS AND PUBLIC LANDS

Michigan Farm Bureau encouraged a no vote on H.R. 803.

The organization opposes the Protecting America's Wilderness and Public Lands Act because of its extreme increase of acres designated as wilderness, the most restrictive federal land use classification.

The legislation passed the U.S. House in March 2021.

Score: 5 points

GROWING CLIMATE SOLUTIONS

Michigan Farm Bureau encouraged a yes vote on S. 1251.

The organization supports the legislation to build climate resilience through voluntary, market-driven programs by providing reliable information about markets, qualified technical assistance providers, and credit protocol verifiers.

The legislation passed the U.S. Senate in June 2021.

Score: 20 points

AMENDMENT TO BUDGET RECONCILIATION

Michigan Farm Bureau encouraged a yes vote on the amendment to S. Con. Res. 14.

The organization supported an amendment to S. Con. Res. 14 to protect current law on the stepped up in basis form of taxation to continue allowing transfer of ownership or operations to family members or others.

The amendment passed the U.S. Senate in August 2021.

Score: 20 points

BUDGET RECONCILIATION TAX PROPOSALS

Michigan Farm Bureau encouraged a no vote on S. Con. Res. 14.

The organization opposed the \$3.5 trillion budget bill. The resolution includes identical content to H. Res. 601.

The legislation passed the U.S. Senate in August 2021.
