The chart below lists the estimated nine-month, full-time cost of attendance budgets that are generally applicable to Caltech undergraduate students enrolled for the 2014-15 school year. With the exception of the Orientation Fee, all direct charges, i.e., tuition, fees, housing and board, are divided evenly between the fall, winter and spring terms.

<sup>1/</sup> Fees do not include the Caltech Student Health Insurance Plan. Students are not required to purchase health insurance through Caltech provided they have coverage through a comparable plan. The plan will cost \$2,772 for the 2014-15 school year -- \$924 per Insurance Term. Financial aid recipients who enroll in the Caltech Student Health Insurance Plan may request that the expense be added to their estimated cost of attendance. Students will be offered loan and/or scholarship assistance to cover the additional expense.

<sup>2/</sup> All entering undergraduate students are charged a one-time, \$500 Orientation Fee in addition to the mandatory fees applicable to all undergraduate students.

<sup>3/</sup> The Housing/Room rate included in this estimated cost of attendance is a calculated expense based on the weighted average of all available undergraduate, on-campus housing options.

<sup>4/</sup> A Travel Allowance to (partially) offset the cost of two roundtrips from a student's primary residence may be added to this estimated cost of attendance for U.S. citizens or eligible non-citizens who reside in the U.S., associated U.S. territories, Canada, or Mexico.
