

# Fiske Kimball Fine Arts Library

## Stacks Guide

### Mezzanine Level

**The Fiske Kimball Fine Arts Library** provides research support and collections for the Schools of Architecture, Art History, Archeology, and the Classics Department. We offer research and software consultation, image scanning, and spaces for quiet study, collaboration, meetings, and video conferencing. In addition, the Fine Arts Library features the Niche, a venue for new video art, the Materials Collection, which contains building samples, and the R Lab, a space dedicated to collaborative work, which has special reservation options to accommodate faculty.
