Virginia General Assembly

REPORT CARD

16th Edition

WHAT IS A FAMILY FOCUSED BILL?

- A bill must relate to the principles of life, marriage, parental authority, constitutional government, or religious liberty.
- A bill must substantially benefit, or harm, the families in Virginia.
- In this report, wherever possible, the most recent or final vote on a piece of legislation was used.
- Votes for identical versions of a bill were used in place of “Not Voting” where applicable.
- Bill co-patrons were also scored for bills that only received committee votes.

WHAT IS THE PRO-FAMILY SCORE?

The pro-family score is an easy to compare number that represents the percentage of votes a legislator voted pro-family on the selected family-focused bills.

The score is determined by dividing the number of pro-family votes cast by a legislator, by the total number of family-focused bills voted on by the legislator in 2020-2021, and multiplying the result by 100 for the percentage.

November 2, 2021 — all three statewide offices (Governor, Lt. Governor, Attorney General) and the entire House of Delegates are on the ballot.

**MANY VOICES.
MIGHTY TOGETHER.**

Our voices—Virginian parents, families, church members, and those who cannot speak, including the unborn—were censored, and even erased in 2020. We can't stay silent. Speak Up! Virginia—a movement that allows us to speak louder together. Join us at FamilyFoundation.org/SpeakUpVirginia
