## Preface

The Supplement to the Statement of Vote provides detailed information on how votes were cast within each county.

This document is produced pursuant to Elections Code section 15502 which requires the Secretary of State to compile a Supplement within 120 days of the filing of the Statement of Vote. Based upon the information provided by counties, it shows the number of votes cast in each county, city, Assembly district, Senate district, Congressional district, and Supervisorial district for each candidate for the offices of Governor and United States Senator and for each statewide ballot measure.

This Supplement to the Statement of Vote contains the official vote count results by county for the Gubernatorial candidates, United States Senate candidates, and the nine state ballot measures that appeared on the November 2, 2010, General Election ballot.

**November 2, 2010, General Election  
Supplement to the Statement of Vote**

**Explanatory Notes**

This Supplement to the Statement of Vote contains the official vote results for the November 2, 2010, General Election as provided to the Secretary of State's Office by California's 58 counties.

Fresno

---

Fresno County uses ballot types that cross supervisorial district lines and city district lines. These ballot types have been consolidated into a line item called "multiple districts."

Marin

---

Marin County uses ballot types that cross supervisorial district lines and city district lines. These ballot types have been consolidated into a line item called "multiple districts."

San Luis Obispo

---

San Luis Obispo County uses ballot types that cross district lines. These ballot types have been consolidated into a line item called "multiple districts."

Ventura

---

Ventura County consolidated some precincts and offered multiple ballot styles that contained more than one Senate District. Ventura County also consolidated some precincts within the City of Simi Valley. In such cases, Ventura County elections officials were unable to accurately distribute some votes for statewide contests to specific districts (and attributed some votes to more than one district), but county officials confirmed that the summary lines titled "Ventura County Totals" are correct.
