The agency requests public comment on whether other options should be considered for achieving the rules’ substantive goals while reducing the negative economic impact of the rules on business.

Need for the rule(s): Rule amendments are needed to align with Enrolled Senate Bill 418 (2023), improve the efficiency and effectiveness of claims processing, and enhance clarity.

Documents relied upon and where they are available: Senate Bill 418 (2023), rulemaking advisory committee records, and written advice. These documents are available for public inspection upon request to the Workers’ Compensation Division, 350 Winter Street NE, Salem, Oregon 97301-3879. Please contact Daneka Karma, policy manager, 503-509-6785, WCD.Policy@dcbs.oregon.gov.

Fiscal and economic impact: The agency projects the proposed rule amendments, if adopted, will not affect the agency’s cost to carry out its responsibilities under ORS chapter 656 and OAR chapter 436. Possible impacts on stakeholders are included under “Statement of cost of compliance” below.

Statement of cost of compliance:

- 1. Impact on state agencies, units of local government and the public (ORS 183.335(2)(b)(E)):**
 - a. The agency estimates that proposed rule changes will not increase costs to state agencies for compliance with the rules.

- b. The agency estimates that proposed rule changes will not increase or decrease costs to units of local government for compliance with the rules, with the exception of self-insured cities and counties, which are addressed under part c. below.
- c. The agency estimates that proposed rule changes will increase costs to the public for compliance with the rules.
- Proposed amendment to OAR 436-060-0010 requires employers, including self-insured employers, to provide the worker Form 3283 when the employer has the nature or extent of the worker's injury evaluated at an on-site medical service facility. The agency cannot estimate the additional costs incurred, but anticipates the costs would be limited since employers are already required to supply Form 3283 when the worker files a claim for workers' compensation benefits.
 - Proposed amendment to OAR 436-060-0170 would require insurers and self-insured employers to recover overpayments of supplemental disability benefits if requested by the director's assigned processing administrator. Insurers may incur some additional costs for recordkeeping, labor, and increased administration associated with these overpayment recoveries.
 - Insurers and self-insured employers may incur some costs to revise letters and associated computer programs and templates to implement the revisions to mandatory notice language in OAR 436-060-0018, 0020, 0030, 0095, 0105, 0135, 0137.

2. Cost of compliance effect on small business (ORS 183.336):

a. Estimate the number of small businesses and types of business and industries with small businesses subject to the rule:

The businesses affected by the proposed rule amendments are primarily insurers and self-insured employers. However, insurers and self-insured employers tend to be large employers and not small businesses as defined in ORS 183.310.

The revision to OAR 436-060-0010 could affect a small business employer if they use an on-site medical service facility. Oregon has more than 114,500 employers, and a substantial majority of these employers are small businesses, but it is unknown how many small business employers use on-site medical service facilities.

b. Projected reporting, recordkeeping and other administrative activities required for compliance, including costs of professional services:

The agency estimates that the revision to OAR 436-060-0010 may increase costs to small businesses related to providing Form 3283 during an on-site medical service facility evaluation to remain in compliance with the rule. This amendment could affect small business employers if they use an on-site medical service facility, but it is unknown how many small business employers use on-site medical service facilities. The agency cannot estimate the additional costs incurred, but anticipates the costs would be limited since employers are already required to supply Form 3283 when the worker files a claim for workers' compensation benefits.

c. Equipment, supplies, labor and increased administration required for compliance:

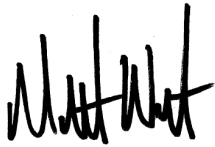

The agency estimates that the revision to OAR 436-060-0010 may increase costs to small businesses related to providing Form 3283 during an on-site medical service facility evaluation to

remain in compliance with the rule. This amendment could affect small business employers if they use an on-site medical service facility, but it is unknown how many small business employers use on-site medical service facilities. The agency cannot estimate the additional costs incurred, but anticipates the costs would be limited since employers are already required to supply Form 3283 when the worker files a claim for workers' compensation benefits.

How were small businesses involved in the development of this rule? The agency sent rule advisory committee invitations to more than 4,500 stakeholders, including representatives of small businesses.

Statement identifying how adoption of the rule will affect racial equity in this state: The Workers' Compensation Division does not collect data about race or ethnicity related to workplace injuries and illness in Oregon, but the United States Bureau of Labor Statistics publishes [lists of occupations and numbers of Americans employed broken down by race](#). Black/African Americans and Hispanic/Latino workers are represented in some of the more dangerous occupations in higher numbers than their respective shares of the U.S. workforce. To the extent Oregon workers in these racial groups suffer more on-the-job injuries and illnesses, increased or decreased workers' compensation benefits may impact these racial groups more than others. The agency does not have sufficient data needed to estimate specific effects on racial equity in Oregon, but invites public input.

Administrative Rule Advisory Committee consulted?: Yes. **If not, why?**

 - (A) The employer must maintain records for five years showing the name of the worker, the date of the accident, the nature of the injury and treatment provided; and

(4) Time frame for aggravation rights.

A claim for aggravation under ORS 656.273 must be filed within five years after:

- (a) The first valid closure of a claim that is reclassified from nondisabling to disabling within one year from the date of acceptance; or
- (b) The date of injury of a claim that is not reclassified from nondisabling to disabling within one year from the date of acceptance.

(5) Claims for aggravation on nondisabling claims.

(6) Reclassification of a disabling claim.

If a claim has been accepted and classified as disabling:

- (a) All aspects of the claim are classified as disabling and may not be reclassified, unless:
 - (A) The claim has been classified as disabling for less than one year from date of acceptance;
 - (B) The insurer determines the criteria for a disabling claim were never satisfied; and
 - (C) The insurer has notified the worker and the worker's attorney, if any, by issuing a Modified Notice of Acceptance. The Modified Notice of Acceptance must include ~~the~~ following:

(i) The following statement in bold text:

“Notice to Worker: Your claim has been reclassified to nondisabling. Generally, this means your insurer concluded no disability payments are due and all of the following are true:

You did not lose time or wages from work as a result of your injury on or after that fourth calendar day.

It appears you will not have any permanent disability as a result of your injury.

If you think there is a mistake in the classification of your claim as nondisabling, contact the insurer within one year of the date the insurer first accepted your claim and request reclassification.

(a) The request must be submitted to the division by mail, hand-delivery, fax, or phone within 60 days from the date of the insurer's notice;

(D) After receipt and review of the required documents, the director will issue an order:

(i) The worker and the insurer have 30 days from the mailing date of the order to appeal the director's decision to the board; and

(ii) The director may reconsider, abate, or withdraw any order before the order becomes final by operation of law.

436-060-0019 Determining and Paying the Three-Day Waiting Period**(1) Determining the three-day waiting period.**

The three-day waiting period is three consecutive calendar days, beginning with the first day the worker leaves work or loses wages as a result of the compensable injury, subject to the following:

- (a) If the worker leaves work, but returns and completes the work shift without loss of wages, that day is not considered to be the first day of the three-day waiting period;
- (b) If the worker leaves work, but returns and completes the work shift and receives reduced wages, that day is considered to be the first day of the three-day waiting period;
- (c) If the worker leaves work and does not complete the work shift, that day is considered to be the first day of the three-day waiting period, even if there is no loss of wages; and
- (d) If the worker leaves work or loses wages during a work shift that extends into another calendar day, the first day of the three-day waiting period is the date the employer uses for payroll purposes.

(2) Authorization of temporary disability.

Authorization of temporary disability under OAR 436-010-0210 is not required to begin the three-day waiting period.

(3) Paying the three-day waiting period.

No temporary disability compensation is due to the worker for the three-day waiting period, unless temporary disability is authorized under OAR 436-010-0210, and:

- (a) The worker is totally disabled after the injury, and the total disability continues for a period of 14 consecutive days; or
- (b) The worker is admitted as an inpatient to a hospital within 14 days of the first onset of total disability.

(4) Amount due when the three-day waiting period is payable.

When the worker is eligible for compensation for the three-day waiting period under section (3) of this rule, the amount due and payable is determined by applying the following:

- (a) If the worker left work during the first half of the shift on the first day of the three-day waiting period, and did not return to complete the shift, the worker must be paid compensation for one half of that day; or
- (b) If the worker left work during the second half of the shift on the first day of the three-day waiting period, the worker is not due compensation for that day.

(5) Worker employed with varying days off or a cyclic work schedule.

If a worker is employed with varying days off or a cyclic work schedule, the three-day waiting period must be determined using the work schedule of the week the worker first leaves work or loses wages as a result of the injury.

(6) Worker no longer employed with the employer at injury.

If the worker is no longer employed with the employer at injury, or does not have an established schedule when the worker leaves work or loses wages, the three-day waiting period and scheduled days off must be based on the work schedule of the week the worker was injured.

436-060-0020 Payment of Temporary Total Disability Compensation

(1) Employer payment of temporary disability.

An employer may pay temporary disability compensation with the approval of the insurer. If the insurer approves an employer to make such payment:

- (a) The insurer continues to be responsible for determining the worker's entitlement to compensation, and ensuring timely payment of compensation;
- (b) The employer must provide the insurer with payment documentation that is adequate to meet the insurer's responsibilities; and
- (c) The insurer must reimburse the employer for any temporary disability compensation paid to the worker under this section.

(2) Persons who have withdrawn from the workforce.

No temporary disability is due and payable for any period of time in which the person has withdrawn from the workforce. For the purpose of this rule, a person who has withdrawn from the workforce, includes, but is not limited to:

- (a) A person who, before a claim reopening under ORS 656.267, 656.273 or 656.278, was not working and made no reasonable efforts to obtain employment, unless such efforts would be futile as a result of the compensable injury.
- (b) A person who was a full-time student for at least six months in the 52 weeks before the date of injury who elects to return to school full time, unless the person can establish a prior customary pattern of working while attending school. For purposes of this subsection, "full time" is defined as twelve or more quarter hours or the equivalent.

(3) Authorization of temporary disability compensation.

No compensation is due and payable after the worker's attending physician or authorized nurse practitioner ceases to authorize temporary disability, or for any period of time when temporary disability benefits are not authorized by a medical service provider under ORS 656.245(2)(b). Temporary disability compensation is authorized when:

- (a) The medical service provider provides the insurer or employer with oral or written verification of the worker's inability to work;

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

(b) Documents in the insurer's possession at claim closure reasonably reflect the worker's inability to work. For the purposes of this rule "documents" and "possession" have the same meaning as in OAR 436-060-0017(1); or

(c) The director determines, at reconsideration of claim closure, there is sufficient contemporaneous medical documentation to reasonably reflect the worker's inability to work under ORS 656.268.

(4) Lack of verification of inability to work.

No temporary disability is due and payable for any period of time during which the insurer has requested from the worker's attending physician or authorized nurse practitioner verification of the worker's inability to work and the physician or authorized nurse practitioner cannot verify it, unless the worker has been unable to receive treatment for reasons beyond the worker's control.

(a) Before withholding temporary disability under this section, the insurer must ask the worker whether a reason beyond the worker's control prevented the worker from receiving treatment.

(A) If no valid reason is found or the worker does not respond or cannot be located, the insurer must document its file regarding those findings.

(B) The insurer must provide the director a copy of the documentation within 20 days, if requested.

(b) If the attending physician or authorized nurse practitioner is unable to verify the worker's inability to work, the insurer may not end temporary disability benefits until written notice has been mailed or delivered under OAR 436-060-0015(7).

(c) When verification of temporary disability is received from the attending physician or authorized nurse practitioner, the insurer must pay temporary disability within 14 days of receiving the verification of any authorized period of temporary disability, unless otherwise denied.

(5) Suspension of benefits.

An insurer may suspend temporary disability benefits without authorization from the director when all of the following circumstances apply:

(a) The worker missed a regularly scheduled appointment with the attending physician or authorized nurse practitioner;

(b) The insurer sent a letter by certified mail to the worker and a letter to the worker's attorney, at least 10 days in advance of a rescheduled appointment, stating that the appointment has been rescheduled with the worker's attending physician or authorized nurse practitioner, stating the time and date of the appointment, and giving:

(A) The following notice, in prominent or bold ~~textface-type~~ text:

(c) The insurer verifies that the worker has missed the rescheduled appointment; and

(d) The insurer sends a letter to the worker, the worker's attorney and the division giving the date of the regularly scheduled appointment that was missed, the date of the rescheduled appointment that was missed, the date of the letter being the day benefits are suspended, and:

(A) The following notice, in prominent or bold textface type:

We notified you of the new appointment by certified mail and warned you that your benefits would be suspended if you failed to attend. Since you failed to attend the new appointment, your temporary disability benefits have been suspended. (6) Verbal release to work.

If temporary disability benefits end because the insurer or employer negotiates a verbal release of the worker to return to any type of work with the worker's attending physician or authorized nurse practitioner, and the worker has not been informed of the release by the attending physician or authorized nurse practitioner or returned to work, the insurer must:

- (a) Document the facts;
- (b) Communicate the release to the worker by mail within seven days. The communication to the worker of the negotiated return-to-work release may be contained in an offer of modified employment; and
- (c) Advise the worker of their reinstatement rights under ORS chapter 659A.

(7) Temporary disability from two or more claims.

When a worker is due concurrent temporary disability under ORS 656.210 or ORS 656.212 as a result of two or more accepted claims:

- (a) The director may order one of the insurers to pay the entire amount of temporary disability due; or make a pro rata distribution between two or more of the insurers;
- (b) The insurers may request for the director to make a pro rata distribution of compensation due. The request must be in writing, and the insurer must provide a copy to the worker and the worker's attorney, if any;
- (c) The director's pro rata order does not apply to:
 - (A) Any periods of interim compensation payable under ORS 656.262; or
 - (B) Any benefits due under ORS 656.214 or 656.245;
- (d) Claims subject to the pro rata order must be closed under OAR 436-030 and ORS 656.268, when appropriate;
- (e) The pro rata distribution ordered by the director only applies to benefits due as of the date all claims involved are in an accepted status. The order pro rating compensation will not apply to periods where any claim involved is in a deferred status;
- (f) The insurers may not prorate temporary disability without the approval of the director, except when the claims involve the same worker, the same employer, and the same insurer. When the insurer prorates temporary disability under this subsection the worker must receive compensation at the highest temporary disability rate of the claims involved.

(8) Premature closure.

If a closure under ORS 656.268 has been found to be premature and there was an open ended authorization of temporary disability at the time of closure, the insurer must begin payments under ORS 656.262, including retroactive periods, and pay temporary disability for as long as authorization exists or until there are other lawful bases to terminate temporary disability.

(9) Incorrectly denied claims.

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION

If a denied claim has been determined to be compensable by final order, the insurer must begin temporary disability payments under ORS 656.262, including retroactive periods, if the authorization for temporary disability was open ended at the time of denial, and there are no other lawful bases to terminate temporary disability.

436-060-0025 Worker's Weekly Wage Calculation and Rate of Temporary Disability Compensation

(1) Continuation of wages, insured employers.

An employer may not continue to pay wages in place of temporary disability benefits. However, with the worker's consent, the employer may pay the worker amounts in addition to the temporary disability benefits due to the worker, if the employer:

- (a) Identifies temporary disability benefits separately from other payments; and
- (b) Does not withhold payroll deductions from the temporary disability benefits.

(2) Continuation of wages, self-insured employers.

Notwithstanding section (1) of this rule, a self-insured employer may continue to pay the same wage at the same pay interval that the worker received at the time of injury. Such payment qualifies as timely payment of temporary disability under ORS 656.210 and 656.212. If the self-insured employer continues to pay wages in place of temporary disability benefits under this section:

- (a) Normal deductions including but not limited to, taxes, benefits, and voluntary deductions, must be withheld;
- (b) The claim must be classified as disabling;
- (c) The self-insured employer must report to the division the rate and duration of temporary disability that would have been paid had wages not continued; and
- (d) If the pay interval changes or the amount of wages decreases, the worker must be paid temporary disability as otherwise prescribed by the workers' compensation law.

(3) Rate of compensation, generally.

Except when payments are made under section (2) of this rule, the worker must receive compensation as calculated under ORS 656.210 during the period of temporary total disability, subject to the following:

- (a) The benefits of a worker who incurs an injury must be based on the worker's wages at the time of injury and may include regular wages, irregular wages, or both;
- (b) The benefits of a worker who incurs an occupational disease must be based on the worker's wages at the time there is medical verification the worker is unable to work because of the disability caused by the occupational disease and may include regular

WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

wages, irregular wages, or both. If the worker is not working at the time there is medical verification the worker is unable to work because of the disability caused by the occupational disease, the benefits must be based on the worker's wages at the worker's last regular employment;

(c) The benefits of a worker who was employed in multiple jobs at the time of injury, and who is eligible for supplemental disability under ORS 656.210(2)(b) and OAR 436-060-0035, must be based on the worker's earnings from all eligible subject employment under OAR 436-060-0035;

(d) For a worker with a cyclic schedule, the cycle must be considered to have no scheduled days off; and

(e) When a work shift extends into another calendar day, the date of injury used to determine the wage under this section is the date the employer used for payroll purposes.

(4) Calculation of irregular wages.

If the worker receives irregular wages, the insurer must calculate the worker's irregular wages to determine the worker's average weekly wage based on the weekly average of the worker's irregular wages for the period up to 52 weeks before the date of injury or verification of disability caused by occupational disease, subject to the following:

(a) As used in this section:

(A) "**New wage earning agreement**" means the worker's wage earning agreement changed for reasons other than only a pay rate change, including but not limited to a change of hours worked or a change of job duties. A job assignment from a temporary service provider or worker leasing company as defined in OAR 436-180 is not considered to be a new wage earning agreement.

(B) "**Pay rate change**" means an increase or decrease in a previously established pay rate.

(b) If, on the date of injury or verification of disability caused by occupational disease, the worker had been employed by the employer at injury for four weeks or more, and the most recent new wage earning agreement had been in place for four weeks or more, the insurer must average the worker's irregular wages for the period up to 52 weeks of employment before the date of injury or verification of disability caused by occupational disease, subject to the following:

(A) The insurer must exclude any **gap in earnings** of more than 14 consecutive calendar days that was not anticipated in the wage earning agreement;

(B) If the worker began work under a **new wage earning agreement** in the 52 weeks before the date of injury or verification of disability caused by occupational disease, and there has been **no pay rate change** since the beginning of that work, the insurer must average irregular wages only for the weeks worked under the most recent wage earning agreement; and

(C) When there has been a **pay rate change** during the 52 weeks before the date of injury or verification of disability caused by occupational disease, and paragraph

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

(b)(B) of this section does not apply, the insurer must calculate the worker's average weekly hours worked at each pay rate since a new wage earning agreement went into place, but not to exceed 52 weeks. The average weekly hours worked at each pay rate must then be multiplied by the pay rate(s) at the time of injury or verification of disability caused by occupational disease to determine the worker's average weekly wage for these wages. For the purpose of this rule, the "average weekly hours worked" includes all hours paid at an hourly rate which resulted in payment of irregular wages since the new wage earning agreement went into place, but not to exceed 52 weeks. This may include, but is not limited to, pay for regular hours, overtime, vacation, sick leave, paid time off, or bereavement leave. If there are irregular wages not paid at an hourly rate, the worker's average weekly wage under this paragraph must be added to the average of all of those other irregular wages paid at something other than an hourly rate.

(c) If, on the date of injury or verification of disability caused by occupational disease, the worker was employed by the employer at injury for **less than four weeks**, or the worker's most recent new wage earning agreement had been in place for less than four weeks, the insurer must base the rate of compensation on the intent of the worker's wage earning agreement in place at the time of injury or verification of disability caused by occupational disease, as confirmed by the employer and worker.

(5) Calculation of regular wages.

If the worker receives regular wages, the insurer must calculate the worker's regular wages to determine the worker's average weekly wage:

- (a) Daily wages must be multiplied by the number of days per week the worker was regularly employed;
- (b) Monthly wages must be divided by 4.35; or
- (c) Wages for other pay intervals must be calculated on an equivalent basis.

(6) Workers with no wages.

If the worker is a volunteer, adult in custody, or other covered worker that receives no wages, the insurer must calculate the rate of compensation based on the assumed wage used to determine the employer's premium.

(7) Owners and corporate officers.

If the worker is a sole proprietor, partner, officer of a corporation, or limited liability company member, the insurer must calculate the rate of compensation based on the assumed wage used to determine the employer's premium.

(8) Workers employed through a union hiring hall.

For workers employed through a union hiring hall, the insurer must calculate the rate of compensation on the basis of a five-day work week at 40 hours a week, regardless of the number of days actually worked per week.

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

(a) The rate of compensation for workers employed through a union hiring hall with dates of injury on or after January 1, 2018, must be calculated under this section.

(b) The rate of compensation for workers employed through a union hiring hall with dates of injury from January 1, 2017, through December 31, 2017, must be calculated under this section, unless such calculation would result in a reduction of benefits.

(9) Wage disputes.

If the worker disputes the wage used to calculate the rate of compensation, the insurer must attempt to resolve the dispute by reviewing its records and mathematical calculations, or by contacting the employer to confirm the correct wage. The insurer must then contact the worker with the results of its review and, if the wage was corrected, the new calculation. If the worker does not agree with the wage calculated by the insurer, the worker may request a hearing under OAR 436-060-0008.

436-060-0030 Payment of Temporary Partial Disability Compensation

(1) Rate of temporary partial disability.

The amount of temporary partial disability compensation due a worker must be determined by multiplying the worker's rate of compensation for temporary total disability by the percentage of wages lost by the worker post injury.

(a) To calculate the rate of temporary disability, the insurer must:

(A) Subtract the worker's post-injury wages from any kind of work from the worker's wages at the time of injury under OAR 436-060-0025;

(B) Divide the difference under paragraph (A) by the worker's wages at the time of injury under OAR 436-060-0025 to arrive at the percentage of loss of wages; and

(C) Multiply the worker's current rate of compensation for temporary total disability by the percentage of loss of wages in paragraph (B).

(b) As used in this rule "post-injury wages" means the sum of:

(A) The wages the worker could have earned by accepting a job offer, or actual wages earned, whichever is greater;

(B) Any unemployment benefits received; and

(C) Any wages received for paid leave, except wages paid in addition to temporary disability compensation with the worker's consent under OAR 436-060-0025(1);

(c) If a worker is not eligible for supplemental disability under OAR 436-060-0035,

extent that the wages from the secondary employer post-injury exceed the wages from the secondary employer at the time of injury.

(d) If the worker's rate of temporary total disability compensation is based on an assumed wage, the rate of temporary partial disability must be calculated by multiplying the rate of temporary total disability by the percentage of hours lost by the worker post injury.

(2) If the worker returns to employment.

The insurer must stop paying temporary total disability compensation and start paying temporary partial disability compensation from the date an injured worker returns to regular or modified employment, prior to claim closure.

(a) If the worker is with a new employer, and the insurer asks the worker to provide wage information, the worker is responsible for providing documented evidence of the amount of any wages being earned; and

(b) If the worker fails to provide documentation, the insurer may assume that post-injury wages are the same as or higher than the worker's wages at time of injury.

(3) If the worker fails to begin employment.

Except when the worker refuses modified work under ORS 656.268(4)(c), the insurer must stop paying temporary total disability compensation and start paying temporary partial disability compensation as if the worker had begun the employment from the date a worker fails to begin regular or modified employment, and the following conditions have been met:

(a) The employer or insurer:

(A) Notified the attending physician or authorized nurse practitioner of the physical tasks to be performed by the injured worker;

(B) Notified the attending physician or authorized nurse practitioner of the location of the modified work offer; and

(C) Asked the attending physician or authorized nurse practitioner if the worker can, as a result of the compensable injury, physically commute to and perform the job.

(b) The attending physician or authorized nurse practitioner agreed the employment appears to be within the worker's capabilities, and considering the compensable injury the worker is physically able to commute the lesser of the distance from:

(A) The worker's residence at the time of injury to the work site; or

(B) The worker's residence at the time of the modified work offer to the work site; and

(c) The employer or insurer confirmed the offer of employment in writing to the worker stating:

(A) The beginning time, date, and place;

(B) The duration of the job, if known;

(C) The wages;

- (D) An accurate description of the physical requirements of the job;
- (E) The attending physician or authorized nurse practitioner has found the job to be within the worker's capabilities and the commute to be within the worker's physical capacity;
- (F) The worker's right to refuse the offer of employment without termination of temporary total disability if any of the following conditions apply:
- (i) The offer is at a site more than 50 miles from the location where the worker was injured or where the worker customarily reported for work, unless the work site is less than 50 miles from the worker's residence, or the job at the time of injury involved multiple or mobile work sites as established by the intent of the employer and worker at the time of hire or the employment pattern before the injury;
 - (ii) The offer is not with the employer at injury;
 - (iii) The offer is not at a work site of the employer at injury;
 - (iv) The offer is not consistent with existing written shift change policy or common practice of the employer at injury or aggravation; or
 - (v) The offer is not consistent with an existing shift change provision of an applicable union contract; and

(G) The following notice:

(i), iIn prominent or bold face texttype:

"If you refuse this offer of work for any of the reasons listed in this notice, you should write to the insurer or employer and tell them your reasons for refusing the job. If the insurer reduces or stops your temporary total disability and you disagree with that action, you have the right to request a hearing. To request a hearing you must send a letter objecting to the insurer's actions to the Worker's Compensation Board, 2601 25th Street SE, Suite 150, Salem, Oregon 97302-1282."

(ii) Effective no later than Oct. 1, 2024, the text in (G)(i) of this subsection must be replaced with the following language in bold and formatted as follows:

If you refuse this offer of work for any of the reasons listed in this notice, you should:

- Write to the insurer or employer, and**
- Tell them your reasons for refusing the job.**

If the insurer reduces or stops your temporary total disability, you may appeal by requesting a hearing. To request a hearing, send a letter objecting to the insurer's actions to:

(4) If the worker has been terminated from employment.

The insurer must stop paying temporary total disability compensation and start paying temporary partial disability compensation as if the worker had begun the employment from the date the worker's attending physician or authorized nurse practitioner approves employment in a modified job that would have been offered to the worker if the worker had not been terminated from employment for violation of work rules or other disciplinary reasons, under the following conditions:

- (a) The employer has a written policy of offering modified work to injured workers;
- (b) The insurer has written documentation of the hours available to work and the wages that would have been paid if the worker had returned to work in order to determine the amount of temporary partial disability compensation under section (1) of this rule;
- (c) The attending physician or authorized nurse practitioner has been notified by the employer or insurer of the physical tasks to be performed by the injured worker; and
- (d) The attending physician or authorized nurse practitioner agrees the employment appears to be within the worker's capabilities.

(5) If the worker is in violation of federal immigration law.

The insurer must stop paying temporary total disability compensation and start paying temporary partial disability compensation as if the worker had begun the employment when the attending physician or authorized nurse practitioner approves employment in a modified job whether or not such a job is available if the worker is a person present in the United States in violation of federal immigration laws, under the following conditions:

- (a) The insurer has written documentation of the hours available to work and the wages that would have been paid if the worker had returned to work in order to determine the amount of temporary partial disability compensation under section (1) of this rule;
- (b) The attending physician or authorized nurse practitioner has been notified by the employer or insurer of the physical tasks that would have been performed by the injured worker; and
- (c) The attending physician or authorized nurse practitioner agrees the employment appears to be within the worker's capabilities.

(6) If the modified job no longer exists or offer is withdrawn.

Temporary partial disability must be paid at the full temporary total disability rate as of the date a modified job no longer exists or the job offer is withdrawn by the employer.

- (a) This section applies to situations including, but not limited to, termination of temporary employment, layoff, or plant closure.

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

(b) A worker who has been released to and doing modified work at the same wage as at the time of injury from the onset of the claim is subject to this section.

(c) For the purpose of this rule, when a worker who has been doing modified work quits the job, or the employer terminates the worker for violation of work rules or other disciplinary reasons, it is not a withdrawal of a job offer by the employer, but must be considered the same as the worker refusing wage earning employment under ORS 656.325(5)(a).

(d) This section does not apply to those situations described in sections (3), (4), and (5) of this rule.

(7) Termination of temporary partial disability.

When the worker's disability is partial only and temporary in character, temporary partial disability compensation under ORS 656.212 must continue until:

(a) The attending physician or authorized nurse practitioner verifies the worker can no longer perform the modified job and is again temporarily totally disabled;

(b) The compensation is terminated by order of the director or by claim closure under ORS 656.268; or

(c) The compensation is lawfully suspended, withheld, or terminated for any other reason.

(8) Verbal release to work.

If temporary disability benefits end because the insurer or employer negotiates a verbal release of the worker to return to any type of work with the worker's attending physician or authorized nurse practitioner, and the worker has not been informed of the release by the attending physician or authorized nurse practitioner or returned to work, the insurer must:

(a) Document the facts;

(b) Communicate the release to the worker by mail within seven days. The communication to the worker of the negotiated return-to-work release may be contained in an offer of modified employment; and

(c) Advise the worker of their reinstatement rights under ORS chapter 659A.

(9) Changes in the rate of compensation.

When the insurer stops paying temporary total disability compensation and starts paying temporary partial disability compensation, or changes the compensation rate or the method of computation of benefits under this rule, the insurer must send written notice to the worker and worker's attorney, if any, under OAR 436-060-0015.

436-060-0035 Supplemental Disability for Workers with Multiple Jobs at the Time of Injury

(1) For the purpose of this rule:

- (a) "**Primary job**" means the job at which the injury occurred, or the job where the worker was employed at the time of medical verification that the worker is unable to work because of disability caused by occupational disease;
- (b) "**Secondary job**" means any other job held by the worker in Oregon subject employment at the time of injury;
- (c) "**Temporary disability**" means wage loss replacement for the primary job;
- (d) "**Supplemental disability**" means wage loss replacement for the secondary jobs that exceeds the temporary disability, up to, but not exceeding, the maximum established by ORS 656.210; and
- (e) "**Insurer**" has the same meaning as OAR 436-060-0005(13), and also includes service companies.

(2) Election to process and pay supplemental disability.

An insurer may elect to be responsible for payment and processing of supplemental disability benefits to a worker employed in more than one job at the time of injury. The insurer is not required to inform the director of its election if it elects to process and pay supplemental disability, unless the insurer's last notice to the director was that it would not process and pay supplemental disability. If the insurer informs the director of its election, the insurer must report its election to the director under OAR 436-060-0011(12).

- (a) The election must be made by the insurer, and applies to all service companies an insurer may use for processing claims.
- (b) The election remains in effect for all supplemental disability claims the insurer receives until the insurer changes its election.
- (c) If the insurer has elected to process and pay supplemental disability benefits:
 - (A) The insurer must determine the worker's ongoing entitlement to supplemental disability;
 - (B) The insurer must pay the worker supplemental disability benefits simultaneously with any temporary disability benefits due;
 - (C) The insurer must maintain a record of supplemental disability benefits paid to the worker, separate from temporary disability benefits paid as a result of the job at injury; and
 - (D) The director will reimburse the insurer for supplemental disability paid under OAR 436-060-0500.
- (d) If the insurer has elected not to process and pay supplemental disability benefits:
 - (A) The director will select an assigned processing administrator who is authorized to process and pay supplemental disability benefits on behalf of the director;

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

(B) The assigned processing administrator must determine the worker's ongoing entitlement to supplemental disability and must pay the worker supplemental disability benefits due once each 14 days; and

(C) The insurer and assigned processing administrator must cooperate and communicate, as necessary, to coordinate benefits due.

(i) The assigned processing administrator must provide the insurer with any verifiable documentation of wages from a secondary job received from the worker; and

(ii) The insurer and assigned processing administrator must retain documentation of shared information.

(3) Eligibility for supplemental disability.

A worker who was employed at one or more secondary jobs with Oregon subject employers at the time of injury or medical verification of an occupational disease may be eligible to receive supplemental disability if:

(a) The worker provides notification of the secondary job to the insurer within 30 days of the insurer's receipt of the initial claim;

(b) The rate of compensation for wages at the primary job under OAR 436-060-0025 is less than the maximum temporary disability rate established under ORS 656.210; and

(c) The worker provides verifiable documentation of the wages from any secondary jobs at the time of injury or medical verification of an occupational disease within 60 days of the mailing date of the request for documentation sent under section (4) of this rule. For each secondary job, the documentation must:

(A) Identify the Oregon subject employer for each secondary job;

(B) Establish that the worker held the secondary job, in addition to the primary job, at the time of injury or medical verification of occupational disease; and

(C) Provide adequate information to calculate the average weekly wage under OAR 436-060-0025.

(4) Determination of eligibility.

Upon receiving notification of a worker's secondary job the insurer must determine the rate of temporary disability compensation for wages at the primary job under OAR 436-060-0025, and:

(a) If the rate of temporary disability compensation meets or exceeds the maximum temporary disability rate, the worker is not eligible for supplemental disability benefits; or

(b) If the rate of temporary disability is less than the maximum temporary disability rate, the worker may be eligible for supplemental disability benefits. If the worker may be eligible for supplemental disability benefits, the insurer must:

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

(A) Mail the worker a request for verifiable documentation of the worker's wages from any secondary jobs within five business days of notice or knowledge that the worker may be eligible for supplemental disability benefits;

(i) The request must inform the worker what verifiable documentation the worker must submit to the insurer or assigned processing administrator, to determine the worker's eligibility for supplemental disability;

(ii) The request must clearly state that if the insurer or assigned processing administrator does not receive the required documentation within 60 days of the mailing date of the request, the insurer will determine the worker's temporary disability rate based only on the job at which the injury occurred, and the worker will be found ineligible for supplemental disability;

(B) If the insurer has elected not to process and pay supplemental disability benefits under section (2) of this rule, the insurer must also send a copy of the request to the assigned processing administrator. In addition to the requirements of this section, the request must also:

(i) Contain the name, address, email address, and telephone number of the assigned processing administrator;

(ii) Clearly advise the worker that the verifiable documentation must be sent to the assigned processing administrator; and

(C) The insurer or assigned processing administrator must determine the worker's eligibility for supplemental disability within 14 days of:

(i) Receipt of the worker's verifiable documentation; or

(ii) The end of the 60-day period in the insurer's request, if the worker does not provide verifiable documentation.

(c) Any delay in the payment of a higher disability rate because of the worker's failure to provide verifiable documentation under this section will not result in a penalty under ORS 656.262(11).

(5) Notification of eligibility determination.

The insurer or the assigned processing administrator must determine the worker's eligibility for supplemental disability and must communicate the determination to the worker and the worker's attorney, if any, in writing. If the worker is found ineligible for supplemental disability, the letter must also advise the worker of the reason why they are not eligible, and how to appeal if the worker disagrees with the determination.

(6) Calculation of supplemental disability.

The insurer or the assigned processing administrator must calculate supplemental disability for an eligible worker by adding the weekly averages of the worker's wages from each secondary job as calculated under OAR 436-060-0025. For the purposes of calculating and payment of supplemental disability:

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

- (a) The total rate of supplemental disability may not exceed the difference between the maximum rate of temporary disability under ORS 656.210(1) and the rate of compensation for wages under the worker's primary job;
- (b) No supplemental disability is due for jobs where the rate of compensation is based on an assumed wage;
- (c) In no case may an eligible worker receive less compensation than would be paid if based solely on wages from the primary employer;
- (d) The worker's scheduled days off for the primary job must be used to calculate and pay supplemental disability; and
- (e) No three-day waiting period applies to supplemental disability benefits.

(7) Partial disability.

When a worker who is eligible to receive supplemental disability benefits has post-injury wages from either the primary job or any secondary job:

- (a) The insurer or the assigned processing administrator must calculate the rate of temporary partial disability due to the worker under OAR 436-060-0030 based on the worker's wages from both the primary and secondary jobs;
- (b) The insurer or the assigned processing administrator must calculate the amount of supplemental disability by subtracting the rate of partial disability due based on wages from only the primary job from the total rate of compensation due to the worker;
- (c) If the worker receives post-injury wages from the secondary job equal to or greater than the secondary wages at the time of injury, no supplemental disability is due; and
- (d) If the worker returns to a job not held at the time of the injury, the insurer or the assigned processing administrator must process supplemental disability under the same terms, conditions and limitations as OAR 436-060-0030.

(8) If temporary disability is not due from the primary job.

Supplemental disability may be due on a nondisabling claim even if temporary disability is not due from the primary job.

- (a) A nondisabling claim will not change to disabling status due to payment of supplemental disability.
- (b) When supplemental disability payments cease on a nondisabling claim, the insurer or the assigned processing administrator must send the worker written notice advising the worker that their supplemental disability payments have stopped and of the worker's right to appeal that action to the Workers' Compensation Board within 60 days of the notice, if the worker disagrees.

(9) Worker's responsibilities.

A worker who is eligible for supplemental disability under this rule has an ongoing responsibility to provide information and documentation to the insurer or the assigned processing administrator, even if temporary disability is not due from the primary job.

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

(10) Hearings.

If a worker disagrees with the insurer's or the assigned processing administrator's decision about the worker's eligibility for supplemental disability or the rate of supplemental disability, the worker may request a hearing under OAR 436-060-0008.

(a) If the worker requests a hearing on the insurer's decision concerning the worker's eligibility for supplemental disability, the worker must submit an appeal of the insurer's or the assigned processing administrator's decision within 60 days of the notice in section (5) of this rule.

(b) The insurer for the primary job is not required to contact the secondary job employer. The worker is responsible to provide any necessary documentation.

(11) Sanctions.

An insurer that elects not to process and pay supplemental disability benefits may be sanctioned upon a worker's complaint if the insurer delays sending necessary information to the assigned processing administrator and that delay causes a delay in the worker receiving supplemental disability benefits.

(12) Third party recovery.

In the event of a third party recovery:

(a) Previously reimbursed supplemental disability benefits are a portion of the paying agency's lien; and

(b) Remittance on recovered benefits must be made to the department in the quarter following the recovery in amounts determined in accordance with ORS 656.591 and ORS 656.593.

A permanent partial disability award exceeding \$6,000 may be paid monthly by the insurer. If it is paid monthly, it must be paid at 4.35 times the weekly temporary disability rate at the time of closure. A permanent partial disability award less than \$6,000 must be paid under OAR 436-060-0060.

(2) Reopened claims.

(a) Any permanent partial disability benefits due must continue; and

(b) If any temporary disability benefits are due, permanent partial disability benefits must be paid concurrently.

(3) Vocational training plans.

If the worker begins an authorized training plan under OAR 436-120 after claim closure, the insurer must suspend the payment of any work disability award, but continue to pay any impairment award. The insurer must stop temporary disability compensation payments and resume any award payments suspended under ORS 656.268(10) upon the worker's completion or ending of the training, unless the worker is not then medically stationary.

436-060-0045 Payment of Compensation during Worker Incarceration

(1) General.

A worker is not eligible to receive temporary disability compensation for periods of time during which the worker is incarcerated for commission of a crime. All other compensation must be provided the worker as if the worker were not incarcerated, except as provided in OAR 436-120. For the purpose of this rule:

(a) A worker is incarcerated for commission of a crime when:

(A) In pretrial detention; or

(B) Imprisoned following conviction for a crime; and

(b) A worker is not incarcerated if the worker is on parole or work release status.

(2) Initiation of payments after incarceration.

Temporary disability compensation, if due and payable, must be paid the worker within 14 days of the date the insurer becomes aware the worker is no longer incarcerated.

(3) Right to claim closure.

A worker who is incarcerated has the same right to claim closure under ORS 656.268 as a worker who is not incarcerated. Any permanent disability awarded must be paid the same as if the worker were not incarcerated.

436-060-0055 Payment of Medical Services on Nondisabling Claims; Employer/Insurer Responsibility

(1) General.

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

Notwithstanding the choice made by the employer under this rule, the employer and insurer must process nondisabling claims in accordance with all statutes and rules governing claims processing. The employer, however, may reimburse the medical service costs paid by the insurer as prescribed in section (3) of this rule.

(2) Notice to employers.

Before the beginning of each policy year, the insurer must notify the insured or prospective insured employer of the employer's right to reimburse medical service costs on accepted, nondisabling claims up to the maximum amount as published in [Bulletin 345](#). The notice must advise the employer:

- (a) Of the procedure for making such payments as outlined in section (3) of this rule;
- (b) Of the general impact on the employer if the employer chooses to make such payments;
- (c) That the employer is choosing not to participate if the employer does not respond in writing within 30 days of receipt of the insurer's notice;
- (d) That the employer's written election to participate in the reimbursement program remains in effect, without further notice from the insurer, until the employer advises otherwise in writing or is no longer insured by the insurer; and
- (e) That the employer may participate later in the policy period upon written request to the insurer, however, the earliest reimbursement period is the first completed period, established under subsection (3)(a) of this rule, following receipt of the employer's request.

(3) Procedure for reimbursement.

If the employer wishes to reimburse the medical service costs paid by the insurer, and has advised the insurer of their election to participate in the reimbursement program in writing under section (2) of this rule:

- (a) Within 30 days following each three month period after policy inception or a period mutually agreed upon by the employer and insurer, the insurer must provide the employer with a list of all accepted nondisabling claims for which payments were made during that period and the respective cost of each claim;
- (b) The employer, no later than 30 days after receipt of the list, must identify those claims and the dollar amount the employer wishes to pay for that period and reimburse the insurer accordingly. The employer and insurer may, by written agreement, establish a period in excess of 30 days for the employer to reimburse the insurer;
- (c) Failure by the employer to reimburse the insurer within the 30 days allowed by subsection (b) will be deemed notice to the insurer that the employer does not wish to make a reimbursement for that period; and
- (d) The insurer must continue to bill the employer for any payments made on the claims within 27 months of the inception of the policy period. Any further billing and

WORKERS' COMPENSATION DIVISION

reimbursement will be made only by mutual agreement between the employer and the insurer.

(4) Records.

The insurer must maintain records of amounts reimbursed by employers for medical services on nondisabling claims. For medical service costs reimbursed under this rule:

- (a) The insurer may not modify an employer's experience rating or otherwise make charges against the employer based on the costs; and
- (b) If the employer is on a retrospective rated plan, the medical costs paid by the employer on nondisabling claims must be included in the retrospective premium calculation, but the insurer must apply the amount paid by the employer as credits against the resulting retrospective premium.

(5) Reclassified claims.

If a claim changes from a nondisabling to a disabling claim and the insurer has recovered reimbursement from the employer for medical costs billed by the insurer before the change, the insurer must exclude those amounts reimbursed from any experience rating, or other individual or group rating plans of the employer. If the employer is on a retrospective rated plan, the premium must be calculated as provided in section (4) of this rule.

(6) Penalties.

Insurers that do not comply with the requirements of this rule or in any way prohibit an employer from reimbursing the insurer under section (3) of this rule, may be subject to a penalty as provided by OAR 436-060-0200.

(7) Self-insured employers.

Self-insured employers must maintain records of all amounts paid for medical services on nondisabling claims under OAR 436-050-0220. When reporting loss data for experience rating, the self-insured may exclude costs for medical services paid on nondisabling claims in amounts not to exceed the maximum amount published in [Bulletin 345](#).

When the award for permanent partial disability exceeds \$6,000, the worker or worker's attorney may request a lump sum payment of all or part of the award. - (b) The award has not become final by operation of law;
- (c) The payment of compensation has been stayed pending a request for hearing or review under ORS 656.313; or
- (d) The worker is enrolled and actively engaged in an authorized training plan under OAR 436-120-. For dates of injury before January 1, 2005, the insurer may not approve a request for lump sum payment of unscheduled permanent disability. For dates of injury on or after January 1, 2005, the insurer may not approve a request for lump sum payment of work disability when the worker:
- (A) Has been found eligible for an authorized training plan under OAR 436-120 and will start the plan within 30 days of the date of the decision on the lump sum request;
 - (B) Is actively enrolled and engaged in an authorized training plan under OAR 436-120; or
 - (C) Has temporarily withdrawn from an authorized training plan under OAR 436-120.

(2) Application for approval.

When an insurer receives a request for a lump sum payment from the worker or the worker's attorney, the insurer must send [Form 1174](#), "Application for Approval of Lump-sum Payment of Award," to the requestor within 10 business days.

(3) Reopening of claims.

For the purpose of this rule, each opening of the claim is considered a separate claim and any subsequent permanent partial disability award from a claim reopening is a new and separate award. Additional award of permanent partial disability obtained through the appeal process is considered part of the total cumulative award for the open period of that claim.

(4) Approved requests.

If the insurer approves the worker's request for lump sum payment of a permanent partial disability award in excess of \$6,000, the insurer must make the lump sum payment within 14 days of receipt of the signed application.

(5) Denied requests.

If the insurer denies the worker's request for lump sum payment of a permanent partial disability award in excess of \$6,000, the insurer must respond to the requestor within 14 days of receiving the request, explaining the reason for denying the lump sum request.

(6) Claim disposition agreements.

A lump sum payment ordered in a litigation order or that is a part of a claim disposition agreement under ORS 656.236 does not require further approval by the insurer.

(7) Partial payments.

When a lump sum payment for only part of an award is approved by the insurer, it must be paid in addition to the regularly scheduled monthly payment. The remaining balance must be

(a) The insurer must pay the cost of final disposition of the body and funeral expenses, up to the maximum benefit under ORS 656.204(1); and

(b) The worker's estate, beneficiaries, or other parties may submit bills related to final disposition of the body and funeral up to 60 days after the date of death or date of claim acceptance, whichever is later. Any portion of the benefit that remains unpaid after this period must be paid to the worker's estate.

(2) Payments to surviving beneficiaries.

The following applies to benefits paid under sections (3) through (5) of this rule:

(a) Benefits payable for a partial month must be calculated by dividing the monthly benefit by the actual number of days in the month and multiplying that result by the number of days payable;

(b) Unless otherwise specified, monthly benefits to beneficiaries must be paid up to the date of any status change; and

(c) Payments must be paid within the timeframes established in OAR 436-060-0150(6).

(3) Benefit to surviving spouse.

If a worker is survived by a spouse, the insurer must pay monthly benefits in an amount equal to 4.35 times 66-2/3 percent of the state average weekly wage to the surviving spouse. Benefits under this section must be paid through the end of the month in which the spouse is no longer eligible to receive benefits under ORS 656.204(2).

(4) Benefit to surviving child.

If a worker is survived by a child under 19 years of age, the insurer must pay a monthly benefit to each child equal to 4.35 times 25 percent of the state average weekly wage, subject to the following:

(a) Total monthly benefits paid under this section must not exceed 4.35 times 133-1/3 percent of the state average weekly wage. If the sum of the individual benefits exceeds this maximum, the insurer must reduce the benefit for each child proportionally;

(b) The insurer may make payment of benefits due under this section to the child's parent, legal guardian, or person having custody of the child. (c) The insurer must send each child [Form 5332](#), "Notice to Beneficiary of Entitlement to Benefits" at least 90 days before their 18th birthday, informing the child of their right to receive benefit payments directly under subsection (b), and of their entitlement to higher education benefits.

(5) Benefit to surviving dependent.

If a worker is survived by a dependent, the insurer must pay a monthly benefit to each dependent that is equal to 50 percent of the average monthly support the dependent actually received from the worker during the 12 months preceding the occurrence of the accidental injury, subject to the following:

(a) Payments to the dependent must continue until:

(A) The dependent becomes 19 years of age, if the dependent is under the age of 19 years at the time of the accidental injury; or

(B) The time the dependency would have terminated had the injury not happened, if the dependent is 19 years of age or older at the time of the accidental injury;

(b) Within five business days after the date of receipt of a request for benefits from an eligible dependent, the insurer must mail the dependent a request for verifiable documentation of the support the dependent actually received from the worker during the 12 months preceding the occurrence of the accidental injury. The request must:

(A) Inform the dependent what verifiable documentation the dependent must submit to the insurer to calculate the dependent's benefit; and

(B) Clearly state that if the insurer does not receive the required documentation within 60 days of the mailing date of the request, the insurer will determine the dependent's monthly benefit based only on the information in the insurer's possession;

(c) Upon receipt of verifiable documentation or the expiration of the 60-day period in paragraph (5)(b)(B) of this rule, the insurer must:

(A) Determine the dependent's monthly benefit and begin payment under OAR 436-060-0150(6); or

(B) Notify the dependent that the information in the insurer's possession was not sufficient to determine the dependent's monthly benefit and provide information about how the dependent may appeal this decision; and

(d) As used in this section, "verifiable documentation" means any written record of financial support provided to the dependent by the worker including, but not limited to, receipts, billing statements, bank account statements, or signed affidavits.

(6) Benefit to child or dependent attending higher education.

(a) Benefits under this section must be paid for an entire month. The child or dependent may claim a full month's benefit for any month in which the child is completing secondary education, obtaining a general educational development certificate, or attending a program of higher education for at least one day.

(b) The child or dependent must provide the insurer with documentation that enables the insurer to determine the child's or dependent's eligibility for monthly benefits.

(A) As used in this section, "documentation" includes, but is not limited to, verification of enrollment in a secondary school, general education development certificate program, or program of higher education.

(B) The child or dependent may use [Form 5332](#), "Notice to beneficiary of entitlement to benefits," to satisfy the requirements of this section.

(7) Death during permanent total disability.

If a worker dies during a period of permanent total disability:

(a) The insurer must pay the costs of final disposition of the body and funeral expenses in the same manner and same amounts as provided in section (1) of this rule, subject to the following:

(A) For claims with a date of injury before July 1, 1973, burial benefits are due only if death results from the accidental injury causing the permanent total disability; and

(B) For claims with a date of injury on or after July 1, 1973:

(i) Burial benefits are due if death results from the accidental injury causing the permanent total disability; or

(ii) Burial benefits are due regardless of the reason for death, if the worker was survived by an eligible beneficiary;

(b) The insurer must pay benefits to surviving beneficiaries in the same manner and same amounts as provided in sections (2) through (6) of this rule:

(A) Permanent total disability benefits must be paid through the date of death. Benefits under this section begin to accrue the following calendar day; and

(B) Benefits payable for a partial month must be calculated by dividing the monthly benefit by the actual number of days in the month and multiplying that result by the number of days payable;

(c) The insurer is not required to reopen and close the claim to begin making payments under this section; and

436-060-0140 Acceptance or Denial of a Claim

(1) Claim investigations.

The insurer is required to conduct a "reasonable" investigation based on all available information in determining whether to deny a claim.

(a) A reasonable investigation is whatever steps a reasonably prudent person with knowledge of the legal standards for determining compensability would take in a good faith effort to ascertain the facts underlying a claim, giving due consideration to the cost of the investigation and the likely value of the claim.

(b) In determining whether an investigation is reasonable, the director will only look at information contained in the insurer's claim record at the time of denial. The insurer may not rely on any fact not documented in the claim record at the time of denial to establish that an investigation was reasonable.

(2) Notice to worker.

The insurer must give the worker written notice of acceptance or denial of a claim within the following time frames:

(a) For claims with a date of injury before January 1, 2002, within 90 days of:

(A) The employer's notice or knowledge of an initial claim;

(B) The insurer's receipt of a [Form 827](#) signed by the worker or the worker's attorney, and the worker's attending physician indicating an aggravation claim; or

(C) Written notice of a new medical condition claim;

(b) For claims with a date of injury on or after January 1, 2002, within 60 days after:

(A) The employer's notice or knowledge of an initial claim;

(B) The insurer's receipt of a Form 827 signed by the worker or the worker's attorney and the worker's attending physician indicating an aggravation claim; or

(C) Written notice of a new medical or omitted condition claim; or

(c) For claims with any date of injury, if the worker challenges the location of an independent medical examination under OAR 436-010-0265 and the challenge is upheld, within 90 days after the employer's notice or knowledge of the claim.

(3) Penalty for untimely acceptance and denials.

The director may assess a penalty under OAR 436-060-0200 against any insurer delinquent in accepting or denying a claim beyond the time frame required under section (2) of this rule.

(4) Notice of acceptance.

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

A notice of acceptance must comply with ORS 656.262(6)(b) and OAR chapter 438. It must include a current mailing date, be addressed to the worker, be copied to the worker's attorney, if any, and the worker's attending physician, and describe to the worker:

- (a) What conditions are compensable;
- (b) Whether the claim is disabling or nondisabling;
- (c) The Expedited Claim Service, of hearing and aggravation rights concerning nondisabling injuries including the right to object to a decision that the injury is nondisabling by requesting the insurer review the status;
- (d) The employment reinstatement rights and responsibilities under ORS chapter 659A;
- (e) Assistance available to employers from the Re-employment Assistance Program under ORS 656.622;
- (f) That claim related expenses paid by the worker must be reimbursed by the insurer when requested in writing and accompanied by sales slips, receipts, or other reasonable written support, for meals, lodging, transportation, prescriptions and other related expenses. The worker must be advised of the two year time limitation to request reimbursement as provided in OAR 436-009-0025 and that reimbursement of expenses may be subject to a maximum established rate;
- (g) That if the worker believes a condition has been incorrectly omitted from the notice of acceptance, or the notice is otherwise deficient, the worker must first communicate the objection to the insurer in writing specifying either that the worker believes the condition has been incorrectly omitted or why the worker feels the notice is otherwise deficient; and
- (h) That if the worker wants the insurer to accept a claim for a new medical condition, the worker must put the request in writing, clearly identify the condition as a new medical condition, and request formal written acceptance of the condition.

(5) Notice of acceptance, fatal claims.

In the case of a fatal claim, the notice must be addressed "to the estate of" the worker and the requirements of subsection (4)(a) through (h) of this rule must not be included.

(6) Initial, modified, and updated notices of acceptance.

- (a) The first acceptance issued on the claim must contain the title "Initial Notice of Acceptance" near the top of the notice. Any notice of acceptance must contain all accepted conditions at the time of the notice.
- (b) An insurer must issue a "Modified Notice of Acceptance" (MNOA) when the insurer:
 - (A) Accepts a new or omitted condition on a nondisabling claim, while a disabling claim is open or after claim closure;
 - (B) Accepts an aggravation claim;
 - (C) Changes the disabling status of the claim; or

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION

(D) Amends a notice of acceptance, including correcting a clerical error, except for an error or omission on an "Updated Notice of Acceptance at Closure."

(c) When an insurer closes a claim, it must issue an "Updated Notice of Acceptance at Closure" under OAR 436-030-0015.

(7) Acceptance of new or omitted conditions.

When an insurer accepts a new or omitted condition on a closed claim, the insurer must reopen the claim and process it to closure under ORS 656.262 and 656.267. When a claim is reopened, the notice of acceptance must specify the conditions for which the claim is being reopened.

(8) Notice of denial to worker.

A notice of denial must comply with OAR chapter 438 and the following:

(a) The notice must specify the factual and legal reasons for the denial, including a specific statement indicating if the denial was based in whole or part on an independent medical examination under ORS 656.325;

(b) If the denial was based in whole or part on an independent medical examination under ORS 656.325:

(A) The notice must include one of the following statements, as appropriate:

(i) "Your attending physician agreed with the independent medical examination report";

(ii) "Your attending physician did not agree with the independent medical examination report"; or

(iii) "Your attending physician has not commented on the independent medical examination report"; and

(B) If subparagraph (8)(b)(A)(ii) or (iii) of this rule apply, the notice must include the division's website address and toll-free phone number for the worker's use in obtaining a brochure about the worker requested medical examination.

(c) The notice must inform the worker of the Expedited Claim Service and of the worker's right to a hearing under ORS 656.283; and

(d) If the denial is under ORS 656.262(15), the notice must inform the worker that a hearing may occur sooner if the worker requests an expedited hearing under ORS 656.291.

(9) Notice of denial to provider of medical services and health insurance.

The insurer must send notice of the denial to each medical service provider and provider of health insurance as defined under ORS 731.162 when compensability of any portion of a claim for medical services is denied. The notice must be sent:

(a) At the same time the denial is sent to the worker;

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

(b) Within 14 days of receipt of any billings from medical providers not previously notified of the denial. The notice must advise the medical provider of the status of the denial; or

(c) Within 60 days of the date when compensability of the claim has been finally determined or when disposition of the claim has been made. The notification must include the results of the proceedings under ORS 656.236 or 656.289(4) and the amount of any settlement.

(10) Payment of compensation.

The insurer must pay compensation due under ORS 656.262 and 656.273 until the claim is denied, except where there is an issue concerning the timely filing of a notice of accident as provided in ORS 656.265(4). The employer may elect to pay compensation under this section in lieu of the insurer doing so. The insurer must report to the division payments of compensation made by the employer as if the insurer had made the payment.

(11) Medical benefits and funeral expenses.

Compensation payable to a worker or the worker's beneficiaries while a claim is pending acceptance or denial does not include:

(a) The costs of medical benefits; or

(b) The cost of final disposition of the body or funeral expenses.

(e) "Quarantine" means the physical separation and confinement of a person who has been or may have been exposed to COVID-19 or SARS-CoV-2 and who does not show signs or symptoms of COVID-19, from persons who have not been exposed to COVID-19 or SARS-CoV-2, to prevent or limit the transmission of COVID-19 to other persons.

(f) "SARS-CoV-2" means the strain of coronavirus that causes COVID-19.

(2) Reasonable investigation.

Under OAR 436-060-0140(1), insurers must conduct a "reasonable investigation" before denying any claim. For claims filed on or after Feb. 1, 2021, for COVID-19 or exposure to SARS-CoV-2, in addition to the requirements of OAR 436-060-0140(1), a reasonable investigation must include the steps in subsections (a) through (d) of this section. The steps in subsections (a) through (d) are not required if the claim is denied for procedural reasons not related to the worker's exposure to COVID-19 or SARS-CoV-2 (for example, the claim was filed with the wrong insurer, the insurer did not provide coverage, or the worker is nonsubject).

(a) Investigate whether there was likely exposure to COVID-19 or SARS-CoV-2 that arose out of and in the course of the worker's employment;

(b) Investigate the source of the worker's exposure to COVID-19 or SARS-CoV-2, which must include obtaining a medical or expert opinion, if, before a compensability denial is issued, the worker tests positive for COVID-19 or a medical service provider diagnoses a presumptive case of COVID-19, the insurer is aware of the test results or presumptive diagnosis, and the source of the exposure is unclear;

(c) Determine whether the worker did not work for a period of quarantine or isolation at the direction of a medical service provider, the Oregon Health Authority Public Health Division, a local public health authority as defined in ORS 431.003, or the employer, for purposes of discovering information that may be relevant to the compensability determination; and

(d) Determine whether medical services were required as a result of potential workplace exposure to COVID-19 or SARS-CoV-2, even if the worker ultimately did not test positive for COVID-19.

(3) Auditing and monitoring.

(a) The director shall audit denied claims for COVID-19 or exposure to SARS-CoV-2 that were reported to the director under OAR 436-060-0011 before Oct. 1, 2020, if:

(A) The insurer had reported a total of five or more claims for COVID-19 or exposure to SARS-CoV-2 before Oct. 1, 2020, regardless of whether those claims were accepted or denied; and

(B) The denial is final by operation of law by the date of the audit.

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

(b) The director shall audit additional denied claims for COVID-19 or exposure to SARS-CoV-2. The specific claims to be audited will be selected based on criteria determined by the director.

(A) Audits of claims filed before Oct. 1, 2020, will focus on whether a reasonable investigation was conducted as required by OAR 436-060-0140(1).

(B) Audits of claims filed on or after Oct. 1, 2020, but before Feb. 1, 2021, will focus on, but not necessarily be limited to, whether the insurer complied with OAR 436-060-0141(2), effective 10/1/2020 (WCD Admin. Order 20-061).

(C) Audits of claims filed on or after Feb. 1, 2021, will focus on, but not necessarily be limited to, whether the insurer complied with section (2) of this rule.

(c) Failure to comply with requirements in ORS chapter 656, OAR chapter 436, or orders of the director may subject an insurer to civil penalties under ORS 656.745(2).

(c) The attending physician or authorized nurse practitioner does not concur with the report or reports.

(2) Request for exam.

The worker must submit a request for the exam to the division. A copy of the request must be sent simultaneously to the insurer.

(b) The director will determine the worker is eligible for an exam if the eligibility criteria in section (1) of this rule are met and:

(A) The worker or insurer provides documents that demonstrate that the attending physician or authorized nurse practitioner does not concur with the independent medical examination report or reports; or

(B) The director has not received documents that demonstrate the attending physician or authorized nurse practitioner does or does not concur with the report or reports, and at least 30 days after the worker's request for hearing under subsection (1)(a) of this rule have passed.

(3) Required documentation.

The insurer must send to the director no later than the 14th day following the insurer's receipt of the worker's request, the names and addresses of all physicians or nurse practitioners who have:

(a) Acted as the worker's attending physician or authorized nurse practitioner;

(b) Provided medical consultations or treatment to the worker;

(c) Examined the worker at an independent medical examination requested by the insurer under ORS 656.325; or

(d) Reviewed the worker's medical records on the claim.

(4) Penalty for failure to provide documentation.

Failure to provide the required documentation described in section (3) of this rule in a timely manner may subject the insurer to civil penalties under OAR 436-060-0200.

(5) Selection of physicians.

If the director determines the worker is eligible for the exam, the director will notify all parties in writing of the physician selected, or will provide the worker or the worker's attorney a list of appropriate physicians. If the director provides a list of physicians, the following applies:

(a) The worker's or the worker's attorney's response must be in writing, signed, and delivered to the director within 14 days of the mailing date of the list;

(b) The worker or the worker's attorney may eliminate the name of one physician from the list;

(c) If the worker or the worker's attorney does not respond as provided in this section, the director will select a physician; and

(d) The director will notify the parties in writing of the physician selected.

(6) Scheduling the exam.

The worker or the worker's attorney must schedule the exam with the selected physician, and notify the insurer and the board of the scheduled exam date within 14 days of the date of the director's notice in section (5) of this rule. The exam is not required to take place within the

14-day notification period. An unrepresented worker may consult with the Ombuds Office for Oregon Workers for assistance.

(7) Required medical records.

The insurer must send the physician the worker's complete medical and diagnostic record on the claim and the original questions asked of the independent medical examination physicians no later than 14 days before the date of the scheduled exam. If the diagnostic records are not in the insurer's possession, the insurer must request that the medical provider send the diagnostic records to the selected physician at least 14 days before the scheduled exam.

(8) Exam questions.

The worker, or the worker's attorney, must communicate questions related to the compensability denial in writing to be answered by the physician at the exam to the physician at least 14 days before the scheduled date of the exam. An unrepresented worker may consult with the Ombuds Office for Oregon Workers for assistance.

(9) Physician's response.

Upon completion of the exam the physician must address the original independent medical examination questions and the questions from the worker or the worker's attorney under section (8) of this rule and send the report to the worker's attorney, if any, or the worker, and the insurer within 14 days.

(10) Payment of physician.

The insurer must pay the physician selected under this rule in accordance with OAR 436-009. Medical services to workers must be delivered in accordance with OAR 436-010.

(11) Failure to attend exam.

If the worker does not attend the scheduled worker requested medical exam, the insurer must pay the physician for the missed exam under OAR 436-009-0010(13). The insurer is not required to pay for another exam unless the worker did not attend the missed examination for reasons beyond the worker's reasonable control.

(12) Reimbursement for services.

institution for deposit in the worker's or beneficiary's account by approved electronic equivalent.

(2) Saturday, Sunday, or legal holidays.

Payments due on a Saturday, Sunday, or legal holiday under ORS 187.010 and 187.020 may be paid on the last working day before, or the first working day after, the Saturday, Sunday, or legal holiday. Subsequent payments may revert back to the payment schedule in place before the Saturday, Sunday, or legal holiday.

(3) Withheld compensation.

Compensation withheld under ORS 656.268(13) and (14), and ORS 656.596(2), will not be considered late if the insurer notifies the worker in writing why benefits are being withheld and the amount that must be offset before any further benefits are payable.

(4) Timely payment of temporary disability.

Insurers must timely process the first payment of temporary disability compensation. The first payment of temporary disability on a claim must also include all temporary disability benefits due as of the date of payment, unless there is a reasonable basis to exclude those benefits at the time the payment issued. The director may assess a penalty under OAR 436-060-0200 against an insurer that does not make the first payment of temporary disability under the time frames of this section, or does not accurately report timeliness of first payment information.

(a) The payment of temporary disability benefits must be made no later than the 14th day after:

(A) The date of the employer's notice or knowledge of the claim and of the worker's disability, if the attending physician or authorized nurse practitioner has authorized temporary disability compensation. Temporary disability accrued before the date of the employer's notice or knowledge of the claim is due within 14 days of claim acceptance;

(B) The date the attending physician or authorized nurse practitioner authorizes temporary disability, if the authorization is more than 14 days after the date of the employer's notice or knowledge of the claim and of the worker's disability;

(C) The start of authorized vocational training under ORS 656.268(10), if the insurer has previously closed the claim;

(D) The date the insurer receives medical evidence supported by objective findings that shows the worker is unable to work due to a worsening of the compensable condition under ORS 656.273;

(E) The date of any director's order, including, but not limited to, a reconsideration order, that orders payment of temporary disability. If the insurer has appealed a reconsideration order, the appeal stays payment of temporary disability benefits except those that accrue from the date of the order, under ORS 656.313;

(F) The date of a notice of claim closure issued by the insurer that finds the worker entitled to temporary disability;

Temporary disability accruing from the date of the order must begin no later than the 14th day after the date the order is filed. For the purpose of this rule, the "date the order is filed" for litigation from the board is the signature date, and from the courts, it is the date of the appellate judgment;

(I) The date the director refers a claim to the insurer for processing under ORS 656.029;

(J) The date the director refers a noncomplying employer claim to an assigned claims agent under ORS 656.054;

(K) The date a claim disposition agreement is disapproved by the Worker's Compensation Board or administrative law judge, if temporary disability benefits are otherwise due;

(L) The date the director designates a paying agent under ORS 656.307;

(M) The date a claim is reclassified from nondisabling to disabling, if temporary disability is due and payable; or

(N) The date an insurer voluntarily rescinds a denial of a disabling claim.

(b) Subsequent payments of temporary disability benefits must:

~~(A) Be made:~~

~~(A) At least once each 14 days, unless the employer is making payments under OAR 436-060-0020(1) and the payments are made concurrently with the payroll schedule of the employer; and include all benefits due for the period ending no more than seven days before the payment date; or~~

~~(B) In accordance with the employer's payroll schedule and pay period. If temporary disability benefits are paid under this paragraph, the insurer's claim file must include written documentation of the payroll schedule and pay period before the payments are issued. and~~

~~(B) Include all benefits due for the period ending no more than seven days before the payment date.~~

(5) Timely payment of permanent disability.

(a) The first payment of permanent disability must be paid no later than the 30th day after:

(A) The date of a notice of claim closure issued by the insurer;

- (B) The date of any litigation order that orders payment of permanent total disability. Permanent total disability benefits accruing from the date of the order must begin no later than the 30th day after the date the order is filed.  - (B) No payment period may exceed one month without the director's approval.

(6) Timely payment of death benefits.

- (b) The first payment of monthly benefits to eligible beneficiaries under OAR 436-060-0075 must be paid no later than the 30th day after:
 - (A) The date of a notice of acceptance issued by the insurer; or
 - (B) The date of any litigation order that orders death benefits. Death benefits accruing from the date of the order must begin no later than the 30th day after:
 - (i) The signature date of an order from the board; or

- (c) Subsequent payments of monthly benefits to eligible beneficiaries under OAR 436-060-0075 must be made on a regular and predictable schedule, subject to the following:
 - (A) The insurer may adjust the monthly payment schedule, but must inform the beneficiary before making the adjustment; and

(7) Notice to worker or beneficiary regarding payments.

The insurer must provide an explanation in writing to the worker or beneficiary when the benefit amount, time period covered, or payment schedule changes, and must:

(a) Notify the worker or beneficiary in writing of the specific purpose and the time period covered by each payment of temporary disability benefits; and

(b) Notify the worker or beneficiary in writing of the specific purpose of the payment, the schedule of future payments, and the time period each payment will cover with the first payment of permanent disability or death benefits. (a) The worker is entitled to the full amount of compensation due under Oregon law;

(b) The total amount paid or awarded under the other jurisdiction's law must be credited against the compensation due under Oregon law;

(c) If Oregon compensation is more than the compensation paid or awarded under the other jurisdiction's law, or compensation paid the worker under another law is recovered from the worker, the insurer must pay any unpaid compensation to the worker up to the amount required by the claim under Oregon law;

If the insurer unreasonably delays or unreasonably refuses to pay compensation, attorney fees or costs, or unreasonably delays acceptance or denial of a claim:

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

(a) The director may require the insurer to pay:

(A) A penalty, payable to the worker, of up to 25 percent of the amounts then due, determined by the matrix attached to these rules in Appendix "B." When there are no "amounts then due" upon which to assess a penalty, no penalty will be issued under this rule; and

(B) A fee to the worker's attorney under ORS 656.262(11) and OAR 436-001-0420.

(b) For the purpose of this rule, and the matrix attached to these rules in Appendix "B," a "violation" is:

(A) The late payment or the nonpayment of any single payment due;

(B) A continuous underpayment, such as with yearly cost of living increases for temporary disability compensation. In the case of a continuous underpayment, all prior underpayments will be considered as one violation, regardless of when the first underpayment occurred; or

(C) The late issuance of an acceptance or denial notice under OAR 436-060-0140(2).

(2) Requests for penalties and attorney fees.

Requests for penalties and attorney fees under this rule must:

(a) Be made in writing;

(b) State, in the request, what benefits have been delayed or remain unpaid; and

(c) Be mailed or delivered to the division within 180 days of the date of the alleged violation. For the purpose of this rule, the date of the alleged violation is:

(A) For the late payment or nonpayment of any single payments, the date payment was due;

(B) For a continuous underpayment, the date of the last underpayment; or

(C) For a late issuance of an acceptance or denial notice, the date the notice was due under OAR 436-060-0140(2).

(3) Required response from the insurer.

When notified by the director that additional amounts may be due to the worker as a penalty under this rule:

(a) The insurer must respond in writing to the division:

(A) The response must include a reason for the delay, and any additional information or documentation requested by the director;

(B) The response must be mailed or delivered to the division within 14 days of the mailing date of the director's inquiry letter; and

(C) Copies of the response, including any attachments, must be simultaneously sent to the worker and the worker's attorney, if any;

(b) If the insurer fails to meet the requirements of this section, the director may assess a civil penalty under OAR 436-060-0200.

(4) Jurisdiction over proceedings.

The director has exclusive jurisdiction when the assessment and payment of penalties and attorney fees described in ORS 656.262(11) ~~is~~ are the sole only ~~issues of the proceedings~~ between the parties. ~~The director will not issue an order assessing a penalty or attorney fee under this rule when the same parties have initiated proceedings before the board.~~

(a) If the director receives a request for penalties and attorney fees under this rule, and is aware ~~that a hearing has been requested before the board on other issues of proceedings between the parties before the board~~, the director ~~may transfer~~ will refer the request to the board. Factors the director will consider in determining whether to transfer the request include, but are not limited to, the status of the hearing and the date set for the hearing. The determination of whether to transfer a request to the board is solely within the authority of the director.

(b) If the director has not been made aware of the proceeding before the board and issues a penalty order that becomes final, the director's penalty will stand.

(5) Timely payment of penalties.

Penalties ordered under this rule must be paid to the worker no later than the 30th day after the date of the order, unless the order is appealed. If the order is appealed and later upheld, the penalty will be due within 14 days of the date the order upholding the penalty becomes final. If the insurer does not pay penalties in a timely manner the insurer will be subject to civil penalties under OAR 436-060-0200.

(6) Dispute resolution.

Disputes regarding unreasonable delay or unreasonable refusal to pay compensation, attorney fees or costs, or unreasonable delay in acceptance or denial of a claim may be resolved by the parties.

(a) In cases where the director has exclusive jurisdiction under section (4) of this rule, and the violations occurred within the last 180 days as described in subsection (2)(c) of this rule, then the parties must submit a stipulation to the division for approval. The stipulation must specify:

- (A) The benefits, attorney fees, or costs delayed and the amounts;
- (B) The time periods involved;
- (C) If applicable, the name of the medical providers and the dates of services relating to medical bills;
- (D) The amount of the penalty not to exceed 25 percent of the amounts then due under ORS 656.262(11)(a); and
- (E) The attorney fees, if applicable.

(b) Any other agreements between the parties to pay a penalty or attorney fee must have a stipulation approved by the director to be acknowledged as a violation as it applies to the matrix in Appendix "B" of these rules.

(c) Payment of a penalty due under this section is due within 14 days after the date the director approves the stipulation, unless otherwise stated in the stipulation. If the insurer does not pay penalties in a timely manner the insurer will be subject to civil penalties under OAR 436-060-0200.

(1) Benefits paid a worker.

An insurer may ~~only~~ recover overpayment of benefits paid to a worker as specified by ORS 656.268(12), (13), (14), and (16), unless authority is granted by an administrative law judge or the board.

436-060-0180 Designation and Responsibility of a Paying Agent

(1) For the purpose of this rule:

(a) "**Compensable injury**" means an accidental injury or damage to a prosthetic appliance, or an occupational disease arising out of and in the course of employment with any Oregon employer, and which requires medical services or results in disability or death.

(b) "**Exposure**" means a specific incident or period during which a compensable injury may have occurred.

(c) "**Responsibility**" means liability under the law for the acceptance and processing of a compensable claim.

(d) "**Earliest claim**" means the earliest date of:

(i) A written request for compensation from a subject worker or someone on the worker's behalf; or

(ii) The subject employer had notice or knowledge of the compensable injury.

(2) **General.**

The director will designate by order which insurer must pay a claim if the employers and insurers admit that the claim is otherwise compensable, and where there is an issue regarding:

(a) Which subject employer is the true employer of the worker;

(b) Which of more than one insurer of a certain employer is responsible for payment of compensation to the worker;

(c) Which of two or more employers or their insurers is responsible for paying compensation for one or more on-the-job injuries or occupational diseases; or

(d) Which of two or more employers is responsible when there is joint employment.

(3) **Own motion claims.**

With the consent of the board, own motion claims under ORS 656.278(1) are subject to this rule.

(4) **Determination of compensability.**

Upon learning of any of the issues described in section (2) of this rule, the insurer must expedite the processing of the claim by immediately investigating the claim to determine responsibility and whether the claim is otherwise compensable.

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

(a) For the purposes of this rule, insurers identified in a potential responsibility dispute under ORS 656.307 must, upon request, share claim related medical reports and other information pertinent to the injury without charge in order to expedite claim processing.

(b) The act of the worker applying for compensation benefits from any employer identified as a party to a responsibility dispute constitutes authorization for the involved insurers to share the pertinent information in accordance with the criteria and restrictions provided in OAR 436-060-0017 and 436-010-0240.

(c) Copies of claims documents must be mailed under the time frames established in OAR 436-060-0017(5).

(d) An insurer that shares information under this rule bears no legal liability for disclosure of the information.

(5) Notification of affected insurers.

Upon learning of any of the issues described in section (2) of this rule, the insurer must immediately notify any other affected insurers of the situation. Such notice must identify the compensable injury and include a copy of all medical reports and other information pertinent to the injury. The notice must identify each period of exposure that the insurer believes responsible for the compensable injury by the following:

- (a) Name of employer;
- (b) Name of insurer;
- (c) Specific date of injury or period of exposure; and
- (d) Claim number, if assigned.

(6) Request for designation of a paying agent.

Upon deciding that the responsibility for an otherwise compensable injury cannot be determined, the insurer must request designation of a paying agent from the director in writing and mail a copy of the request to the worker and the worker's attorney, if any.

(a) The insurer may not attach the request to, or include the request in, any form or report the insurer is required to submit under OAR 436-060-0011 or in the denial letter to the worker required by OAR 436-060-0140.

(b) The request, or agreement to designation of a paying agent, is not an admission that the insurer is responsible for the compensable injury; it is solely an assertion that the injury is compensable against a subject Oregon employer.

(c) The insurer's written request must contain the following information:

- (A) Identification of the compensable injuries or occupational diseases;
- (B) That the insurer is requesting designation of a paying agent under ORS 656.307;
- (C) That the insurer acknowledges the claim is otherwise compensable;
- (D) That responsibility is the only issue;
- (E) Identification of the specific claims or exposures involved by:

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

- (i) Employer;
- (ii) Insurer;
- (iii) Date of injury or specific period of exposure; and
- (iv) Claim number, if assigned;

(F) Acknowledgment that medical reports and other material pertinent to the injury have been provided to the other parties; ~~and~~

(G) Confirmation the worker has been advised of the actions being taken on the worker's claim; ~~and~~

(H) The worker's average weekly wage, as calculated under OAR 436-060-0025; and

(I) The earliest claim date.

(d) The director will not designate a paying agent when:

(A) It has not been determined if the injury is compensable against a subject Oregon employer;

(B) An insurer included in the question of responsibility opposes designation of a paying agent because it has received no claim; or

(C) The 60 day appeal period of a denial expired and:

(i) No request for hearing had been received by the board; or

(ii) No request for a designation of paying agent order had been received by the director.

(7) Failure to respond to request for clarification.

When notified by the director that there is a reasonable doubt as to the status of the claim or intent of a denial, the insurer must provide written clarification to the director, the worker, the other insurers involved, and other interested parties within ~~1421~~ days of the insurer's date of receipt/ mailing date of the notification. If an insurer fails to respond timely or provides an inadequate response (e.g., failing to answer specific questions or provide requested documents), the director may assess a civil penalty under OAR 436-060-0200.

(8) Insurer responsibilities.

Insurers receiving notice from the director of a worker's request for designation of a paying agent must immediately process the request in accordance with sections (4) through (6) of this rule.

(9) Factors for designation.

(a) Upon receipt of written acknowledgment from the insurers that the only issue is responsibility for an otherwise compensable injury claim, the director will issue an order designating a paying agent under ORS 656.307. The director will designate the insurer with the lowest compensation considering the following factors:

(Aa) The claim with the lowest temporary total disability rate;

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

(Bb) If the temporary total disability rates and the dollar rates ~~per degree~~ of permanent partial disability in Bulletin 111 are the same, the earliest claim;

(Ce) If there is no temporary disability or the temporary total disability rates are the same, but the dollar rates ~~per degree~~ of permanent partial disability in Bulletin 111 are different, the claim with the lowest dollar rate ~~per degree~~ of permanent partial disability;

(Dd) If one or more claims have disposed of benefits in accordance with ORS 656.236(1), the claim providing the lowest compensation not released by the claim disposition agreement;

(Ee) If one claim is under own motion jurisdiction, that claim, even if it is not the claim with the lowest temporary total disability rate; and

(Ff) If more than one claim is under own motion jurisdiction, the own motion claim with the lowest temporary total disability rate.

(b) If the claim with the lowest compensation cannot be determined under (a) of this section, the director may consider other information to designate a paying agent.

(10) Referral to the Worker's Compensation Board.

By copy of its order, the director will refer the matter to the board to set a proceeding under ORS 656.307 to determine which insurer is responsible for paying benefits to the worker.

(11) Responsibilities of designated paying agent.

The designated paying agent must process the claim as an accepted claim through claim closure under OAR 436-030-0015 unless it is relieved of the responsibility by an order of the administrative law judge or resolution through mediation or arbitration under ORS 656.307(6).

(a) The parties to an order under this section may not settle any part of a claim under ORS 656.236 or 656.289, except to resolve the issue of responsibility, unless prior approval and agreement is obtained from all potential responsible insurers.

(b) Resolution of a dispute by mediation or arbitration by a private party cannot obligate the Consumer and Business Services Fund without the director's prior approval.

(c) The Consumer and Business Services Fund is not obligated when one party declines to participate in a legitimate settlement conference under an ORS 656.307 order.

(d) Compensation paid under the order must include all benefits, including medical services, provided for a compensable injury to a subject worker or the worker's beneficiaries. The payment of temporary disability due must be for periods subsequent to periods of disability already paid by any insurer.

(12) Change in compensability or claims status.

After a paying agent is designated, if any of the insurers determine compensability may be an issue at hearing, the insurer must notify the director.

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

(a) Any insurer must notify the director and all parties to the order of any change in claim acceptance status after the designation of a paying agent.

(b) When the director receives notification of a change in the acceptance of a claim or notification that compensability is an issue after designation of a paying agent, the director will order termination of any further benefits due from the original order designating a paying agent.

436-060-0190 Monetary Adjustments among Parties and Department of Consumer and Business Services

(1) General.

An order of the director under ORS 656.307 and OAR 436-060-0180 applies only to the period before the order of the administrative law judge determining the responsible paying party. Payment of compensation made after the order may not be recovered from the Consumer and Business Services Fund, unless the director concludes payment was made before the administrative law judge's order was received by the paying agent designated under OAR 436-060-0180. After the administrative law judge's order, any necessary monetary adjustments must be made under OAR 436-060-0195.

(2) Determination of benefits paid.

When all litigation on the issue of responsibility is final, the insurer ultimately held to be responsible must, before paying any compensation, contact any nonresponsible insurer to determine what compensation has already been paid. When contacted by the responsible insurer, the nonresponsible insurer must provide the requested information necessary for the responsible insurer to make a timely payment to the worker, medical providers or others, but in any case no later than 20 days after the date of contact. Failure to respond to the responsible insurer's inquiry in a timely manner may result in nonreimbursement otherwise due from the responsible insurer or from the Consumer and Business Services Fund.

(3) Reimbursement of nonresponsible insurers.

The responsible insurer must reimburse any nonresponsible insurers for compensation the nonresponsible insurer paid that the responsible insurer is responsible for, but has not already paid, within 30 days of receiving enough information to determine the benefits paid and the relationship to the conditions involved. Any balance remaining due to the worker, medical providers or others must be paid in a timely manner under OAR 436-009 and 436-060-0150. Payment of compensation that results in duplicate payment to the worker, medical providers or others as a result of failing to contact the nonresponsible insurer does not release the responsible insurer from the requirement to reimburse any nonresponsible insurers for its costs.

(4) Direction of unresolved adjustments.

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

The director may direct any necessary monetary adjustment between the parties that is not otherwise ordered by the administrative law judge or voluntarily resolved by the parties. The director will not order an insurer to pay compensation above that required by law, as it relates to the insurer's claim, except in the situation described in section (3) of this rule. Any insurer that fails to make monetary adjustments within 30 days of an order by the director may be subject to civil penalties under OAR 436-060-0200. Only compensation paid as a result of an order by the director under OAR 436-060-0180 and consistent with this rule is recoverable from the Consumer and Business Services Fund when such compensation is not reimbursed to the nonresponsible insurer by the responsible insurer.

(5) Unnecessary costs.

When the director determines improper or untimely claim processing by the designated paying agent has resulted in unnecessary costs, the director may deny reimbursement from the responsible insurer and the Consumer and Business Services Fund.

436-060-0195 Miscellaneous Monetary Adjustments among Insurers

(1) General.

The director may order monetary adjustments between insurers when a worker has a right to compensation, but there is a dispute between insurers that does not fall under the director's authority in ORS 656.307 and OAR 436-060-0190.

(a) When any litigation on the issues in question is final, insurers must make any necessary monetary adjustments between themselves, consistent with the determination of coverage for compensation paid to the worker, medical providers, and others for which they are responsible, within 30 days of receiving enough information to determine the benefits paid and the relationship to the conditions involved.

(b) Any balance due after making such adjustments must be paid in a timely manner to the worker, medical providers and other parties under OAR 436-009 and 436-060-0150.

(c) Any failure to obtain reimbursement from an insurer under this rule is not recoverable from the Consumer and Business Services Fund.

(2) Obligation to process claims.

The director may direct any necessary monetary adjustment between parties, but will not order an insurer to pay compensation above that required by law, as it relates to the insurer's claim, except when an insurer unduly compensates a worker while having knowledge such compensation has already been paid by another insurer. However, each insurer has its own independent obligation to process its claim and pay compensation due until the claim is either accepted or denied. When notified by the director that a dispute over monetary adjustment exists the insurer must provide a written response to questions or issues raised, including

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

supporting documentation, to the division, the other insurers involved and other interested parties within 21 days of the mailing date of the notification.

(3) Failure to make adjustments.

Failure to respond to the director's inquiries or make monetary adjustments within 30 days of an order by the director will subject the insurer to civil penalties under OAR 436-060-0200.

(4) Unnecessary costs.

When the director determines improper or untimely claim processing by an insurer resulted in unnecessary costs, the director may deny monetary adjustment between the insurers.

436-060-0200 Assessment of Civil Penalties

(1) Penalties for inducing failure to report claims.

The director will assess a civil penalty under ORS 656.745(1) against an employer or insurer that intentionally or repeatedly induces workers to fail to report accidental injuries, causes employees to collect accidental injury claims as off-the-job injury claims, persuades workers to accept less than the compensation due or makes it necessary for workers to resort to proceedings against the employer to secure compensation due.

For the purpose of this section:

- (a) "**Intentionally**" means the employer or insurer acted with a conscious objective to engage in the conduct or cause any result described in this section; and
- (b) "**Repeatedly**" means more than once in any 12-month period.

(2) Penalties for failure to comply with statutes, rules, and orders.

The director may assess a civil penalty under ORS 656.745(2) against an employer or insurer that violates ORS chapter 656, OAR chapter 436, or orders of the director regarding reports or other requirements necessary to carry out the purposes of ORS chapter 656. Except as provided in ORS 656.780, the director may assess a civil penalty against a service company only for claims processing violations identified in the director's annual audits of claims processing performance. The director may assess only one penalty for each separate violation by an employer, insurer, or service company identified in an annual audit.

(3) Penalties for failure to meet time frame requirements.

The director may assess a civil penalty under ORS 656.745(2) against an employer or insurer that does not meet the time frame requirements in OAR 436-060-0010, 436-060-0011, 436-060-0017, 436-060-0018, 436-060-0030, 436-060-0060, 436-060-0140, 436-060-0147, 436-060-0155 and 436-060-0180. The director may assess a civil penalty under ORS 656.745(2) against a service company that does not meet the time frame requirements, only for violations identified in the director's annual audits of claims processing performance. The

director may assess only one penalty for each separate violation by an employer, insurer, or service company identified in an annual audit.

(4) Penalties for use of sight draft to pay compensation.

The director may assess a civil penalty under ORS 656.745(2) against an insurer that willfully violates OAR 436-060-0160.

(5) Penalties for inaccurate reporting of first payment timeliness.

The director may assess a civil penalty under ORS 656.745(2) against an insurer that does not accurately report timeliness of first payment information to the division. The director may assess this civil penalty against the service company processing the insurer's claims if the violations were identified in the director's annual audits of claims processing performance. The director may assess only one penalty for each separate violation by an insurer or service company identified in an annual audit. For the purposes of this section, a violation consists of each situation in which a first payment was reported to have been made timely, but was found upon audit to have actually been late.

(6) Penalties for failure to comply with claims processing requirements.

Notwithstanding section (3) of this rule, the director may assess civil penalties under ORS 656.745(2) against an employer, insurer, or service company for each violation of the claims processing requirements of ORS chapter 656, OAR chapter 436, or orders of the director. For the purpose of this section, the statutory claims processing requirements include but are not limited to, ORS 656.202, 656.210, 656.212, 656.228, 656.234, 656.236, 656.245, 656.262, 656.263, 656.264, 656.265, 656.268, 656.273, 656.307, 656.313, 656.325, and 656.331.

(7) Penalties for misrepresentation to obtain claims records.

The director may assess a civil penalty of \$1,000 against any employer or insurer that misrepresents itself in any manner to obtain workers' compensation claims records from the director, or that uses such records in a manner contrary to these rules. In addition, the director may suspend or revoke:

(a) An employer's or insurer's access to workers' compensation claims records for such time as the director may determine; or

(b) Any other person's access to workers' compensation claims records if the director determines they have misrepresented themselves or used records in a manner contrary to these rules.

(8) Performance audits.

Insurers will be subject to periodic performance audits. Civil penalties may be issued for each area where the insurer's performance falls below the acceptable standards set forth in the rules and orders of the director.

(9) Considerations for assessing penalties.

In arriving at the amount of penalty under this rule, the director may consider, but is not limited to:

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

- (a) The ratio of the volume of violations to the volume of claims reported;
- (b) The ratio of the volume of violations to the average volume of violations for all insurers; and
- (c) Prior performance in meeting the requirements outlined in this section.

(10) Penalty to worker's attorney for failure to cooperate with insurer's investigation.

The director may assess a civil penalty not to exceed \$1,000 against a worker's attorney that is unreasonably unwilling or unavailable to participate in an insurer's interview as required by ORS 656.262(14).

436-060-0400 Penalty and Attorney Fee for Untimely Payment of Disputed Claims Settlement

(1) Right to request penalties and attorney fees.

If the insurer fails to pay amounts due on a disputed claims settlement within five business days of receipt of notice from the worker that the payment is late, the worker or worker's attorney may request penalties and attorney fees.

(2) Requirements for requests.

Requests for penalties and attorney fees under this rule must be in writing, state what payments were delayed or remain unpaid, and be mailed or delivered to the division within 180 days of the date of notice to the insurer. In order to be awarded an attorney fee the attorney must submit a signed, current retainer agreement.

(3) Required response from the insurer.

When notified by the director that a penalty or attorney fees have been requested under this rule, the insurer must respond in writing to the division.

- (a) The response must include any information or documentation requested by the director.
- (b) The response must be mailed or delivered to the division within 14 days of the date of the director's inquiry letter; and
- (c) Copies of the response, including any attachments, must be sent simultaneously to the worker and the worker's attorney, if any.

(4) Failure to respond.

If the insurer fails to meet the requirements of section (3) of this rule, the director may assess additional civil penalties under OAR 436-060-0200.

(5) Penalty and fee amounts.

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

The penalty and fee will be based on the amounts allocated to the worker and the attorney in the settlement agreement as prescribed in ORS 656.262(12)(b). Penalties will be issued in accordance with the matrix set forth in Appendix "C."

(6) Timely payment of penalties.

Penalties and attorney fees ordered under this rule must be paid to the worker and attorney no later than the 30th day after the date of the order, unless the order is appealed. If the order is appealed and later upheld, the penalty and attorney fee will be due within 14 days of the date the order upholding the penalty becomes final. 436-060-0500 Reimbursement of Supplemental Disability for Workers with Multiple Jobs at the Time of Injury

(1) General.

When an insurer elects to pay supplemental disability due a worker with multiple jobs at the time of injury, the director will reimburse the supplemental amount quarterly, after receipt and approval of documentation of compensation paid by the insurer or service company. The director will reimburse the insurer, in care of the service company, if applicable.

- (k) Any other information the director requires.

(3) Administrative fee.

DEPARTMENT OF CONSUMER AND BUSINESS SERVICES
WORKERS' COMPENSATION DIVISION
Proposed CLAIMS ADMINISTRATION

In addition to the supplemental disability reimbursement, the director will pay the insurer an administrative fee based on the annual claim processing administrative cost factor, as published in [Bulletin 316](#).

(4) Repayment of invalid or incorrect payments.

The director may require the insurer to repay reimbursements made for invalid or incorrect payments. An invalid or incorrect payment may be identified at any time, including during an audit by the director, or when the insurer or assigned processing administrator identifies that supplemental disability benefits have been overpaid.

- (a) The director may periodically audit the insurer's files to validate the amount reimbursed.
- (b) Invalid amounts include, but are not limited to:
 - (A) Payments exceeding statutory amounts due to the insurer, excluding reasonable overpayments, as determined by the director;
 - (B) Compensation paid as a result of untimely or inaccurate claims processing;
 - (C) Payments of compensation that were not documented as required by OAR 436-050; or
 - (D) Amounts in a third-party recovery that result in overpayment.

(5) Benefits due workers of a noncomplying employer.

Supplemental disability benefits due subject workers of a noncomplying employer as defined in ORS 656.052 are not eligible for separate reimbursement under this rule, but remain a cost recoverable from the employer as provided by ORS 656.054(2).

(6) Claim disposition agreements and stipulated claims settlements.

Claim disposition agreements or stipulated claims settlements, under ORS 656.236 or 656.289, that include amounts for supplemental disability benefits due to multiple jobs, are not eligible to receive reimbursement from the Workers' Benefit Fund unless they receive written confirmation from the director before the disposition or settlement is approved by the Worker's Compensation Board.

- (a) To receive written confirmation of a proposed disposition or settlement, the insurer must submit a request to the division. The request for written confirmation must include:
 - (A) A copy of the proposed disposition or settlement that specifies the exact amount of the proposed contribution to be made from the Workers' Benefit Fund;
 - (B) A statement from the insurer indicating how the amount of the contribution was calculated; and
 - (C) Any other information required by the director.
- (b) The director will not confirm the disposition for reimbursement if the proposed contribution exceeds a reasonable projection of that claim's future liability to the Workers' Benefit Fund.
