BRITTNEY GRINER'S UNFATHOMABLE, UNMISSABLE ACCOUNT IS COMING MAY 7, 2024

From the nine-time women's basketball icon and two-time Olympic gold medalist comes a raw, revelatory account of her unfathomable detainment in Russia and her journey home.

Coming Home

BRITTNEY GRINER with MICHELLE BURFORD

9780593801345

\$30.00 | HC | Biography & Autobiography
Knopf | World
MAY 7, 2024

On February 17, 2022, Brittney Griner arrived in Moscow ready to spend the WNBA offseason playing for the Russian women's basketball team where she had been the centerpiece of previous championship seasons. Instead, a security checkpoint became her gateway to hell when she was arrested for mistakenly carrying under one gram of medically prescribed hash oil. Brittney's world was violently upended in a crisis she has never spoken in detail about publicly—until now.

In *Coming Home*, Brittney finally shares the harrowing details of her sudden arrest days before Russia invaded Ukraine. In haunting and vivid detail, Brittney takes readers inside the horrors of a geopolitical nightmare spanning ten months. And yet *Coming Home* is more than Brittney's journey from captivity to freedom.

In an account as gripping as it is poignant, she shares how her deep love for Cherelle, her college sweetheart and wife of six years, anchored her during their greatest storm; how her family's support pulled her back from the brink; and how hundreds of letters from friends and neighbors lent her resolve to keep fighting.

Coming Home is both a story of survival and a testament to love—the bonds that brought Brittney home to her family, and at last, to herself.
