(BoF: Birds of a Feather. Unscheduled talks/meetings around a subject formed by attendees on the spot at the event. Sign up to give a BoF on the whiteboard at registration. First come, first serve.)

Geeks With Guns: 7:00 PM – 8:30 PM ... Blackstone Shooting Sports ... Meet In Covered Drop Off Area Outside Lobby to Carpool

Ham Radio Special Event Station W4L: As volunteer operators are available and willing 24/7, Expo Hall

Craft Beer Bottle Share: What's that? SELF will bring a selection of microbrew beer from throughout the southeast. You are encouraged to bring some microbrew beer from your neck of the woods. When you come up to get one of the free SELF beers, you ideally exchange for one of your own local microbrews which then becomes available for others to select from. Please only bring beer conducive to this, sealed containers only, no growlers, no made-it-at-home, etc. No conditional access based on attendee type ... everybody gets in (though obviously you must be 21 or older to enjoy the craft beer bottle share).

LAN Party: 24/7 in the Lounge, but primetime begins at 8:00 PM. BYOC. Games include: TF2, UT2K4, CS:GO, Factorio
Featured: GTA5 (Private Invite-Only Server, Sell Friendly, No Griefing)
Featured: Minecraft (Snapshot of a large well developed private survival server available on LAN only)
