

New York Sea Grant

Seafood Eat Food

Local Fresh Safe

Sustainable Seafood Workshop

When: Wednesday, June 14th 2017
9:30 AM to 2:30 PM

Please Join NY Sea Grant for a day on the North Fork to visit and learn how shellfish is farmed on Long island. The tour is FREE and includes a visit to a shellfish hatchery and oyster farm. Snacks and drinks will be provided and we will stop at a local eatery where attendees can grab food to go. For more info on meal options and cost please contact NY Sea Grant by email or phone (below).

Where: Pick up and Drop off will be at Suffolk County Community College
533 College Road,
Selden, NY 11784
