Student Life uses a collaborative approach that honors the ever-growing experiences and identities of all students and team members and aims to enhance and create transformational learning opportunities through active engagement.

### Justice Focused

Student Life strives to embody liberation, equity, justice by creating a sense of belonging and building a community of support for our students, staff and broader campus.

### Growth Minded

Student Life is forward thinking and innovative in our work to help students and staff develop personally, succeed academically and become leaders of tomorrow.
