* **SB 39 Parental Responsibility for Sex Education Training** – Sponsored by Senator Reid, the bill requires the State Board of Education to develop and offer training to parents with information on health education and human sexuality. The program would have been supplemental to existing abstinence and sex-ed curricula in schools and will not act as a substitute. The bill made it through the Senate and out of committee in the House, but failed the house vote, and will not be enacted into law.

* **HB 50 Dating Violence Protection Act** – Sponsored by Representative Seelig, the bill extends access of protective orders to those who are in a dating relationship, and are either an emancipated minor or at least 18 years of age (previously was only available to spouses and cohabitants). The bill passed both chambers of the legislature.
