GAME OF THRONES Tour

Sail into the amazing world of the Game of Thrones TV series and experience magic of King's Landing on this one of a kind 2-hour tour of locations where the series was filmed. Sail the same ship on which Daenerys Targaryen sailed in the series while enjoying panoramic views of the UNESCO - listed Old Town of Dubrovnik. Gain insider's insight into filming of the series from our experienced tour guide, and feel like a Lannister while exploring hidden alleys of the capital of Seven Kingdoms.

WHAT TO EXPECT

Not only is Dubrovnik a UNESCO World Heritage site, it has also become the capital city of Seven Kingdoms, magnificent King's Landing, overlooking Blackwater Bay.

For the fifth year in a row Dubrovnik is a official filming location for HBO's TV series Game of Thrones (an adaptation of A Song of Ice and Fire, George R. R. Martin's series of fantasy novels). It is also a location for many other scenes. Some locations are visible from the sea (Red Keep, where king Joffrey celebrated his name day – fort Lovrijenac, walls of Dubrovnik, where Tyrion Lannister and Varys took a stroll, City of Qarth – Island of Lokrum, House of the Undying - Bokar and Minčeta forts), others are visited on the walking tour (Park Gradac - Purple wedding setting, Museum Rupe – brothel, The Pile Gate where King Joffrey was faced with riot and many others).

Join us on Karaka ship that was used in the making of Game of Thrones on a cruise around beautiful Dubrovnik. Relax while sipping on a Game of Thrones cocktail while enjoying the views of King's Landing from the sea side, and take unique photos in costumes on the ship and on the Iron Throne, that will be a perfect memory of your visit to magical Westeros. Walk through the Old Town accompanied by our tour guide, discover locations where the series was filmed and interesting details about the characters and events from behind the scenes.

"Growing up at Winterfell, all I ever wanted was to escape, to come here, to the capital. To see the southern knights and their painted armor, and King's Landing after dark. All the candles burning in all those windows..."
