

SPEAKING TO THE HEART *&* SOUL OF AMERICA

Multimedia with purpose.

SALEM 
MEDIA GROUP™

SUPER-SERVING OUR AUDIENCES: CHRISTIAN AND CONSERVATIVE

Salem Media Group is a market leader in Christian and conservative media—a multimedia company with nearly 100 radio stations, a network of 3,000 affiliates and over 100 web properties generating more than 150 million page views monthly. Our dramatic growth in digital media includes Salem Web Network, Townhall Media, Salem Podcast Network, Salem News Channel and Salem Surround.

Through our National Programming department, our Christian Teaching and Talk-formatted radio stations and OnePlace.com, Salem has partnered with the nation's leading Christian communicators to bring the Gospel message of hope.

Salem is also a national leader in conservative media, providing a constructive voice in our political climate that is equally impactful. Our News Talk stations, nearly 100 talk personalities—both broadcasters and podcasters—and our conservative websites, like Townhall.com and Hot Air.com, are reaching millions daily.

We are convinced that the voices and personalities within Salem Media Group are part of the solution to the spiritual, cultural and public policy challenges facing the nation today.

Salem leverages all our media assets to provide maximum benefit for our partner clients. Salem Media Reps and Salem Surround, our multi-media marketing agency, use a 360-degree approach to help advertisers reach potential customers at every stage of the customer journey.

**EDWARD G.
ATSINGER III**

THE LATE
**STUART W.
EPPERSON, SR.**

Salem's history goes back to the 1970s as Edward Atsinger—now Executive Chairman—and the late Stuart Epperson, began acquiring radio properties.

In 1986, these brothers-in-law combined their assets to create what is now Salem Media Group. Their desire was to create a platform that would have a positive impact on the world as lives are transformed by Christ through the Christian message. The heart conviction that moved these men in those early days remains the foundational motivation for all Salem is doing today.
